*With Intent to Maim; An Autobiographical Narrative* Kalman Dubov, 2020-10-06 This book describes my experiences being subjected to and living with abuse during my childhood and early adult years in the Lubavitch-Chabad community, in Brooklyn, New York. I discuss the effects this physical, emotional and psychological abuse had on my development and life, which resulted in my leaving this community and lifestyle. When I grew up in this community, the topic of abuse was either denied, or spoken about in whispers. Generally, even if abuse of a child was known, it was not reported to law enforcement, and the child was not protected from further abuse. The topic of reporting such crimes to the law enforcement authorities, for eventual criminal prosecution, is referred to as 'mosur' a term of revilement. Such a person, regardless of the crime(s) committed, is protected by the Jewish community and the victim is forced to face the abuse by himself/herself, without the benefit of communal embrace for resolution. Moreover, Jewish law excoriates a 'mosur' / informer, by exclusion from normative communal membership. These exclusions are embodied in codes of Jewish law which formalizes the process by vilifying the informer. The victim thereby faces a double attack. The first is by the predator, and the second by the code of silence forced upon the victim. The primary focus of this book regards the physical attack I endured at the hands of my mother. She was angered by my non-diligence in religious study motivating her to try to break my arm. I was eight years old at the time. And she was following the actions of another mother who broke the arm of her son for the same perverse reason.

this attack was a life changing event. It forced to identify my mother, and others, as persons who represented a great danger to me, necessitating measures that resulted in distance and eventual examination of the fundamentals of this religious life and identity. I describe the other Jewish family that similarly abused a child. Similar to my own circumstance, no investigation or prosecution was ever conducted. I remain convinced other families from these ultra-Orthodox (Charedi) Jewish communities experienced similar, or worse, violence, but such violence was muted and not reported. My father was aware of the attack but did not intervene. I discuss the details of the abuse, as well as its aftermath, and the larger concatenates these events caused in my life. I conclude my narrative by stating that these acts, and especially community refusal to acknowledge and respond, is shameful and indefensible. A few persons reviewed this material prior to publication. While I remain grateful for their comments and recommendations, the publication reflects my own insights and I remain responsible for any errors or oversights.

**The Linguistics of Stephen King** James Arthur Anderson, 2017-06-27 Stephen King, America's Favorite Boogeyman, has sold over 350 million copies of his books, becoming in effect the face of horror fiction. His influence on popular culture has drawn both strong praise and harsh criticism from reviewers and scholars alike. While his popularity cannot be overstated, his work has received relatively little critical attention from the academic world. Examining King's fiction using modern literary theory, this study reveals the unexpected complexity of 22 short stories and novels, from *Carrie* to *End of Watch*. The author finds King using fantasy and horror to expose truths about reality and the human condition.

And, of course, a complete list of all the nominees and winners, as well as a list of notable non-nominees. Picking up where the classic *Inside Oscar* leaves off, this must-have guide treats us to a behind-the-scenes look at one of America's most beloved annual traditions!

Stephen King Films FAQ Scott Von Doviak, 2014-02-01 (FAQ). Over the past four decades, the Stephen King movie has become a genre unto itself. The prolific writer's works have spawned well over 100 adaptations for both the big and small screen, ranging from modern classics of horror ( *Carrie* , *The Shining* ) to Oscar-nominated fare ( *The Shawshank Redemption* , *The Green Mile* ) to unapologetic, B-movie schlock (the King-directed *Maximum Overdrive* ). The filmmakers to put their stamp on King's material include acclaimed auteurs Stanley Kubrick, David Cronenberg, and Brian De Palma; masters of horror Tobe Hooper, John Carpenter, and George Romero; and popular mainstream directors Rob Reiner, Frank

Darabont, and Lawrence Kasdan. Stephen King Films FAQ is the most comprehensive overview of this body of work to date, encompassing well-known hits as well as forgotten obscurities, critical darlings and reviled flops, films that influenced King as well as those that have followed in his footsteps, upcoming and unmade projects, and selected works in other media (including comic books, radio dramas, and the infamous Carrie musical). Author Scott Von Doviak provides background information, analysis, and trivia regarding the various films and television productions, including Bloodlines sections on related works and Deep Cuts sections collecting additional odd facts and ephemera. All you ever wanted to know about the king of horror onscreen can be found here.

**Both** Noel Brewer Yeatts,2023-09-25 What if we expanded our definition of missions? What if it were less about handouts and more about truly loving our neighbors? What if it were more about helping people thrive on earth and not just getting to heaven? What if we didn't have to choose between the physical and spiritual when meeting people's needs? What if it could really be about both? Living a life of faith—one that embraces the sacred value and messy humanity of others—is the next revolutionary chapter of missions as we know it. In Both, Noel presents a compelling vision for what modern missions can be: a robust and holistic expression of embodied faith on earth as it is in heaven.

