Selective Security in the War on Drugs Alke Jenss, 2023-01-09 Paramilitaries, crime, and tens of thousands of disappeared persons—the so-called war on drugs has perpetuated violence in Latin America, at times precisely in regions of economic growth. Legal and illegal economy are difficult to distinguish. A failure of state institutions to provide security for its citizens does not sufficiently explain this. *Selective Security in the War on Drugs* analyzes authoritarian neoliberalism in the war on drugs in Colombia and Mexico. It interprets the “security projects” of the 2000s—when the security provided by the state became ever more selective—as embedded in processes of land appropriation, transformed property relations, and global capital accumulation. By zooming in on security practices in Colombia and Mexico in that decade and juxtaposing the two contexts, this book offers a detailed analysis of the role of the state in violence. To what extent and for whom do states produce order and disorder? Which social forces support and drive such state practices? Expanding the literature on authoritarian neoliberalism and the coloniality of state power—thus linking political economy to postcolonial approaches—the book builds a theoretical lens to study state security practices. Different social groups, enjoying differentiated access to the state, influenced the state discourse on crime to very different extents. Security practices—which oscillated between dispersed organization by a multiplicity of actors and institutionalization with the military—materialized as horrific insecurity for social groups thought of as disposable. In tendency, putting security centerstage disabled dissent. The “security projects” exacerbated contradictions driven by a particular economic model and simultaneously criminalized precisely those that this model had already radically disadvantaged.

The Dope Benjamin T. Smith, 2021-08-10 A myth-busting, 100-year history of the Mexican drug trade that reveals how an industry founded by farmers and village healers became dominated by cartels and kingpins. The Mexican drug trade has inspired prejudiced narratives of a war between north and south, white and brown; between noble cops and vicious kingpins, corrupt politicians and powerful cartels. In this first comprehensive history of the trade, historian Benjamin T. Smith tells the real story of how and why this one-peaceful industry turned violent. He uncovers its origins and explains how this illicit business essentially built modern Mexico, affecting everything from agriculture to medicine to economics—and the country’s all-important relationship with the United States. Drawing on unprecedented archival research; leaked DEA, Mexican law enforcement, and cartel documents; and dozens of harrowing interviews, Smith tells a thrilling story brimming with vivid

characters—from Ignacia “La Nacha” Jasso, “queen pin” of Ciudad Juárez, to Dr. Leopoldo Salazar Viniegra, the crusading physician who argued that marijuana was harmless and tried to decriminalize morphine, to Harry Anslinger, the Machiavellian founder of the American Federal Bureau of Narcotics, who drummed up racist drug panics to increase his budget. Smith also profiles everyday agricultural workers, whose stories reveal both the economic benefits and the human cost of the trade. The Dope contains many surprising conclusions about drug use and the failure of drug enforcement, all backed by new research and data. Smith explains the complicated dynamics that drive the current drug war violence, probes the U.S.-backed policies that have inflamed the carnage, and explores corruption on both sides of the border. A dark morality tale about the American hunger for intoxication and the necessities of human survival, The Dope is essential for understanding the violence in the drug war and how decades-old myths shape Mexico in the American imagination today.

Recovering the U.S. Hispanic Literary Heritage Virginia Sánchez Korrol, María Herrera-Sobek, 1993 Presents essays dealing with literature written by Hispanic Americans from the sixteenth century through 1960, evaluates individual authors, and examines the contributions of Latino authors in a multicultural, multilingual society.

Mexicans at War Santiago A. Flores, 2019-09-19 The untold story of Mexican aviators in WWII, including their role in the Battle of the Philippines, is revealed in this illustrated military history. When Mexico’s neighbor to the north entered World War II, German U-Boats began haunting the North American coastline. And when the Kriegsmarine torpedoed Mexican tankers, the young republic was drawn into the global conflict. At first, Mexico was forced to defend its coastline and shipping with general purpose biplanes. But it quickly organized a modern aviation force equal to the task. The newly formed Mexican Naval Aviation established its first squadron to patrol the Gulf of Mexico. Meanwhile, the Mexican Air Force experienced its most rapid growth since it was established in 1915. In 1944, it sent combat pilots to fight alongside the U.S. in the liberation of the Philippines. Even before Mexico’s official involvement, Mexican nationals were volunteering for the Allied air forces of the British Commonwealth and the Free French naval and air forces. Using photos and archival testimony, *Mexicans at War* sheds much-needed light on Mexican involvement in the Second World War. The introduction also provides a detailed overview of Mexican military aviation from the Mexican Revolution to WWII.

Inter-American Yearbook on Human Rights / Anuario Interamericano de Derechos Humanos, Volume 19 (2003) Inter-American Commission on Human Rights, 2023-01-30 The print edition is available as a set of two volumes (9789004163935).

