Fitness for Life is the original and best-selling high school text for promoting lifelong physical activity and healthy lifestyles that result in lifelong fitness, wellness, and health. Fitness for Life has been updated to make it better than ever. The updated edition retains the strengths of the fifth edition and has been enhanced with a test bank, an online study guide, and an array of other new features to keep teachers and students on the cutting edge. Fitness for Life helps students to -meet national, state, and local physical education grade-level standards; -learn about and meet national health goals for the year 2010; -become informed consumers on matters related to lifelong physical activity and fitness; -learn self-management skills that lead to adopting healthy lifestyles; -take personal responsibility for program planning and setting individualized goals; -recognize and overcome the barriers to reaching their activity and fitness goals; -use technology to promote healthy living and to separate fact from fiction; and -assess personal progress using a variety of tools, including FITNESSGRAM/ACTIVITYGRAM. The book's pedagogically sound format includes lesson objectives that are

consistent with state and national health and fitness goals. The chapter and unit structure is consistent with a school-year structure and works with your schedule no matter what schedule you're on! The following are new features in the Updated Fifth Edition: -New focus on MyPyramid and the 2005 dietary guidelines -Online study guide and test bank -Increased emphasis on diversity awareness -Wrap-around lesson plans to accompany lesson plan book and CD-ROM -And much more—request a desk copy to see! View chapter excerpt and ancillary samples at www.FitnessforLife.org! Every chapter of the fully updated student text includes the following elements: -Two lessons designed for the classroom portion of the class -Three activities designed for use in the activity portion of the class -A self-assessment that helps students to build a fitness profile to be used in program planning -A taking charge feature designed to reinforce self-management skills and concepts -A self-management skill feature that includes guidelines for learning self-management skills and reinforces taking charge -A chapter review New ancillaries beef up already comprehensive ancillaries -The teacher ancillary package includes the following: -Lesson plans in CD-ROM and book format—Daily lesson plans guide teachers in working through the material and integrating the other ancillaries. -Wrap-around lesson plans—A wrap-around set of lesson plans is available for those schools that require or prefer this format. -CD-ROM and print version of teacher resources and materials—Includes worksheets, quizzes, blackline masters, and student workbooks. These can be copied from the print version or kept safe and printed out year after year from the CD-ROM. -CD-ROM of activity and vocabulary cards—This includes 8.5- x 11-inch cards depicting activities with instructions and vocabulary cards for use in studying fitness terminology covered in the book. -CD-ROM of the presentation package—This CD-ROM includes a PowerPoint presentation for every lesson in the book, making class time easy for you and more engaging for your students. -In-service DVD—Learn the program philosophy, objectives, and teaching strategies presented by Chuck Corbin. This DVD is useful for presenting your program's objectives to parents and administrators. -Spanish e-book on CD-ROM and online Spanish vocabulary—You'll find the full text in a Spanish translation on the CD-ROM, and all vocabulary is translated to Spanish on the Web site. -FitnessforLife.org Web site—The student text uses icons throughout to direct students to the Web site for more information. Additional content updates will continue to be added to the Web site as new information on health and wellness emerges. The Web site also includes the two newest ancillaries: -Online study guide—Use as a supplement to regular coursework, as an independent study for students who are unable to attend class, or as a make-up assignment for a student who missed a class. The online study guide also allows students to create online electronic portfolios that can be used as evidence of meeting physical education outcomes and standards. Access is free to teachers and students with an adoption of 25 or more copies. -Test bank—Quickly and easily create exams from more than 500 multiple-choice, essay, and matching questions. You can easily customize the exams to meet your needs, and you can make them unique for each class period you teach. -Award-winning DVDs—Two DVDs each include five 20-minute segments that illustrate key concepts, activities, and assessments featured in the text, including the

