

# 1st World War Poetry

**Santanu Das**

Poetry of the First World War Tim Kendall, 2013-10-10 The First World War produced an extraordinary flowering of poetic talent, poets whose words commemorate the conflict more personally and as enduringly as monuments in stone. Lines such as 'What passing-bells for these who die as cattle?' and 'They shall grow not old, as we that are left grow old' have come to express the feelings of a nation about the horrors and aftermath of war. This new anthology provides a definitive record of the achievements of the Great War poets. As well as offering generous selections from the celebrated soldier-poets, including Wilfred Owen, Siegfried Sassoon, Rupert Brooke, and Ivor Gurney, it also incorporates less well-known writing by civilian and women poets. Music hall and trench songs provide a further lyrical perspective on the War. A general introduction charts the history of the war poets' reception and challenges prevailing myths about the war poets' progress from idealism to bitterness. The work of each poet is prefaced with a biographical account that sets the poems in their historical context. Although the War has now passed out of living memory, its haunting of our language and culture has not been exorcised. Its poetry survives because it continues to speak to and about us.

*The Wordsworth Book of First World War Poetry* Marcus Clapham, 1995 This anthology serves as an introduction to the poetry of World War I, and the inclusion of a number rarely anthologized poets, many from the ranks, as well as anonymous poems and songs, attempts to bring a quality of freshness to the selection.

**Women's Poetry of the First World War** Nosheen Khan, 1988-01-01

**First World War Poetry** Jon Silkin, 1997-02-01 A selection of poetry written during World War I. In the introduction Jon Silkin traces the changing mood of the poets - from patriotism through anger and compassion to an active desire for social change. The book includes work by Sassoon, Owen, Blunden, Rosenberg, Hardy and Lawrence.

A History of World War One Poetry Jane Potter, 2022 Situating First World War poetry in a truly global context, this book reaches beyond the British soldier-poet canon. A History of World War One Poetry examines popular and literary, ephemeral and enduring poems that the cataclysm of 1914-1918 inspired. Across Europe, poets wrestled with the same problem: how to represent a global conflict, dominated by modern technology, involving millions of combatants and countless civilians. For literary scholars this has meant discovering and engaging with the work of men and women writing in other languages, on other fronts, and from different national perspectives. Poems are presented in their original languages and in English

translations, some for the very first time, while a Coda reflects on the study and significance of First World War poetry in the wake of the Centenary. *A History of World War One Poetry* offers a new perspective on the literary and human experience of 1914-1918.

*A Treasury of War Poetry* George Herbert Clarke, 1917

**Three Poets of the First World War** Ivor Gurney, Wilfred Owen, Isaac Rosenberg, 2012-03-27 An essential new collection of poetry from the First World War This indispensable anthology brings together the works of three major poets from the First World War. Ivor Gurney (1890-1937) was a classical music composer and poet who published two volumes of poems, *Severn and Somme* and *War's Embers*. Wilfred Owen's (1893- 1918) realistic poetry is remarkable for its details of war and combat. Isaac Rosenberg's (1890-1918) *Poems from the Trenches* is widely considered one of the finest examples of war poetry from the period. Carefully selected by Jon Stallworthy, a professor emeritus of English at the University of Oxford, these poems comprise a landmark publication that reflects the disparate experiences of war through the voices of the soldiers themselves. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

**A Treasury of War Poetry: British and American Poems of the World War 1914-1917 (WWI Centenary Series)**

G. H. Clarke, 2016-03-10 The present Anthology contains a number of representative poems produced by English-speaking men and women. The editorial policy has been humanly hospitable, rather than academically critical, especially in the case of some of the verses written by soldiers at the Front, which, however slight in certain instances their technical merit may be,

are yet psychologically interesting as sincere transcripts of personal experience, and will, it is thought, for that very reason, peculiarly attract and interest the reader. It goes without saying that there are several poems in this group which conspicuously succeed also as works of art. For the rest, the attempt has been made, within such limitations as have been experienced, to present pretty freely the best of what has been found available in contemporary British and American war verse. This book is part of the World War One Centenary series; creating, collating and reprinting new and old works of poetry, fiction, autobiography and analysis. The series forms a commemorative tribute to mark the passing of one of the world's bloodiest wars, offering new perspectives on this tragic yet fascinating period of human history. Each publication also includes brand new introductory essays and a timeline to help the reader place the work in its historical context.

