Lola and the Millionaires Part One Kathryn Moon,2023-05-18 Lola Barnes only wants one thing, to get her life under control. No more chasing alphas who abuse and toss away betas like her. No more hiding in her cousin's apartment licking wounds that won't heal. Armed with her dream job and her less than dreamy apartment, Lola is ready to start a new chapter of her life without alphas. But that's easier said than done when one stumbling incident after another leads Lola closer to an alluring pack of captivating men. These alphas are everything Lola dreamed of, but they already have an omega-a playful male model who won't stop flirting with her. And Lola is only a beta, one who comes with deep scars and an unshakeable aversion to alphas and their powerful presences. If only she could resist their perfect beta, Leo, whose patience and determination to see her heal breaks down one wall after another. When the alpha who all but destroyed Lola tries to start a game of cat and mouse that's all claws, the safest place for Lola may be the one she's most terrified of, in the arms of an alpha pack.

Lola and the Millionaires Part Two Moon,2023-05-18 Lola is being hunted by her past, stalked with every step she takes. Sheltered with the pack of her dreams, at first it seems like the hardest challenge isn't even staying safe from Indy. Tensions at work are at a tipping point and after taking the role of management's spy, Lola's in the crossfire if anything goes wrong. As romances between Lola and the pack members are developing left and right, the woman who swore she wanted nothing to do with alpha is turning to them like a bloom to the sun. If only it weren't just one monstrous alpha that twisted her own thoughts. Lola is quickly realizing that her worst enemy is herself, and it's like walking the tightrope to find a balance with the pack that gives her strength rather than sends her toppling to the ground. But Indy won't be ignored. One way or another, he's determined to get his hands on her again. Lola needs more than a pack to shield her. She needs to be ready to fight.

Warriors Kathryn Moon, 2018-09-24 Joanna just wants to spend the holiday curled up with her coven of handsome professors, but family obligations wait for no one. Instead of wintery cuddles, she's up to her neck in the Pike brothers and their wives, a cast of political figures invited to their dinner parties and, worst of all, Callum's father, Duncan. Duncan Pike is a nasty piece of work--not only did he place a young Callum in the heart of an ugly war, he disapproves of Isaac and Aiden. Duncan claims a new war is coming, and it looks like he might be right. As if that weren't enough, the infamous warrior Sabine York is showing a marked interest in Callum--is she after revenge? Or does she want to add Callum to her coven of soldiers? When trouble strikes and Callum is separated from the rest of the coven, Joanna, Isaac, and Aiden must travel from the library to the capitol to Vermentia, desperate for their reunion. And, on his own for the first time in years, Callum must tread carefully back into the waters of war he's spent decades avoiding. Can they fight through the people and the miles standing between them and return safely together again?

Scrivens Kathryn Moon,2019-03-28 The Coven's adventures in Vermentia created a ripple they could not predict long after Joanna and her men returned safely home to Canderfey. The university now has visitors: the hidden Scrivens community, refugees running from their own government. While Joanna is thrilled to see her family again and learn more about her magic and the history of the Scrivens, others are less enthusiastic at the newcomers' arrival. Canderfey University's President is resistant to the changes taking place on his campus. Soon it appears as if he has reason to be, with mysterious incidents damaging the Scrivens' reputations. Joanna will fight against anyone to keep her family and the other innocent members of the community safe from suspicion and hatred, but tensions rise even within the coven as Aiden seeks to keep peace between all parties. Can he hold his coven together or are the fractures he senses growing too deep to repair?

Written Kathryn Moon,2018-06-28 From her first step onto Canderfey University's campus Joanna Wick, the new librarian-in-training, is overwhelmed by the bustle of people and the wealth of magical information now available to her. Most overwhelming of all, she attracts the attention of three handsome professors. But Aiden King, Callum Pike, and Isaac Metclaffe are a coven waiting to find their fourth and complete their home and Joanna knows she can't be that witch. She's barely magical. When danger crawls onto the campus from the edges of the Hand Woods, and irrepressible feelings crawl into her heart, Joanna Wick must explore her own identity and abilities. Aiden has been waiting twenty years to complete his coven. Callum doesn't want to disappoint his covenmates by turning down another potential fourth. Isaac has found a home with them both and only wants the best for his lovers. Have they found what they've all been waiting for in the skittish new hire at the university library? Written by Kathryn Moon is a whychoose romance and the first book in The Librarian's Coven series.

Ancients Kathryn Moon,2019-07-26 The Ancients, a race of creatures between gods and monsters, are trapped in Canderfey. Fighting for their home, the University, and the remaining residents of the town, Joanna and her coven are in daily peril. When one of the Ancients escapes the boundary, the coven is separated, Isaac traveling in search of a solution to the turmoil of the summer. As days wear on, can Joanna and her coven keep their warrior spirit, or have they been fighting too hard and too long? Perhaps the Ancients—older, more powerful, and impossible to kill—are an obstacle too enormous to overcome. Will Canderfey be saved and the coven free to live in peace? Or will the cages, keeping Ancients in and magic out, crumble and set chaos loose upon the world? *Ancients* is the stunning and emotional finale of The Librarian's Coven series!

The Estate Plan Blythe Dowling-Eversly,2025-07-11 With regards to money, there are usually two schools of thought: a) that you can never have enough and— b) the more you have, the less you need. Unfortunately for Amelia “Amy” Winterton, she definitely falls into the former category. Stuck working dead-end jobs for nearly half her life, Amy spends the majority of her New York nights dreaming of better days. That is until she receives a dubious invitation from a former BFF, to attend the memorial service for her late husband, who also happens to be a reclusive billionaire. Amy reluctantly attends with a few of her closest girlfriends—who are soon surprised to find themselves hobnobbing with some of the biggest [not to mention oldest] players in the Tri-State area. What ensues from that whirlwind event is a three-month foray into the realm of Big Apple elites as Amy and her besties go for broke trying to reel in those overly generous whales against mounting odds. With the window to her fairytale lifestyle set to strike midnight, Amy will have no choice but to choose exactly what she wants out of this life, cash or cuddles; ‘cause when it comes to both, they each share one thing in common: Where there’s a will, there’s a way...

On the Town Marshall Berman,2020-05-05 Described as 'a continuous carnival' and 'the crossroads of the world,' Times

Square is a singular phenomenon: the spot where imagination and veracity intersect. To Marshall Berman, it is also the flashing, teeming, and strangely beautiful nexus of his life. In this remarkable book, Berman takes us on a thrilling illustrated tour of Times Square, revealing a landscape both mythic and real. Interleafing his own recollections with social commentary, he reveals how movies, graphic arts, literature, popular music, television, and, of course, the Broadway theater have reflected Times Square's voluminous light to illuminate a vast spectrum of themes and vignettes. Part love letter, part revelatory semiotic exposition of a place known to all, *On the Town* is a nonstop excursion to the heart of American civilization, written by one of our keenest, most entertaining cultural observers.