Telly Award-winning segments. -The Lifetime Fitness DVD includes Introduction to Physical Activity, Cardiovascular Fitness, Muscle Fitness, Flexibility, and Body Composition. -The Wellness DVD includes Introduction to Wellness, Nutrition, Stress Management, the Activity Pyramid, and Planning Healthy Lifestyles. -Additional supplementary instructional materials are also available for purchase: -Physical Education Soundtracks—Two CDs contain the cadence for PACER and other fitness tests, music intervals, and music for exercise routines. -Physical Activity Pyramid Posters—Explains the FIT formula for all types of physical activities. How Fitness for Life Benefits Students -Fitness for Life helps students meet national, state, and local physical education standards and helps students achieve national health goals outlined in Healthy People 2010. -Fitness for Life is based on the HELP philosophy, which specifies the goal of promoting health for everyone with an emphasis on lifetime activity designed to meet personal needs. -Fitness for Life helps students learn the value and benefits of lifelong physical activity. Just as important, they learn that physical activity can and should be fun—and thus they are more likely to become and remain active throughout their lives. -Students learn how to create an activity and fitness plan, set individual goals, assess their status and progress, manage their time and responsibilities, and overcome barriers to regular physical activity. They learn to use technology to benefit their fitness rather than detract from it. And they experience the various components of health-related fitness, activity, and wellness through participation in the many labs and activities that are a crucial part of the Fitness for Life program. -Fitness for Life enables students to have success, build confidence in their ability to lead an active lifestyle, and take control of their own health. And research has shown that the program is effective in promoting physically active behavior after students finish school. -Fitness for Life complements the total learning process, contributing learning experiences in science, math, and language arts, including extensive vocabulary enhancement. How Fitness for Life Benefits Teachers -Teachers can present this course knowing that it is consistent with national and state standards. -Fitness for Life helps students understand lifelong fitness concepts and learn the keys to adopting and maintaining healthy behavior throughout their lives. -The program is easily adaptable to any schedule and includes block plans of all types. -The organization of the text and the comprehensive ancillaries make teaching this course as simple as possible, with a minimum of preparation time—even for those with no experience in teaching this type of course. -Workbooks and materials completed by students in the online study guide can be used in creating student portfolios that provide evidence of students' accomplishment of national, state, and local outcomes and standards. Compatibility With FITNESSGRAM®/ACTIVITYGRAM® and Physical Best Author Chuck Corbin has been a member of the FITNESSGRAM/ACTIVITYGRAM Scientific Advisory Board since its inception. The FITNESSGRAM/ACTIVITYGRAM assessments embedded in the Fitness for Life self-assessment program—as well as the book's approach to teaching health-related fitness and physical activity—are consistent with the stated philosophy of the FITNESSGRAM/ACTIVITYGRAM Scientific Advisory Board. Fitness for Life is also fully compatible with Physical Best resources; in fact, the Physical Best

program offers teacher training for Fitness for Life course instructors. All three programs are based on the HELP philosophy, which promotes health for everyone with a focus on lifetime activity of a personal nature. Dr. Corbin is recognized nationally and internationally as the leader in teaching health-related fitness and activity to middle and high school students. He wrote the first high school textbook on this subject, which has often been imitated but never equaled. Dr. Corbin has received numerous national awards in physical education and has authored, coauthored, or edited more than 70 books and videos. Fitness for Life (winner of the Texty Award of the Text and Academic Authors Association), Concepts of Physical Fitness (winner of the McGuffey Award), and Concepts of Fitness and Wellness are the most widely adopted high school and college texts in the area of fitness and wellness. Two of Dr. Corbin's video programs have earned Telly Awards for Excellence for educational videos. He is first author of the national physical activity standards for children, published by COPEC and NASPE. Health Opportunities Through Physical Education Corbin, Charles B, McConnell, Karen, Le Masurier, Guy, Corbin, David, Farrar, Terri, 2014-04-24 This is not just a health textbook with a few physical education concepts thrown in. School systems that want a single textbook to help them address national, state, and local standards for both physical education and health education will find that this book provides them a unique and cost-effective option.

Physical Best Activity Guide Physical Best (Program), 2011 This comprehensive health-related fitness education program is back and better than ever! Developed by top-level physical educators, this third edition will help students gain the knowledge, skills, appreciation, and confidence they need to lead active, healthy lives, regardless of physical and mental abilities or disabilities. Physical Best Activity Guide: Elementary Level has been used with much success across the United States, and for good reason: The text contains 78 easy-to-use activities ranging from noncompetitive to competitive and less demanding to more demanding. It also includes activities that allow for maximum time on task. All the instructional activities address the national physical education standards, dance standards, or health standards. This new edition retains the best activities from previous editions and offers new ones from outstanding teachers throughout the United States. You will learn how to adapt the activities for all children, regardless of skill level or ability. Students will also learn skills to help them set realistic goals, manage their activity levels, and remain healthy throughout their lives. This text offers the following features:

* A new chapter, Combined-Component Training, combines aerobic fitness, muscular strength and endurance, and flexibility into single activities. * A CD-ROM contains a wealth of reproducibles, including charts, posters, signs, station cards, handouts, and worksheets, many of which can be adapted to meet your needs. * A section of Internet resources helps you develop your own special events.