Bureaucracy and Politics in Mexico Eduardo Torres Espinosa, 2019-01-15 First published in 1999, the main theme of this book is the relationship between bureaucracy and politics in Mexico. This examined though a study of the Secretariat of Programming and Budget, which came into existence in 1976 and was abolished in 1992. The book charts the rise and fall of the Secretariat over three presidential terms and gives an explanation of the chain of events that led to its disappearance. In

doing so it underlines the significant impact that institutional and bureaucratic factors have on group politics in contemporary Mexico.

Handbook of Military Administration Jeffrey A. Weber,Johan Eliasson,2007-12-07 While policy makers are perpetually conceptualizing new reform packages, the actual enactment of those reforms is typically more challenging. Remarkably, the one public institution that is able to meet that challenge is also the largest. The United States Department of Defense, which employs over 600,000 people and deals with \$500 billion in fundin

Myths of Demilitarization in Postrevolutionary Mexico, 1920-1960 Thomas G. Rath,2013

Rank and Privilege Linda A. Rodriguez,1997-08-01 Dr. Linda A. Rodr_guez has assembled a new collection of essays that finally provides the historical context necessary to understand the Latin American military. The articles included here examine a variety of time periods and nations, from the counterinsurgency army of New Spain, to the nineteenth-century War of the Pacific, to the modern relationship between the military and development. The contributors look at the ways in which Latin America's armed forces have changed over time, and how external threats as well as internal rivalries have shaped the military. Together, these essays trace the roots of the military's power and the growth of its political influence.

Police Reform in Mexico Daniel Sabet,2012-05-02 The urgent need to professionalize Mexican police has been recognized since the early 1990s, but despite even the most well-intentioned promises from elected officials and police chiefs, few gains have been made in improving police integrity. Why have reform efforts in Mexico been largely unsuccessful? This book seeks to answer the question by focusing on Mexico's municipal police, which make up the largest percentage of the country's police forces. Indeed, organized crime presents a major obstacle to institutional change, with criminal groups killing hundreds of local police in recent years. Nonetheless, Daniel Sabet argues that the problems of Mexican policing are really problems of governance. He finds that reform has suffered from a number of policy design and implementation challenges. More importantly, the informal rules of Mexican politics have prevented the continuity of reform efforts across administrations, allowed patronage appointments to persist, and undermined anti-corruption efforts. Although many advances have been made in Mexican policing, weak horizontal and vertical accountability mechanisms have failed to create sufficient incentives for institutional change. Citizens may represent the best hope for counterbalancing the toxic effects of organized crime and poor governance, but the ambivalent relationship between citizens and their police must be overcome to

break the vicious cycle of corruption and ineffectiveness.

Exodus from the Alamo Phillip Thomas Tucker, 2020-01-10 The award-winning historian provides a provocative new analysis of the Battle of the Alamo—including new information on the fate of Davy Crockett. Contrary to legend, we now know that the defenders of the Alamo during the Texan Revolution died in a merciless predawn attack by Mexican soldiers. With extensive research into recently discovered Mexican accounts, as well as forensic evidence, historian Phillip Tucker sheds new light on the famous battle, contending that the traditional myth is even more off-base than we thought. In a startling revelation, Tucker uncovers that the primary fights took place on the plain outside the fort. While a number of the Alamo's defenders hung on inside, most died while attempting to escape. Capt. Dickinson, with cannon atop the chapel, fired repeatedly into the throng of enemy cavalry until he was finally cut down. The controversy surrounding Davy Crockett still remains, though the recently authenticated diary of the Mexican Col. José Enrique de la Peña offers evidence that he surrendered. Notoriously, Mexican Pres. Gen. Antonio López de Santa Anna burned the bodies of the Texans who had dared stand against him. As this book proves in thorough detail, the funeral pyres were well outside the fort—that is, where the two separate groups of escapees fell on the plain, rather than in the Alamo itself.

Secretaria De Defensa Nacional Introduction

Secretaria De Defensa Nacional Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Secretaria De Defensa Nacional Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Secretaria De Defensa Nacional : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Secretaria De Defensa Nacional : Has an

extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Secretaria De Defensa Nacional Offers a diverse range of free eBooks across various genres. Secretaria De Defensa Nacional Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Secretaria De Defensa Nacional Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Secretaria De Defensa Nacional, especially related to Secretaria De Defensa Nacional, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Secretaria De Defensa Nacional, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Secretaria De Defensa Nacional books or magazines might include. Look for these in online stores or libraries. Remember that while Secretaria De Defensa Nacional, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Secretaria De Defensa Nacional eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free

periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Secretaria De Defensa Nacional full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Secretaria De Defensa Nacional eBooks, including some popular titles.

FAQs About Secretaria De Defensa Nacional Books

What is a Secretaria De Defensa Nacional PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Secretaria De Defensa Nacional PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Secretaria De Defensa Nacional PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer

basic editing capabilities. **How do I convert a Secretaria De Defensa Nacional PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Secretaria De Defensa Nacional PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal

depending on the circumstances and local laws.
