In a world often fraught with expectations, pressures, and societal norms, the quest to uncover one's true identity can be both daunting and exhilarating. This collection of quotes serves as a guiding compass, illuminating the path towards embracing authenticity, self-awareness, and personal empowerment. QUOTES SAMPLES: A good intuitive will always trump a good analyst. Edward de Bono A hunch is creativity trying to tell you something. Frank Capra A person often meets his destiny on the road he took to avoid it. Jean de La Fontaine All great men are gifted with intuition. They know without reasoning or analysis, what they need to know. Alexis Carrel All human knowledge thus begins with intuitions, proceeds from thence to concepts, and ends with ideas. Immanuel Kant

Surviving Death Leslie Kean, 2018-03-06 THE INSPIRATION FOR THE NETFLIX ORIGINAL SERIES • An impeccably researched, page-turning investigation, revealing stunning and wide-ranging evidence suggesting that consciousness survives death, from New York Times bestselling author Leslie Kean “An engaging, personal, and transformative journey that challenges the skeptic and informs us all.”—Harold E. Puthoff, Ph.D., director of the Institute for Advanced Studies at Austin In this groundbreaking book, award-winning journalist and New York Times bestselling author Leslie Kean investigates the unexplained continuity of the human psyche after death. Here, Kean explores the most compelling case studies of young children reporting verifiable details from past lives, contemporary mediums who seem to defy the boundaries of the brain and of the physical world, apparitions providing information about their lives on earth, and people who die and then come back to report journeys into another dimension. Based on facts and scientific studies, *Surviving Death* includes fascinating chapters by medical doctors, psychiatrists, and PhDs from four countries. As a seasoned reporter whose work transcends belief systems and ideology, Kean enriches the narrative by including her own unexpected, confounding experiences encountered while she probed the question concerning all of us: Do we survive death?

WHOLE Melissa Moore, Michele Matrisciani, 2016-09-13 A five-point plan to usher you through heartache and toward a

stronger, healthier place. “I know how to kill someone and get away with it.” The words spoken by her father when Melissa was a teen haunt her to this day. Two years later, after confessing that he was the serial killer nationally known as the Happy Face Killer, Keith Jesperson was arrested for the murder of eight women. The pain, guilt, and shame that followed her father’s conviction stigmatized Melissa for years until she figured out a way to use her emotions as fuel to free herself from self-imposed limits and set out on a journey to rebuild her fragmented life. Through her work as an Emmy-nominated investigative journalist, television host, educator, and advocate, Melissa created WHOLE, a five-step program to better develop her own approach to healing: Watch the Storm, Heal Your Heart, Open Your Mind, Leverage Your Power, and Elevate Your Spirit. Among other things, she found that the commitment to your core values makes all the difference in getting unstuck; that forgiveness gives the greatest chance of making a future not defined by the past; that there is great value in vulnerability; that creativity is essential to living a full life; and that hope is the basis for everything we feel, believe, and do. In each phase of the program, Melissa inspires you to embrace your past to find wholeness within the parts of your life that you believe to be “broken.” If you are stuck in the rut of a painful experience—whether depression, trauma, pain, fear, addiction, or guilt—you will find comfort in this book’s advice, self-evaluation, and action plans. WHOLE is a powerful journey of recovery and awakening that reframes the pain experience so it can be used as a way to invite understanding, growth, and transformation into your life.

The Light Between Us Laura Lynne Jackson, 2015 The astonishing story of a woman with an extraordinary psychic gift and a powerful message from the Other Side that can help us to live more beautifully in the here and now.

Everyday Sexism Laura Bates, 2014-04-10 'If Caitlin Moran's How To Be A Woman is the fun-filled manual for female survival in the 21st century, everyday sexism is its more politicised sister' (Independent on Sunday). After experiencing a series of escalating sexist incidents, Laura Bates started the everyday sexism project and has gone on to write 'a pioneering analysis of modern day misogyny' (Telegraph). After an astounding response from the wide range of stories that came pouring in from all over the world, the project quickly became one of the biggest social media success stories of the internet. From being harassed and wolf-whistled at on the street, to discrimination in the workplace and serious sexual assault, it is clear that sexism had become normalised. But Bates inspires women to lead a real change and writes this 'extremely powerful book that could, and should, win hearts and minds right across the spectrum' (Financial Times). Often shocking, sometimes amusing and always poignant, everyday sexism is a protest against inequality and a manifesto for change. It's 'a game-changing book, a must-read for every woman' (Cosmopolitan). 'Admirable and culturally transferable. A storm is coming, writes Bates. After reading this book you'll hope so' (Independent). Welcome to the fourth wave of feminism.

The Gathering, A Womanist Church Irie Lynne Session, Kamilah Hall Sharp, Jann Aldredge-Clanton, 2020-08-21 A womanist church has great power to transform church and society, primarily because womanist theology centers the

experiences of Black women while working for the survival and wholeness of all people and all creation. Experiences of the triple oppression of racism, sexism, and classism give Black women an epistemological insight into recognizing injustice and creating solutions that benefit all. The Gathering is unique, the only church founded and identified as womanist, applying womanist theology to the full life and worship of a church. The Gathering, a womanist faith community in Dallas, Texas, welcomes all people to partner in pursuing racial equity, LGBTQ equality, and dismantling PMS (patriarchy, misogyny, and sexism), following Jesus in liberating the oppressed and lifting up the marginalized. The Gathering, A Womanist Church tells the story of the birth and ongoing development of a womanist faith community. This book includes personal narratives of people transformed in this community, womanist co-pastors' sermons informed by their experiences and those of other Black women, and litanies for womanist worship.

The Earth Remains Forever Rob Jackson, 2010-07-05 Writing especially for people who've tuned out the environmental debate, Rob Jackson persuasively argues that we're at a crucial turning point in environmental history, where choices we make now will determine the quality of life into the unforeseeable future. Laying out the scientific facts in plain language and with flashes of humor, he shows how the escalation of population growth and resource consumption in the twentieth century caused problems from ozone depletion to global warming, habitat destruction, and biodiversity loss. At the same time, however, he highlights ongoing solutions to these problems and ways in which we can create a sustainable future for subsequent generations and all life on earth. His urgent message is not that we've already failed, but that we can succeed.