Fitness for Life Canada Le Masurier, Guy C., Corbin, Charles, Baker, Kellie, Byl, John, 2016-12-09 Fitness for Life Canada is an evidence-based program focused on shifting teens from dependence to independence when it comes to healthy behaviours, including physical activity, fitness, and healthy eating. It includes an array of web-based resources for students and teachers and more than 100 lesson plans.

Fitness for Life Canada With Web Resources Guy C. Le Masurier, Charles B. Corbin, Kellie Baker, John Byl, 2017-01-17 Fitness for Life Canada: Preparing Teens for Healthy, Active Lifestyles is the only health and fitness education program backed by research and focused on shifting teens from dependence to independence when it comes to lifelong healthy lifestyles. Through Fitness for Life Canada, students are engaged in the process of personal program planning for a variety of health behaviours including physical activity, fitness, and healthy eating. This evidence-based and standards-based program follows a pedagogically sound scope and sequence to enhance student learning and progress and presents the science of healthy living at age-appropriate levels. Research clearly demonstrates that active and healthy adults use a variety of self-management skills to maintain their positive behaviours. Fitness for Life Canada helps students develop numerous self-management skills—such as self-assessment, self-monitoring, goal setting, finding social support, overcoming barriers, and managing time—to prepare them to independently engage in healthy lifestyles. Students also learn to engage in community physical activity opportunities, with national sport and health organizations, and with technology that supports healthy lifestyles. Through Fitness for Life Canada, students explore these aspects: The foundations of active and healthy living, including adopting healthy lifestyles and self-management skills and setting goals and planning personal programs Learning the basics for lifelong activity and health, including engaging in smart and safe physical activity, knowing how much activity is enough, and understanding healthy eating Beginning activity and building fitness, including participating in moderate- and vigorous-intensity physical activity and developing cardiorespiratory endurance Building muscle fitness and flexibility, including understanding muscle fitness applications and ergogenic aids Maintaining a healthy lifestyle, including achieving a healthy body composition, choosing nutritious foods, and making good consumer choices Creating positive and healthy experiences, including managing stress, developing lifelong leadership skills, understanding reproductive and sexual wellness, and making wise choices regarding alcohol, drugs, and tobacco Fitness for Life Canada has extensive teacher resources with more than 100 lesson plans (classroom and activity based) that provide teachers with numerous options for student assessment and opportunities to demonstrate evidence of student learning (e.g., quizzes, tests, worksheets, student

demonstrations, student projects). Teachers can integrate the program with existing curricula or deliver it as a stand-alone program. They can also apply our Fitness Club approach to deliver fitness education to large numbers of students using multiple activity areas. Teacher Ancillaries are available free with the adoption and purchase of a class set of the student text. Special Features in Chapters and Units Every chapter in the student text features two classroom lessons, one feature that engages students with prominent Canadian sport organizations and health organizations, and a chapter review. The book devotes multiple lessons to personal program planning, implementation, and evaluation. Go to Sample Content to view sample page layouts that show these special features. Each unit offers a Consumer Corner feature. The teacher web resources feature the same chapter content as the student text plus three physical activity lessons per chapter that help students apply what they've learned from the classroom lessons. In addition, the chapters have a series of other prominent features: Lesson objectives direct student learning. Lesson vocabulary helps students understand multiple uses of words (definitions in glossary and online). Art includes a version of the physical activity pyramid for teens. Photos and design give the chapters a refreshing student-friendly look with its dynamic four-color design. Muscle art identifies the muscles used in each exercise. Fit Facts give quick information about relevant topics. Quotes from famous people reveal their thoughts on fitness, health, and wellness. Fitness Technology offers opportunities for students to use and study technology. Science in Action provides in-depth coverage of innovations in fitness, health, and wellness. Self-Assessment allows students to evaluate their fitness, health, and wellness as the first step in personal planning for improvement. Taking Charge and Self-Management allow students to learn self-management skills for adopting healthy behaviors and interacting with other students to solve problems encountered by hypothetical teens. Taking Action features activities that are supported by the lesson plans. Consumer Corner helps students become good consumers of information on fitness, health, and wellness as they learn how to separate fact from fiction. Web-Based Resources Fitness for Life Canada provides physical educators with numerous delivery and assessment options in health and physical education. Specifically, the program has more than 100 detailed activity- and classroom-based lesson plans that can be delivered out of the box for beginner teachers and are modifiable for experienced teachers. The lesson plans are supported with assessment and teaching materials such as worksheets, activity cards, PowerPoint slides, quizzes, chapter and unit tests, an online test bank, portfolios (including digital), demonstrations (live, video, and pictures), journals and reflections (written and video), class presentations and video presentations, and supplemental project ideas. For students, web resources are included with each student text and feature the following: Video clips that demonstrate the self-assessments in each chapter Video clips that demonstrate the exercise in selected chapters Worksheets without answers Review questions from the text presented in an interactive format so students can check their level of understanding Expanded discussions of topics marked by web icons in the text Vocabulary terms with definitions Teacher web resources are available free with any class set purchase and include the following: An introduction

