The First Day of Spring Nancy Tucker, 2022-05-31 "Tense, addictive and powered by an unforgettable narrative voice." - PAULA HAWKINS A stunning debut...Suspenseful? You bet. Heart-rending? From beginning to end.—The Washington Post "Gripping...The voices of Chrissie and Julia reside deep in your skull: visceral and wicked, sad and wonderful, all at the same time." —The New York Times "Fans of Lisa Jewell and smart psychological suspense will eagerly await Tucker's next." —Publishers Weekly, STARRED review "So that was all it took," I thought. "That was all it took for me to feel like I had all the power in the world. One morning, one moment, one yellow-haired boy. It wasn't so much after all." Meet Chrissie... Chrissie is eight and she has a secret: she has just killed a boy. The feeling made her belly fizz like soda pop. Her playmates are tearful and their mothers are terrified, keeping them locked indoors. But Chrissie rules the roost -- she's the best at wall-walking, she knows how to get free candy, and now she has a feeling of power that she never gets at home, where food is scarce and attention scarcer. Twenty years later, adult Chrissie is living in hiding under a changed name. A single mother, all she wants is for her daughter to have the childhood she herself was denied. That's why the threatening phone calls are so terrifying. People are looking for them, the past is catching up, and Chrissie fears losing the only thing in this world she cares about, her child. Nancy Tucker leaves the reader breathless as she inhabits her protagonist with a shocking authenticity that moves the reader from sympathy to humor to horror to heartbreak and back again.

Flight Into Spring Bianca Bradbury,2005 The Civil War has just ended. Sally Day Hammond is a vivacious, tiny, coddled Southern lady. Charles Horne is silent, tall, unbending and from the North. They have been corresponding since Harper's Ferry and are now to be married. When Charles brings Sally back to live with his strict New England family, little wonder that tensions rise to the breaking point, but Sally has mettle. In the desperate honesty of this young couple's conflict, both young hearts will have to truly stretch and meld. Amidst a rich historical setting, skilled novelist Bianca Bradbury brings all the resources of heartsearching realism to the predicaments of young married love. Ages 10 and up.
