A Merry Little Meet Cute Julie Murphy, Sierra Simone, 2022-09-20 Cowritten by #1 New York Times bestselling author Julie Murphy and USA Today bestselling author Sierra Simone—a steamy plus-size holiday rom-com about an adult film star who is semi-accidentally cast as a lead in a family-friendly Christmas movie, and the former bad-boy pop star she falls in love with. “The charming holiday romp you absolutely need in your life!” —Tessa Bailey Bee Hobbes (aka Bianca Von Honey) has a successful career as a plus-size adult film star. With a huge following and two supportive moms, Bee couldn’t ask for more. But when Bee’s favorite producer casts her to star in a Christmas movie he’s making for the squeaky-clean Hope Channel, Bee’s career is about to take a more family-friendly direction. Forced to keep her work as Bianca under wraps, Bee quickly learns this is a task a lot easier said than done. Though it all becomes worthwhile when she discovers her co-star is none other than childhood crush Nolan Shaw, an ex-boy band member in desperate need of career rehab. Nolan’s promised his bulldog manager to keep it zipped up on set, and he will if it means he’ll be able to provide a more stable living situation for his sister and mom. But things heat up quickly in Christmas Notch, Vermont, when Nolan recognizes his new co-star from her ClosedDoors account (oh yeah, he’s a member). Now Bee and Nolan are sneaking off for quickies on set, keeping their new relationship a secret from the Hope Channel’s execs. Things only get trickier when the reporter who torpedoed Nolan’s singing career comes snooping around—and takes an instant interest in mysterious newcomer Bee. And if Bee and Nolan can’t keep their off-camera romance behind the scenes, then this merry little meet cute might end up on the cutting room floor.

Tempting Tempo Michelle Mankin, He sees her in a way she could never see herself. She has never felt more beautiful than when she was in his arms. Sager Reed, the strong and silent bassist of the rock band Tempest, is well acquainted with loss. The thoughtful artist’s own tattoos only hint at his turbulent youth. He buries his guilt about it deeply within his troubled heart. Melinda T. Belle, the daughter of a dysfunctional rock legend, as a rule avoids emotional entanglement. In fact, she has turned her back on nearly everyone and everything she has ever known. Now she is alone, trying desperately to find fulfillment in the one dream she has left, competitive skiing. Can Sager overcome his dark past and finally believe that he is worthy of her love? Will Melinda realize too late that he is the one that really matters?

Blood Soaked & Contagious James Crawford, 2013-03-30 A zombie killer-for-hire faces off against a dangerous undead

overlord in this post-apocalyptic science fiction horror series debut. I am not going to complain to you about my life. We've got zombies. They are not the brainless, rotting creatures we'd been led to expect. Unfortunately for us, they're just as smart as they were before they died, very fast, much stronger than you or me, and possess no internal editor at all. Claws. Did I mention claws? I kill them for a living, but it's as much a vocation as a freelance career choice. It helps me, helps my neighborhood, and the people I consider to be my family of choice. What's more? I'm really good at it. My life had a nice rhythm, and I'd almost gotten used to it, but the military bungled an attempt to wipe out an organized bunch of undead near a major commuting route into D.C. The formerly-human survivors relocated. Now they're less than an hour's stroll away from where I live. The new Zombie Overlord is smarter, crazier, and much more well-equipped than anyone we'd dealt with in the past. We have something he wants, badly. I know he's going to come and get it and try and wipe us out in the process . . . men, women, and even the children. I'd seen it done before elsewhere for lesser reasons. This is my home. These are my people, my family. This is personal. Praise for Blood Soaked and Contagious "I give it an "EW!" factor of +10!" —Diana Gabaldon, #1 New York Times bestselling author of the Outlander Series

Spice it Up: A Tale of Feminization Nikki Crescent, Chris has kept a secret from his wife for many years. He's even tried keeping it from himself, but it pops into his mind from time to time. Then, one day, his wife, Lottie, comes home with Fifty Shades of Grey, an unusual book pick as she's never been very much into that sort of thing. Suddenly, their bedroom life goes from nearly non-existent to an almost daily affair. Lottie suddenly wants to try everything, including a role reversal, which Chris begrudgingly likes just a little bit too much. Now Chris is worried his old secret is going to come out as Lottie begins to discover what really makes him tick in bed. This book contains: feminization, sissification, mtf, m2f, transformation, transgender, trans, girly boy, effeminate, genderswap, gender swap, sissy, sissies, t-girl, transition, steamy erotica, crossdressing, crossdresser, transsexual, emasculation.

A good-looking varsity soccer player and the class clown, Jordan is a popular senior who is heading to California for college from his home in New Jersey. As he counts down the days to his upcoming excellent adventures in higher education, he meets Gabriel Bosque, and it's all over love at last. Those Little Bastards E. Christopher Clark, 2014-07-15 16 tenants. An apartment building that's in Los Angeles one chapter and Boston the next. A little old landlady who's just trying to save the world... Emily Henderson went to church every

Sunday. She married the love of her life, had herself a couple of kids, and ran a boarding house for wayward souls in her retirement. But when scientists discovered how to clone her beloved Lord and Savior from DNA found on his death shroud, Emily chafed under the rule of her world's blasphemous Jesus 2.0. After a tenant of hers sacrifices himself to save their city, Emily travels back in time to see if she can stop the speeding train of history before it goes off the rails once again. Along the way, she meets a depraved and lonely man who hacks his way to a date in the days before Tinder; a piano instructor has a tawdry affair with a young pop star he's tutoring; and a husband sent to the doghouse roped into a murder plot by two vagrants living in a nearby open field. Can Emily save these flawed people from the fate she knows is coming for them all? And if she can, should she? *Those Little Bastards* is the obnoxious 2002 debut of author E. Christopher Clark—an “uncensored and unabridged” collection of short stories “peppered with tang and spice” (Psychofairy). If you like stories of vamps and vampires, femme fatales and dirty old men, then you'll love the short fictions of this fearless and defiant young writer. Buy *Those Little Bastards* to start your extended stay with this filthy cast of housemates today!

