Snow Falling on Cedars David Guterson,2009-08-17 He saw the soft cedars of San Piedro Island, its high, rolling hills, the low mist that lay in long streamers against its beaches, the whitecaps riffing its shoreline. The moon had risen already behind the island - a quarter moon, pale and indefinite, as ethereal and translucent as the wisps of cloud that travelled the skies. A fisherman is found dead in the net of his boat off the coast of a North American island. When a local Japanese-American man is charged with his murder, it becomes clear that what is at stake is more than one man's guilt. For on San Piedro, memories grow as thickly as cedar trees - memories of a charmed romance between a white boy and a Japanese girl. Above all, the island is haunted by what happened to its Japanese residents during the Second World War, when an entire community was sent into exile while its neighbours watched.

Sinister Resonance David Toop,2010-06-24 Sinister Resonance begins with the premise that sound is a haunting, a ghost, a presence whose location is ambiguous and whose existence is transitory. The intangibility of sound is uncanny - a phenomenal presence in the head, at its point of source and all around. The close listener is like a medium who draws out substance from that which is not entirely there. The history of listening must be constructed from the narratives of myth and fiction, 'silent' arts such as painting, the resonance of architecture, auditory artefacts and nature. In such contexts, sound often functions as a metaphor for mystical revelation, forbidden desires, formlessness, the unknown, and the unconscious. As if reading a map of hitherto unexplored territory, Sinister Resonance deciphers sounds and silences buried within the ghostly horrors of Arthur Machen, Shirley Jackson, Charles Dickens, M.R. James and Edgar Allen Poe, Dutch genre painting from Rembrandt to Vermeer, artists as diverse as Francis Bacon and Juan Munoz, and the writing of many modernist authors including Virginia Woolf, Samuel Beckett, and James Joyce.

After the Hunt Alfred Frankenstein,2023-12-22 In 1887, during the Minneapolis State Fair, the renowned trompe l'oeil

painting *The Old Violin* by William Michael Harnett was on display, captivating audiences with its lifelike depiction of a violin hanging on a pair of wooden shutters. So convincing was the artwork that it prompted debates among viewers about whether it was a painting or a real object, and in some cities, a guard was employed to prevent people from touching the artwork to settle the matter. However, not everyone was enamored with Harnett's style. Reverend Doctor F. T. Gates, in a sermon following the fair, criticized *The Old Violin*, calling it a mere piece of legerdemain with no higher artistic purpose beyond deceiving the viewer's eye. This reaction reflects a broader cultural divide of the time, where Harnett's meticulous realism was admired by some but dismissed by others for lacking moral or spiritual depth. Despite these criticisms, Harnett's reputation has only grown, cemented further by art historians and collectors who have sought out his works over the years. His ability to create lifelike illusions of everyday objects resonated with audiences, and his systematic approach to composition can now be studied through the growing catalog of his works. Since the first publication of this book in 1953, over forty additional paintings, as well as several forgeries, have come to light, underscoring the lasting impact of Harnett's art. His legacy, along with the recognition of fellow artists John Frederick Peto and John Haberle, has led to their inclusion in prestigious American museums, highlighting their contributions to the rich tradition of still life painting in the United States. This title is part of UC Press's *Voices Revived* program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, *Voices Revived* makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1953.

Like a Meteor Blazing Brightly Eric J. Wittenberg, 2016-04-30 Ulric Dahlgren was a brilliant, ambitious young man who became the youngest full colonel in the United States Army at the age of twenty-one, yet died before his twenty-second birthday. This is the first biography of Dahlgren, and thankfully it was penned by cavalry expert and award-winning author Eric J. Wittenberg. Wittenberg's account chronicles Dahlgren's full life story, with a deep look at his military career and extensive connections within the nation's capital, all of which led to the climax of his life: the notorious Dahlgren Raid. *Like a Meteor Burning Brightly: The Short but Controversial Life of Colonel Ulric Dahlgren* is based upon a plethora of source material, including previously unknown or little-used archival sources. Anyone interested in the Civil War in general, or just a fascinating life well-told, will want this book on their shelf.

Meredith Willson John C. Skipper, 2015-01-12 Meredith Willson marched into the hearts of American music lovers with productions such as *The Music Man* and *The Unsinkable Molly Brown*, and unforgettable show tunes like *76 Trombones*. It is the amazing story of how a youngster with talent and tenacity, possessed with what he would later call a streak of Iowa stubborn, rose to become one of America's most famous musicians. It is the story of a remarkable career in which Willson:

helped scientist Lee deForest in experiments that developed sound for motion pictures, wrote the music for Charlie Chaplin's first talkie, wrote a song recorded by the Beatles, and won the first Grammy award ever presented. John C. Skipper is a newspaper journalist whose 35-year career has produced thousands of newspaper columns and five books. John and his wife, Sandi, live in Mason City, Iowa, just a stone's throw from Willson's famous footbridge. They have three grown daughters and one grandchild.

Ghost Songs Andrew Demcak, 2014-03-13 It's not easy being Todd Williams, a fourteen-and-a-half-year-old gay musical prodigy. The bullies, Bob and Ari, at his fancy private school make his life a living hell. Todd's drunken, irresponsible mother, Eddie, constantly embarrasses him and puts his artistic future in jeopardy. And now, his best friend, Jennifer, who plays clarinet with him in the orchestra, isn't speaking to him. Maybe Leroy, Todd's friendly poltergeist, knows what's going on with her. To top it off, he can no longer rely on Jennifer's help in the race to solve a puzzle that could lead to a buried treasure. Todd must learn to stand alone. He's finding out that growing up is far scarier than he ever imagined.

The Broadview Anthology of Victorian Poetry and Poetic Theory Thomas J. Collins, Vivienne J. Rundle, 1999-08-17 The Broadview Anthology of Victorian Poetry and Poetic Theory is the most comprehensive collection of poetry from the period ever published. Included are generous selections from the work of all major poets, and a representation of the work of virtually every poet of significance, from Thomas Ashe at the beginning of the era to Charlotte Mew at its end. The work of Victorian women poets features very prominently, with extensive selections not only from canonical poets such as Elizabeth Barrett Browning and Christina Rossetti, but also from poets such as Augusta Webster for which high claims have recently been made by critics. The anthology reflects (and will contribute to) the ongoing reassessment of the canon that is central to English Studies today; in all, sixty-six poets are represented. The editors have included complete works wherever feasible—including the complete texts of Tennyson's *In Memoriam* and of a number of other long poems. A headnote by the editors introduces the work of each poet, and each selection has been newly annotated. The inclusion of twenty-five selections of the poetic theory from the period is an important feature rounding out the anthology. This anthology is also available in a concise edition.
