But why is she scared of Gaby in particular? Lauren won't explain. Instead, she blurts out something about an innocent man going to prison for murder. Gaby soon suspects that Lauren's presence on her flight isn't a coincidence, because the murder victim is Francine Breary, the wife of the only man Gaby has ever truly loved. Tim Breary has confessed. He's even provided the police with evidence. The only thing he hasn't given them is a motive. He claims to have no idea why he murdered his wife...

The Unfakeable Code® Tony Jeton Selimi, 2021-04-12 Meticulously researched and written by Tony Jeton Selimi, 'The Unfakeable Code®' explores the fierce scientific, psychological and spiritual impact of wearing 'masks', feeling stuck, powerless, out of control, and being a people pleaser, disengaged and unproductive at home and work - a growing problem in an uncertain world affected by the Corona Virus Pandemic which will leave behind a cosmic trail of mental health issues and a significant rise in unemployment. Empowering readers to redefine themselves and overcome the adversity, anxiety and stagnancy likely blighting their lives, Selimi truly breaks new ground in a volume that gives you the clarity, the hope, and the code to continue to evolve into the authentic, unfakeable leader you were born to be. The Unfakeable Code® offers a fresh and robust five-step methodology for business, personal or professional transformation. It assists in upgrading your psychology and harmonising body-mind-heart intelligence so it can deal with any form of anxiety, conflict, and stress.

Throughout the book, Tony J. Selimi shares inspiring actual client stories who have used the five-principles to successfully liberate themselves from the emotional baggage and distress by fully completing the five-step method. It's also been a hit among critics, too, with one recently writing, The worldview developed here transcends science, dogma, and belief, giving readers a new code to reconnect with their true, authentic individual and the Divine within that knows how to take back control, lead authentically and live freely on your terms. Brian Tracy, Author, Chairman and CEO of Brian Tracy International, quotes, This is an inspiring, enjoyable, fast-moving book that shows you how to unlock your full power for unlimited success. Marie Diamond, Global Transformational Teacher, a star from The Secret, describes it as A life manual that assists you in understanding how the Law of Attraction works, and it gives you valuable insights into the science of healing and changing your mindset that will transform your existence. The Hon Richard Evans, CEO ACE Modular Construction, depicts it as A fascinating read and easy to apply to everyday life, and a great book to return to time and time again. The five freedom, experience, and power-enhancing principles will help you build a deeper awareness of all that you are and are not. I recommended it to academics, business owners, leaders, and anyone working in the human development field. Read it cover to cover, over and over, and you too will broaden and deepen the proficiency of your leadership by presenting your most authentic self in every decision you make.

From a Drunkard to a Pastor Jim Moreland, 2019-04-24 From a Drunkard to a Pastor is the story about how Jesus Christ can take a lost soul drowning in alcohol and drugs and transform that person into a vessel worthy to be used by God to reach the lost for Christ. This book also describes areas in the Christians life where a Christian needs to work toward completeness in Christ (spiritual maturity). The author describes in detail the struggles he went through trying to find answers to the question, "how in the world did I get so far from God?" He writes of God's love for mankind and the extremes God went through to restore mankind to fellowship with him. The author speaks of his depravity in hope that it will convey the message to others that no matter how far you have fallen and no matter how hopeless life may seem that God is able to reach down from heaven and put you on a path to recovery and a new hope. The common theme throughout this book is the necessity to grow in your walk with Christ, and this is a how-to book to accomplish that based on the author's own

experience. The book gives practices and insights on what helped the author in his quest to be more like Jesus. Christians are called to be like Jesus, and that calling does not come easy. It takes hard work, commitment, love for Christ, and love for our fellow human beings. This book guides you on a path that will help you reach spiritual maturity.

A Light in the Gray Space Sharae Myers Morrison, 2015-08-27 If there is no one waiting for you at the end of your day or no one to turn to when you are troubled, if you have committed sins against God or crimes against society and feel you are unforgivable or unlovable, you should know that you can be forgiven, you are loved, and you are not alone! You have the most faithful and enduring friend in this world. His name is Jesus Christ. He has known you since before you were born and has never lost sight of you. He accepts you just as you are, and he will give you new hope.

It's All about the Change Priscilla Davis, 2014-04 It's All about the Change is designed to be a day-by-day study of God's Word that will bring you closer to Him. I encourage you to read the Scriptures that are suggested and then take time to journal your thoughts on that day's lesson. It has been my experience that journaling your thoughts will help to write God's Word in your heart and mind. Scripture recollection is greatly improved by this practice. I pray that through this study you will receive all that God has in store for you. As you begin, sit down with your Bible and read the passage we will be covering. Then dig into the study guide and find the treasures for your soul. It is helpful to keep track of God's blessings and answered prayers. May God bless you as you begin or continue your walk with Him.
