Brave in the Broken Katerina Karaindrou,2021-05-06 When fourteen-year-old Katerina Karaindrou was diagnosed with a rare and malignant form of bone cancer in January of 2018, she felt broken, trapped in fear and pain. Through a conversation with her doctor before starting chemotherapy, she embarked on a journey to discover how she could be brave in the midst of despair. Little did she know, the answer was hidden in her story. In Brave in the Broken, Katerina narrates her story of fighting cancer at fourteen and finding healing, purpose, and peace along the way. She tells a story of agonizing pain and suffering, yet one full of hope and meaning. She chronicles how walking on a path of faith and gratitude helped her defy the impossible and fight. Brave in the Broken follows Katerina's journey as she finds the powerfully impactful miracles that she experienced during the suffering. She discovers how she can overcome despair through the choice to stay brave in the face of fear and affliction.

HAL...lelujah Jane Brown,2025-05-19 God's plan is not always our plan. I knew in 1997 the Lord laid it on my heart to write a book, but it was not until the pain of losing my first born that led me to finally surrender and begin this journey. Looking back at my journals it became clear in my mind that all this work that had been in a box for so many years was meant to come full circle. The gut wrenching, stab me in the heart pain prompted me to write and begin to heal. Years back I was to write a book, but it was not until the tragic death of my son, Hal, that it became crystal clear to me that it would be a story of a mother's love, loss, and my faith through it all.

Quoted Ella Catherine,2022-01-15 Quoted is a book to encourage teens that they are worth it, loved, and God has a plan for them. The book has a mixture of short stories, questions, advice, Bible stories, and entries, especially for the reader. Throughout one year, the reader will learn many things through a teen's point of view. p.

From the Other Side of the Bed Frank Mitchell,2022-08-03 For the first time in my life, I had to fight for it. COVID attacked me, my family, and the world. Being a trauma nurse in the emergency department, I often find myself (as do all of my coworkers) meeting people on the worst day of their lives. Now for the first time, I started meeting people during the worst time of mine. This book is written to illustrate how we should be able to fight the devastating effects of this virus together. There is an army that is available to everyone, and every single person can become part of the army that everyone needs in their life. We can focus this army to support one another, or to tear us apart because someone thinks differently

than we do. This is an age-old problem that continues to face us today, something I call self-righteous indignation. It continues to tear apart our friends, families, and even countries. We need each other's strengths, not each other's opinions. There is a person in that medical bed—someone with family, friends, and a health care team. They need us. They need support. But so do those who are on the outside looking in. I hope this book offers a glimpse into what it was like to be a caregiver who found himself changing from bedside care to needing care from the other side of the bed and to see how that need extended into my family and friends.

Chasing Sunbeams Shaya Grace, 2020-01-29 This is a story of survival, hope and spiritual awakening throughout a desperate life-long struggle to answer the poignant question of, Who Am I? Its journey evolves through the story of an everlasting relationship between Shaya and Sarah and becomes an intimate walk through various Dissociative states of mind revealing horrifying repressed memories. Miraculously, personal accounts of near-death experiences and spiritual intervention teach about relationships beyond what's physically visible and illustrate how it's Jesus's Tender Love that ultimately 'Sets Us Free'.

DEEP WATERS Rachel Hayden, 2023-11-23 When Christy Farhar finally made it to Africa and met children who had been rescued from slavery on Lake Volta in Ghana, she knew she would never be the same. After a miraculous encounter with one special little boy on the shore of the lake, it seemed clear that Christy was to bring him out of his life of child labor and adopt him into her family. However, when the unexpected occurred, it became apparent that a different kind of rescue would be needed. Deep Waters is the story of how one woman's call to Africa birthed the Micah 6:8 Project to combat the cycle of poverty halfway across the world. It is also the story of how unspeakable tragedy gave rise to the founding of Jacob's Wells and how grief transformed the focus of a ministry. Within these pages, we are invited to follow God into the unknown and experience the amazing events that can happen when a surrendered life collides with a God who is always on the move. "You hold more than a book in your hands. Within this story, there is an occasion to bear witness to a God who moves relentlessly through ordinary people. Discover in these pages, as I did, that He intends to rescue and free the most vulnerable, often through unusual and surprising means. The shores of Heaven will ripple with the miracles logged in this unbelievable story." Lauren Alexander - Pastor, Speaker, Foster Care Advocate

The Loudest Roar Judy Dunagan, 2022-09-06 Take heart. The enemy's roar is but a whisper in the presence of our mighty God. Do you often feel stuck battling the same fears, temptations, lies, and doubts, wondering if you'll ever overcome them? Does it seem as if you're in that battle alone? Author Judy Dunagan has been there. In *The Loudest Roar*, you'll marvel at the power, majesty, and authority of our Lord Jesus and learn how to stand in the unshakable victory He's already won for you. In that victory, you will: - Discern God's voice over the lies of the enemy - Stand firm in faith rather than give way to fear - Dwell in the cover of God's armor over you and your loved ones - Keep your thoughts captive to truth - Find victory over

cycles of sin in your life God's roar over you will become your roar, diminishing the lies of the enemy . . . to a whisper. Questions for each chapter will help you discover how to apply the biblical truths in this book to your life.

