**The Public Work of Christmas** Pamela E. Klassen, Monique Scheer, 2019-06-15 Christmas is not a holiday just for Christians anymore, if it ever was. Embedded in calendars around the world and long a lucrative merchandising opportunity, Christmas enters multicultural, multi-religious public spaces, provoking both festivity and controversy, hospitality and hostility. The Public Work of Christmas provides a comparative historical and ethnographic perspective on the politics of Christmas in multicultural contexts ranging from a Jewish museum in Berlin to a shopping boulevard in Singapore. A seasonal celebration that is at once inclusive and assimilatory, Christmas offers a clarifying lens for considering the historical and ongoing intersections of multiculturalism, Christianity, and the nationalizing and racializing of religion. The essays gathered here examine how cathedrals, banquets, and carols serve as infrastructures of memory that hold up Christmas as a civic, yet unavoidably Christian holiday. At the same time, the authors show how the public work of Christmas depends on cultural forms that mark, mask, and resist the ongoing power of Christianity in the lives of Christians and non-Christians alike. Legislated into paid holidays and commodified into marketplaces, Christmas has arguably become more cultural than religious, making ever wider both its audience and the pool of workers who make it happen every year. The Public Work of Christmas articulates a fresh reading of Christmas – as fantasy, ethos, consumable product, site of memory, and terrain for the revival of exclusionary visions of nation and whiteness – at a time of renewed attention to the fragility of belonging in diverse societies. Contributors include Herman Bausinger (Tübingen), Marion Bowman (Open), Juliane Brauer (MPI Berlin), Simon Coleman (Toronto), Yaniv Feller (Wesleyan), Christian Marchetti (Tübingen), Helen Mo (Toronto), Katja Rakow (Utrecht), Sophie Reimers (Berlin), Tiina Sepp (Tartu), and Isaac Weiner (Ohio State).

**Grinch and Bear It!** Dr. Seuss, 2000

*This Thing of Ours* David Lavery, 2002 In a first-season episode of *The Sopranos*, Tony Soprano is once again in conflict with his uncle Carrado Junior Soprano. Tony is in no mood for conciliation, but neither is Junior, who warns his nephew not to return unless he is armed: Come heavy, he insists, or not at all. As a work of popular culture, a ground-breaking television series, and a cultural phenomenon, *The Sopranos* always comes heavy, not just with weaponry but with significance. The cultures of the United States, Great Britain and Canada, Australia, and even Italy (where it premiered in the spring of 2001) have come under its influence and contributed to the cultural conversation about it. Talk, discourse, about *The Sopranos* has migrated far beyond the water cooler, and not all of it has been praise. David Chase's *The Sopranos* has also received starkly contradictory critical assessments. In the eyes of Ellen Willis (whose seminal essay in *The Nation* is reprinted in this volume), for example, the HBO series is the richest and most compelling piece of television--no, of popular culture--that I've encountered in the past twenty years... a meditation on the nature of morality, the possibility of redemption, and the legacy of Freud. Others have condemned it for racial and sexist stereotypes, excessive violence, and profanity. These eighteen essays consider many facets of *The Sopranos*: its creation and reception, the conflicting roles of men and women, the inner lives of the characters, obesity, North Jersey, the role of music, and even how food contributes to the story.

**Double Blessing** Mark Batterson, 2019 A New York Times bestselling author and pastor invites readers to pursue, recognize, and flip every blessing from God. He provides the tools necessary to inventory one's blessings and participate in double blessing--that moment when a blessing in one's life is leveraged to doubly bless another.

**Merry Quizmas Everyone!** Chris T Massy, 2023-10-12 It's the most hilarious time of the year... Packed full of festive pop-culture quizzes, Christmas trivia to fascinate and holly jolly games to play - as well as colouring and dot-to-dot pages to distract, and cracking cracker jokes to make you chuckle (and groan). The perfect Christmas companion for work Christmas parties, entertaining friends and family, entertaining kids (including kids), when you're too full to move, there's nothing on the TV, it's too wet for a walk and the pub isn't open yet. A book everyone will love, actually...

*Those Outside* George Aichele, Richard G. Walsh, 2005-11-08 Uses film and literature to engage the biblical texts and demonstrates the ways that the boundaries of canons are artificial and unhelpful. >

*The Living Church*, 2001-07

*Envision* Ellen Rhoads, Jen Pace, Project SOS, 2010-11-29

Handle With Care Jason Odell Williams, Hebrew written by Charlotte Cohn, 2015-05-15 Circumstances both hilarious and tragic bring together a young Israeli woman, who has little command of English, and a young American man, who has little command of romance. Is their inevitable love an accident...or is it destiny, generations in the making?

**America the Fair** Dan Meegan, 2019-04-15 What makes a person liberal or conservative? Why does the Democratic Party scare off so many possible supporters? When does our injustice trigger get pulled, and how can fairness overcome our

human need to look for a zero-sum outcome to our political battles? Tapping into a pop culture zeitgeist linking Bugs Bunny, Taylor Swift, and John Belushi; through popular science and the human brain; to our political predilections, arguments, and distrusts, Daniel Meegan suggests that fairness and equality are key elements missing in today's society. Having crossed the border to take up residency in Canada, Meegan, an American citizen, has seen first-hand how people enjoy as rights what Americans view as privileges. Fascinated with this tension, he suggests in America the Fair that American liberals are just missing the point. If progressives want to win the vote, they need to change strategy completely and champion government benefits for everyone, not just those of lower income. If everyone has access to inexpensive quality health care, open and extensive parental leave, and free postsecondary education, then everyone will be happier and society will be fair. The Left will also overcome an argument of the Right that successfully, though incongruously, appeals to the middle- and upper-middle classes: that policies that help the economically disadvantaged are inherently bad for others. Making society fair and equal, Meegan argues, would strengthen the moral and political position of the Democratic Party and place it in a position to revive American civic life. Fairness, he writes, should be selfishly enjoyed by everyone.

Dr. Seuss Philip Nel, 2005-01-01 Philip Nel takes a fascinating look into the key aspects of Seuss's career - his poetry, politics, art, marketing, and place in the popular imagination. Nel argues convincingly that Dr. Seuss is one of the most influential poets in America. His nonsense verse, like that of Lewis Carroll and Edward Lear, has changed language itself, giving us new words like nerd. And Seuss's famously loopy artistic style - what Nel terms an energetic cartoon surrealism - has been equally important, inspiring artists like filmmaker Tim Burton and illustrator Lane Smith. --from back cover

*Laughter, the Best Medicine: Holidays* Editors of Reader's Digest, 2012-10-11 If ever there was a time of year in which we need a sense of humor, it's the holidays in America—and the latest little book in this best-selling series is here to help! Brimming with America's funniest stories, one-liners, cartoons, quotes, and jokes, this side-splitting collection explodes the myth that the holidays are the picture of clean homes, well-behaved children, meticulously wrapped gifts, absolutely perfect food, distinguished guests, and perpetual, shiny white smiles. Here is just a sampling of the holiday havoc we all recognize—and love: "Thanksgiving dinners take eighteen hours to prepare. They are consumed in twelve minutes. Half-times take twelve minutes. This is not coincidence." —Erma Bombeck Last Christmas morning, after all the presents were opened, it was clear that my five-year-old son wasn't thrilled with the ratio of toys to clothes he'd received. As he trudged slowly up the stairs, I called out, "Hey, where are you going?" "To my room," he said, "to play with my new socks." "The one thing women don't want to find in their stockings on Christmas morning is their husband." —Joan Rivers