that describes the body of knowledge and pedagogical foundations behind Fitness for Life Canada as well as the evidence supporting its effectiveness Daily lesson plans, including five lessons per chapter: two classroom plans and three activity plans Worksheets with answers Premade chapter and unit quizzes with answers Activity cards and task cards Presentation package of slides with the key points for each lesson A test bank that teachers can use to make their own quizzes if they prefer SummaryFitness for Life Canada develops higher-order physical literacy knowledge and skills that help students become active and healthy adults. Fitness for Life Canada focuses on developing students' knowledge of health and health-related fitness concepts, training principles, and personal physical activity and fitness program planning. That knowledge is combined with numerous self-management skills that are critical for maintaining physical activity, healthy eating, and general health behaviours. In short, Fitness for Life Canada enhances engagement, learning, and assessment while paving the way to a healthy lifestyle throughout the life span.

Health for Life McConnell, Karen,Corbin, Charles,Corbin, David,Farrar, Terri,2014-06-16 Health for Life is an innovative new resource that teaches high school students the fundamentals of health and wellness, how to avoid destructive habits, and how to choose to live healthy lives.

Physical Education Assessment Toolkit Liz Giles-Brown,2006 -Tailor assessments to every topic, skill, and concept taught in physical education. -Help students make connections between concepts to enhance learning. -Meet a wide range of learning styles and teach to all intelligences, including linguistic, spatial, visual, and kinesthetic. -Incorporate learning into the assessment process by calling on various levels of thinking, such as recall, summary application, and evaluation. In today's physical education framework, the demands on your time and energy are great. Every second of class time is precious, so an efficient method of assessment that can plug into any lesson or unit being taught is a highly sought-after commodity. Loaded with assessment templates and sample units, the Physical Education Assessment Toolkit provides you with everything you need in order to simultaneously assess and teach students the lifelong value of physical education. Assessment templates form the basis of the Physical Education Assessment Toolkit. Presented in a concise, user-friendly format, this comprehensive package contains the following features: -Bound-in CD-ROM--PDFs of each reproducible are provided for duplication, including posters that can be printed on letter-sized or larger paper in color or in black and white. -

Reproducible templates--Generic forms may be completed easily to address the specific topic, concept, or skill at hand, allowing you to tailor assessments to your students' needs and abilities. -Sample units--Designed using the backward design model of curriculum development, three complete units show how to transform blank reproducibles into highly practical assessment tools. Each chapter includes lesson plans with model reproducibles for the following categories: written assessment, self-assessment, peer assessment, and application or performance assessment. Within each of these categories, you'll receive guidance on implementing and creating more meaningful assessments. Templates may be used to meet a variety of student learning styles, providing opportunities for assessing through rubrics, journal-writing assignments, self-assessments, and skill-tracking assessments across the cognitive, affective, and psychomotor realms. Rather than stealing valuable classroom time, the template approach actually enables teachers to use assessment to reinforce and extend learning in a systematic way. The Physical Education Assessment Toolkit is the one resource that physical educators will turn to anytime they need to do an assessment, no matter what unit or lesson is being taught. This book and CD-ROM package contains the ready-made, pilot-tested materials needed for effective assessments of students, leaving teachers to focus on what they do best--teach.