Hounds of the Underworld Dan Rabarts, Lee Murray, 2017-07-26 On the verge of losing her laboratory, her savings, and all respect for herself, Pandora (Penny) Yee lands her first contract as scientific consult to the police department. And with seventeen murder cases on the go, the surly inspector is happy to leave her to it. Only she's going to need to get around, and that means her slightly unhinged adopted brother, Matiu, will be doing the driving. But something about the case spooks Matiu, something other than the lack of a body in the congealing pool of blood in the locked room or that odd little bowl. Matiu doesn't like anything about this case, from the voices that screamed at him when he touched that bowl, to the way his hateful imaginary friend Makere has come back to torment him, to the fact that the victim seems to be tied up with a man from Matiu's past, a man who takes pleasure in watching dogs tear each other to pieces for profit and entertainment. *Hounds of the Underworld* blends mystery, near-future noir and horror. Set in New Zealand it's the product of a collaboration by two Kiwi authors, one with Chinese heritage and the other Māori. This debut book in *The Path of Ra* series offers compelling new voices and an exotic perspective on the detective drama.

Criminal Enterprise Owen Laukkanen, 2013-03-21 The new Stevens and Windermere novel from Owen Laukkanen, author of the dazzlingly acclaimed *The Professionals*—“one of the best debuts of the year (Mystery Scene). Accountant Carter Tomlin has a secret. He's lost his job, the bills are mounting, and his perfect life is hanging by a thread. Desperate, he robs a bank. Then he robs another. Reuniting for the first time after their first case, FBI Special Agent Carla Windermere homes in on Tomlin from one direction, while Minnesota state investigator Kirk Stevens picks up the trail from another. Because Carter Tomlin likes robbing banks. And it's not because of the money anymore. Tomlin has guns and a new taste for violence. And he's not quitting anytime soon. Praise for Owen Laukkanen Puts readers in mind of what a collaboration between John Sandford and Elmore Leonard would be like...a master storyteller.--Bookreporter.com Really terrific.--Lee Child Fans of crime

thrillers shouldn't miss this one or anything else with Laukkanen's name on the cover.--Kirkus Reviews (starred review)

The Truth Shall Make You Free Samuel W. Whitehead,2020-10-13 Sam Whitehead was raised in a strict religious family and was a teenage preacher. At age twenty-two he began a forty-year quest of research and reflection to prove that his faith was the one true religion and that God was real. He reluctantly came to the conclusion that there is no God and that no religion is true. Staunch believers in God and readers who are trying to find their own truth will find Sam's journey compelling. It moves from Alabama to Ohio and back to the Deep South in Atlanta. This serious work challenges believers to live up to their creed and reflects the humor in many situations along the way. Sam holds an MBA degree from Georgia State University with a major in finance. He retired from a lengthy and varied career with one of the largest petroleum transportation companies in the world. Most of his work was in human resources management and public affairs.

Polluto 8 Rachel Kendall,2011-10 This issue we're entering into the unknown and the otherworldly, exploring strange worlds and stranger beings--not to mention the twisted, terrifying depths of some of the weirdest authors' minds. Subversive and thought provoking? Yes. Crazy as a box of Buck Roger's Intergalactic Fruit Loops? Most definitely. Dark, dreamy, and disgustingly depraved? Would it really be Polluto if it wasn't? Aliens, monsters, gods, dreams and nightmares; sex and transformation; strange worlds and the search for truth; death, blood and violence; the future of humanity; astrophobia, metatrons, sphere serpents and zombie amazons. Prepare for the unexpected . . . and remember, in space no-one can hear you dream.

A Dozen Dates Sarah Hadley Brook,2022-07-02 Carter has a great life. He excels at his job, he's close to his sister, and he has an amazing best friend. There's just one teeny-tiny problem: he's in love with his best friend, who just happens to be his roommate. It doesn't help that Greg has a habit of sticking as close to Carter as possible. But Carter has a plan to fix everything. He signed up for a speed-dating event where he'll talk to a dozen men in one night. If he can meet someone, he can stop worrying about blurting out his feelings to Greg and possibly losing his best friend. It's a solid plan. Twelve men. He just has to convince his heart.

Well.. Who IS Woo?? Wilecia Appleton-Starks,2014-04-28 I wrote this book to help, mentally, physically, and sexually abused children. I'm finally telling my story, after years of self-hatred and abuse. I am a survivor and I wanted to share my testimony. If I just reach one individual with my story, then I have served my purpose.

West End Girls 2: Lena Scott,2010-11-01 With everything they've come to rely on suddenly gone, sisters Tanqueray, Unique, and Sinclair Nation should be facing the tragedy together. But instead, they begin to pull apart in their search for a way out of the ghetto. This divide nearly conquers them, as Tanqueray drifts further into the life she swore she would never be brought into. Unique, overwhelmed with concern for her sick child, follows the misunderstood guidance of an overzealous preacher, whose advice places her life in jeopardy. Sinclair, looking for love, finds trouble instead when she again turns to

the streets. These sisters will have to fight hard to keep it together through all their hardships.

Life After Love Stephanie Aguilar, 2019-07-16 Small town girl, Alice Jacobs, has had an uneventful life. No stress, no chaos, and no excitement. Not until the unexplained turned her life upside down.