**International Poetry of the First World War** Constance M. Ruzich, 2020-10-15 Ranging far beyond the traditional canon, this ground-breaking anthology casts a vivid new light on poetic responses to the First World War. Bringing together poems by soldiers and non-combatants, patriots and dissenters, and from all sides of the conflict across the world, *International Poetry of the First World War* reveals the crucial public role that poetry played in shaping responses to and the legacies of the conflict. Across over 150 poems, this anthology explores such topics as the following: · Life at the Front · Psychological trauma · Noncombatants and the home front · Rationalising the war · Remembering the dead · Peace and the aftermath of the war With contextual notes throughout, the book includes poems written by authors from America, Australia, Austria-Hungary, Belgium, Canada, France, Germany, Great Britain, India, Ireland, Italy, New Zealand, Russia, and South Africa.

*The Nation's Cause* Elizabeth A. Marsland, 2012-11-12 As we approach the centenary of the outbreak of the First World War, this timely reissue, first published in 1991, evaluates the function of poetry in wartime Europe, arguing that war poetry must be understood as a social as well as a literary phenomenon. As well as locating the work of well-known French, English and German war poets in a European context, Elizabeth Marsland discusses lesser-known poetry of the war years, including poems by women and the neglected tradition of civilian protest through poetry. Identifying shared characteristics as well as the unique features of each nation's poetry, *The Nation's Cause* affords new insight into the relationship between nationalism and the social attitudes that determined the conduct of war.

**The Cambridge Companion to the Poetry of the First World War** Santanu Das, 2013-11-18 This Companion offers a major re-examination of the poetry of the First World War at the start of the war's centennial commemoration.

Poets of the First World War Jon Stallworthy, 1974 Rupert Brooke - Edmund Blunden - Wilfred Owen - Isaac Rosenberg - Siegfried Sassoon - Philip Thomas.

**Poems** Wilfred Owen, 2015-06-10 *Poems* Wilfred OWEN (1893 - 1918) A collection of poems by the English war poet and soldier of the First World War, Wilfred Owen. Owen is regarded by historians as the leading poet of the First World War,

known for his war poetry on the horrors of trench and gas warfare. It stood in stark contrast to both the public perception of war at the time, and to the confidently patriotic verse written earlier by war poets such as Rupert Brooke. Only five of Owen's poems had been published before his death, one of which was in fragmentary form. Only one week before the end of the war, whilst attempting to traverse a canal, he was shot in the head and killed.

*A Treasury of War Poetry* George Herbert Clarke, 2015-07-09 Excerpt from A Treasury of War Poetry: British and American Poems of the World War, 1914-1917 Hark! now the Drums up again, For all true Soldiers Gentleman! - Corporal John Brown, Grenadier Guards, 1854. Life in no life to him that dares not die, And death no death to him that dares not live. - Sir Henry Newbolt. We saw not clearly nor understood, But, yielding ourselves to the master-hand, Each in his part as best he could, We played it through as the author planned. - Alan Seegar. WORDSWORTH BOOK OF FIRST WORLD WAR POETRY. Marcus Clapham,

The German Poets of the First World War Patrick Bridgwater, 2020-01-31 Originally published in 1985, this book provides a full survey of the best and most significant work of German writers to the First World War. Including (in both German and English) the texts of all the main poems discussed, this book contains many not readily available elsewhere. Authors discussed include Trakl, Rilke and George as well as less familiar names. The book not only corrects the distorted view of the subject perpetuated by most histories of German literature, but will also help to English First World War poetry into perspective.

**First World War Poems from the Front** Paul O'Prey, 2016-11-10 From the worst horrors of modern trench warfare a small handful of soldiers and nurses created a body of poetry that is so vivid and intense that one hundred years later it has engraved itself on our national consciousness. This anthology focuses on those poets who were on the front line, from the famous Sassoon, Owens and Graves, to nurses like Vera Brittain. The poems are accompanied by a brief and accessible introduction, which sets the context for a reader new to the poems, as well as short biographical profiles of the poets.