Taking Care of Mama Joy A. Mead, 2022-12-01 Many women enter motherhood with little preparation for the incredibly important, yet demanding job role before them. Taking Care of Mama is a conversational encouragement for anyone who is a mother or about to become one. At the heart of this book is the theme of mothers learning to look after themselves, while they are simultaneously looking after their little ones. It can be easy to lose oneself while meeting the family demands, but in order for mama to give her best to her husband and children, she must acknowledge that she is neither a superwoman nor a robot, but instead, she is a human being like the other members of her family. Mothers have needs themselves which must be met, including being able to understand emotions and feelings, holistically aiming to nourish themselves, being surrounded by a good community, and choosing to discover the beauty and joy in being mothers.

Miracles on a Rooftop Mark Dean, 2024-02-16 Welcome to the exciting and awe-inspiring world of "Miracles on a Rooftop." In this riveting memoir, I take you on a remarkable journey through my personal experiences in the wild city of Ramadi, Iraq while fighting in combat as a US Marine, and I take you on a journey through the homeless, addicted, and lonely streetlife I unfortunately lived, after succumbing to my PTSD from combat, self-medicating with drugs while trying to escape the hell in my head. Lost, addicted, and hopeless, I was finally able to cry out to God, and surrender my life completely, finding life, peace, redemption, and restoration, when I thought my life was over for good. Packed with gripping tales of survival, faith, and the extraordinary power of miracles, this book offers a unique perspective on the human spirit and the divine intervention that can shape our lives. We are introduced to a world where danger lurks at every corner, and where the most ordinary moments can transform into extraordinary acts of courage and resilience. From my encounters with a notorious sniper to the harrowing moments during mortar attacks, every page is filled with heart-pounding excitement and heartwarming faith. But "Miracles on a Rooftop" is not just a tale of combat and chaos. It is also a story of love, family, and the unwavering bond that sustains us through the darkest of times. I pay tribute to the individuals who played a pivotal role in my life, from my son, Aiden, to my parents, siblings, and the Marines of 3rd Battalion, 7th Marines. Their support and belief in me serve as a testament to the power of love and strength of unity. This book is an invitation to witness the incredible resilience of the human spirit in the face of adversity. It shows us that miracles can happen even on the most

desolate rooftops, and that faith and determination can guide us through the darkest valleys. The words of this book remind us of the importance of seeking God's presence in our lives and embracing the miracles that surround us each day. So, fasten your seatbelts and prepare for a rollercoaster ride through the highs and lows of war, as well as the transcendent power of faith. "Miracles on a Rooftop" will leave you inspired, moved, and above all, grateful for the miracles that exist in our world. Let the journey begin!

#somethinggoodeveryday Charleen Thornton Berg, 2024-11-25 Grief is a life changer. It's a life experience that everyone will have to endure at some point in time. Most of us live our lives in knowing this, but when a loss occurs, we can still be blindsided and spiritually crushed by it. Once a tragedy occurs, grief takes you on a journey, and you must go reluctantly, along for the ride. Sometimes kicking and screaming, other times stoic and numb. But grief will be with you...always. The inception of #somethinggoodeveryday was a cry out to God to help make sense of something that seemed so unfair and senseless. It was an attempt to get an answer or a comforting notion that this situation would change, and that it would turn out to my liking. The posts and pictures did not change what was to happen...but they did eventually change me. Little whispers everyday about who God is, His love, His trustworthiness and His comfort started raining down like a welcome thunderstorm after a drought. I drank it in, shared it when I could on social media and finally compiled a portion of what I wrote down and posted, of walking through each day with this intruder called grief ever at my side and looking for something good every day. The grief walk is not easy, it'll challenge you even on the good days. Look for the goodness of God in everyday, it's there and it will help you process and live with grief in "do-able doses" as you continue on, one step, one breath and every broken, beautiful moment at a time.

Raising West Point Christina Hunter, 2021-07-05 Christina Hunter's oldest daughter and a basketball star, Sabria Hunter answered her call to report to West Point Military Academy to become an officer in the US Army and play Division 1

basketball in the summer of 2019. Following this experience, Christina, whom the readers will come to know as Tina, felt urged to write a book. Being hard-pressed as a working mom of six, she never thought this could ever be possible, so she pushed off the idea. The urge came again, and she told God she was willing to write the book but wanted a solid sign to make sure it was him that was asking her to take on this feat. It was on a random trip to Barnes and Noble that a miracle took place. As she was found leafing through a book, Tina was approached by a complete stranger who, she came to find out, was an author himself, who began asking her about her life and told her she needed to write a book about it and he had tips that could help her. She was astonished with the instruction God gave her through this man and vowed to keep her promise to God by telling the world of his love for her and her family. This is a riveting story of a broken girl whom God put back together again. It is a story about breaking the chains of self-doubt and learning to face fear while maneuvering through storms in life when there seems to be no hope in the fight. *Raising West Point: The Unmasking of a Hero* is just the beginning of an extraordinary life God made out of such an ordinary girl and then was faithful in doing amazing works in her kids' lives especially in the world of sports and school. If you are searching for love, peace, and happiness in your life, this is a must-read! If you want to raise kids to be more than survivors of this life but to engage in a purpose-driven, passionate life of hard work, determination, and discipline, you must hear these stories that God told her to write. Starting out as a single teenage mom and having been told she would amount to nothing, Tina chose to have faith and dared to be the best mom she could be through God, teaching her kids to be explosive while blowing the roof off the ceiling of their potential. Through this captivating book, she tells of her emotional journey in raising a very talented athlete in Sabria and then sending her off to the academy, followed by the struggles of hitting rock bottom after a devastating ACL injury during basketball season.
