Mystical Bodies, Mystical Meals Joel Hecker,2005-04-20 Mystical Bodies, Mystical Meals is the first book-length study of mystical eating practices and experiences in the kabbalah. Focusing on the Jewish mystical literature of late-thirteenth-century Spain, author Joel Hecker analyzes the ways in which the Zohar and other contemporaneous literature represent mystical attainment in their homilies about eating. What emerges is not only consideration of eating practices but, more broadly, the effects such practices and experiences have on the bodies of its practitioners.

The Kabbalah of Time Ann Helen Wainer,Rabbi Daniel Kahane,2013-07-25 Rabbi Schneur Zalman of Liadi, the Alter Rebbe, famously stated that we must live with the times, thereby experiencing the teachings of the Torah related to each week of the year. Similar to the zodiac, where every month has its own symbolism, every week of the Jewish calendar also

has a unique meaning. Kahane and Wainer explain that the calendar is the master key to unlock the hidden rationale behind the formal structure of ancient sacred texts, as well as to understand basic mystical concepts. When comprehended within the context of the Jewish calendar, these works reveal the spiritual energy of each week, serving as a practical guide for self-analysis and development. During this annual journey, we will learn to live with greater harmony, happiness and gratitude by learning from the Kabbalah, from age-old Jewish ethical teachings, and even from animals. The objective is to make the reader be in touch with the spiritual powers of each week, thereby improving ones daily conduct and rediscovering the universal song within each one of us: the song of the soul.

Secrets of the Cycle of Time coven art,2021-03-31 Time marches forever forward! Does it? One experience of time is that it does indeed forever march forward, but this is not the only way to experience the dimension of time.Time can also be experienced as a cycle, movement that constantly returns to the past, and brings it into the present and future. This cycle does not simply bring back memories of a long ago past that most have forgotten. The cycle of time is a constant present reviving in our minds archetypal lessons of universal values that are as old as time itself, and as immortal as is the human soul.When seen through the eyes of Torah, time becomes living and vibrant. The holidays and commemorations that fill the Jewish calendar are far from being mere rituals of religion. They are instead alive, conscious, and sentient, even as we are ourselves.When we embrace a Torah observance and a Jewish holiday, we are living it anew. It is no longer past; it is here, now! Torah reveals to us the secrets of the cycles of time, and shows us how, as the Sefer Yetzirah reveals to us, space, time, and consciousness are all one!As a practitioner and teacher of the Prophetic Kabbalah system, Rabbi Tzadok opens up for us the world of Living Time as seen through the eyes of Living Torah.Included in this book are essays of in-depth Kabbalah, meditative kavanot, archetypal psychology, alongside essays of practical down-to-earth wisdom about the fundamental truths by which we live.Also included are a number of Halakhic essays about ritual observance of the Shabat, and how Kabbalah plays a role in even the most Orthodox of Jewish Halakha.Secrets of the Cycles of Time thus has something for everyone, at all levels of learning. It is a book that you will read and reread from year to year, always finding new insights and treasures therein.

Kabbalah Month by Month Melinda Ribner,2002-08-29 Publisher Description

Kabbalah ,1994

Kabbalah and Exodus Z'ev ben Shimon Halevi,1988-01-01 We can read Exodus as an allegory of the psychological bondage we experience until we each find a way to the promised land of the spirit. Based on Biblical text, traditional material, and Jewish folklore, this book is an interesting read for Jewish and Christian scholars, and people on a spiritual path.

Living the Kabbalah Simcha H. Benyosef, Mosheh Lurya, 1999-06-01 A guide to the Sabbath and Jewish Holy Days based on the teachings of Rabbi Rafael Moshe Luria, a modern master of the Kabbalah and a direct descendant of the great 16th-century Kabbalist, R. Isaac Luria.

Kabbalah Decoded George Sassoon, Rodney Dale, 1978

The Essential Kabbalah, 2006 The wisdom of the Kabbalah distilled to 175 pages. Mathers presents representative chapters from the Zohar (the 'Book of Splendour', which forms the main body of the Kabbalah), exploring topics as diverse as the nature of mankind's relationship with God; wisdom, reason and knowledge; restoring harmony to the world; and love, kindness and the knowledge of God. Traditionally reserved for scholars, this material is provided in a clear and accessible format that provides daily guidance both for scholars of the Kabbalah and for anyone seeking to address fundamental questions of life.

Zohar Nurho De Manhar, 2010-10-23 Kabbalah, often defined as a Jewish mystical tradition, actually encompasses the spiritual heritage of all mankind, according to Rav P.S. Berg in *The Essential Zohar*. Berg, the dean of the Kabbalah Centre (whose members include celebrities such as Madonna and Mick Jagger), has concentrated a core of teachings from the central kabbalistic text, the Zohar, in a single volume that makes kabbalistic wisdom accessible to readers of all religious traditions. The Zohar, which dates back to the second century B.C.E., offers tools for doing the work of kabbalah: transforming chaos and fragmentation into unity and completion. The Zohar's biblical commentaries and rabbinical stories of apparently surprise happenings, sudden insights, and full-blown epiphanies are intended to help readers open themselves to similar revelations. And Berg explains that all of the Zohar's rarified spiritual stories have potential for practical application, to help readers replace doubt with certainty and darkness with Light. --Michael Joseph Gross --This text refers to the Hardcover edition.

The Kabbalah of Forgiveness LARGE PRINT Henry Abramson, Moshe Cordovero, 2019-07-24 LARGE PRINT EDITION. The Kabbalah of Forgiveness is a new translation of the first chapter of Rabbi Moshe Cordovero's classic work *Date Palm of Devorah* (Tomer Devorah) with a modern commentary by Dr. Henry Abramson. Emerging from the 16th-century Safed Circle, a group of kabbalists working in northern Israel, *Date Palm of Devorah* earned a rare place in the history of Jewish ethical literature, primarily based on the glorious introductory chapter that discusses the Thirteen Levels of Mercy and how these Divine attributes can be applied in daily life. Steeped in metaphysics and mysticism, *Date Palm of Devorah* brings the loftiest, most esoteric concepts of Judaism and translates them to the everyday realities of human interaction.

Kabbalah, 2005 The Zohar is the ultimate encyclopedia of Jewish esoterica and the most famous title in kabbalistic literature. The Kabbalah in this volume is primarily concerned with the origin of existence and the metaphysics of the primordial world of the Divine.

Days of Connection Michael Berg, 2008 Kabbalah teaches us that each month of the year holds different opportunities for us to grow and change — and, conversely, different chances to trip up in our spiritual progression. Holidays in particular offer opportunities for spiritual growth unmatched by any other day on the calendar. In this book, Michael Berg explains and guides us through the kabbalistic calendar, paying special attention to Rosh Chodesh, the beginning of each month. This inspirational book helps us maximize each month's potential, to achieve a more fulfilling, enriching existence.

אריאל בר-צדוק Ariel Bar-Tzadok, 2007

In the Shadow of the Ladder Yehudah Ashlag, 2002 This authentic translation into English of two Kabbalah texts written in Hebrew asks deeply personal questions about the essence of an individual and the existence of a soul. Discussing the experience of an individual and the role of humans in creation, it offers an understanding of the places of evil, suffering, compassion, and joy in the full experience of divine love. The Kabbalah is presented here not as an esoteric study limited to the divinely inspired, but as a universal pathway of the spirit. Coming from the West rather than the East, this book fills a long-awaited gap as it teaches an essential spirituality within the conceptual framework of the Judeo-Christian tradition.