Screening Stephen King Simon Brown,2018-02-28 “Gathers together the unruly mess of King adaptations . . . And places it within the sociocultural and industrial context of four decades of horror.” —Philip L. Simpson, author of Psycho Paths Starting from the premise that Stephen King has transcended ideas of authorship to become his own literary, cinematic, and televisual brand, Screening Stephen King explores the impact and legacy of over forty years of King film and television adaptations. Simon Brown first examines the reasons for King’s literary success and then, starting with Brian De Palma’s Carrie, explores how King’s themes and style have been adapted for the big and small screens. He looks at mainstream multiplex horror adaptations from Cujo to Cell, low-budget DVD horror films such as The Mangler and Children of the Corn franchises, non-horror films, including Stand by Me and The Shawshank Redemption, and TV works from Salem’s Lot to Under the Dome. Through this discussion, Brown identifies what a Stephen King film or series is or has been, how these works have influenced film and TV horror, and what these influences reveal about the shifting preoccupations and industrial contexts of the post-1960s horror genre in film and TV. “Well-written . . . It really is the most exhaustive analysis of Stephen King on the screen that has ever been written.” —Cinepunx “This book is not only essential as a study of Stephen King and his works adapted to the big and small screen; it is also an exemplary study of the evolution of the horror genre in its ebb and flow from literary adaptation to gore-laden saturation and beyond since the mid-1970s.” —Sorcha Ní Fhlainn, author of Postmodern Vampires

**The Stephen King Companion** George Beahm, 2015-10-06 The Stephen King Companion is an authoritative look at horror author King's personal life and professional career, from *Carrie* to *The Bazaar of Bad Dreams*. King expert George Beahm, who has published extensively about Maine's main author, is your seasoned guide to the imaginative world of Stephen King, covering his varied and prodigious output: juvenalia, short fiction, limited edition books, bestselling novels, and film adaptations. The book is also profusely illustrated with nearly 200 photos, color illustrations by celebrated Dark Tower artist Michael Whelan, and black-and-white drawings by Maine artist Glenn Chadbourne. Supplemented with interviews with friends, colleagues, and mentors who knew King well, this book looks at his formative years in Durham, when he began writing fiction as a young teen, his college years in the turbulent sixties, his struggles with early poverty, working full-time as an English teacher while writing part-time, the long road to the publication of his first novel, *Carrie*, and the dozens of bestselling books and major screen adaptations that followed. For fans old and new, *The Stephen King Companion* is a comprehensive look at America's best-loved bogeyman.

Quote ,1959

*How to Succeed in the Arts...Or in Anything.* Ken Davenport,2017-04-11 If you've imagined being a Producer or a Writer...an Actor or a Director...or a real estate investor, hedge fund dude, or even a world champion poker player...you can do it, as long as you have the right directions. And I'd like to share those directions with you...the directions that took me years to gather, but the directions that are without a doubt responsible for getting me where I am today...and more importantly, will be 101% responsible for where I want to be tomorrow. And I know that they can do the same for you.

*The Black Guy Dies First* Robin R. Means Coleman,Mark H. Harris,2023-02-07 An exploration of the history of Black horror films. Delves into the themes, tropes, and traits that have come to characterize Black roles in horror since 1968, a year in which race made national headlines

**Power, Resistance, and Literacy** Julie A. Gorlewski,2011-07-01 Students in public schools serving poor and working-class students are inundated by the effects of high-stakes examinations. Teachers are demoralized and students suffer substandard curricular and pedagogical experiences. These effects are articulated by students and teachers in the high school that provided the setting for the critical ethnography on which this text is based. Teachers resent being judged on the basis of students' performance on standardized assessments. They are deprofessionalized as their roles are oriented toward working-class norms. Students feel alienated by content that is meaningless and test-based pedagogies that are disempowering. While these findings are disturbing, critical theory provides a foundation for seeking hope. By incorporating inquiry and dialogue, this theoretical framework opens a space where resistance can be revealed and examined. In this case, the study exposed glimmers of resistance, spaces in the structure of schooling where students and teachers critique the system and suggest ways of subverting the negative effects of the neoliberal reforms through dialogic, empowering, culturally responsive pedagogies. Collective resistance, achieved through dialogic pedagogies that build on understandings of resistance and power, can cultivate theoretical and material spaces where a cycle of praxis can enhance possibilities for social justice. To that end, the conclusion is devoted to the implementation of critical, dialogic approaches to literacies, approaches intended to interrupt the hegemonic influences that perpetuate social reproduction by capitalizing on the potential for solidarity and collective agency among the students and teachers who populate and educate the working classes. This book would interest teacher educators, teachers, and school administrators.

T&T Clark Handbook of Jesus and Film Richard Walsh,2021-01-14 The T&T Clark Handbook of Jesus and Film introduces postgraduate readers to the critical field of Jesus and/on film. The bulk of biblical films feature Jesus, as protagonist, in cameo, or as a looming background presence or pattern. The handbook assesses the field in light of the work of important biblical film critics including chapters from the leading voices in the field and showcasing the diversity of work done by scholars in the field. Movies discussed include *The Passion of the Christ*, *The King of Kings*, *Jesus of Nazareth*, *Monty*

Python's Life of Brian, Son of Man, and Mary Magdalene. The chapters range across two broad areas: 1) Jesus films, understood broadly as filmed passion plays, other relocations of Jesus, historical Jesus treatments, and Jesus adjacent cinema (privileging invented characters or “minor” gospel characters); and 2) other cinematic Jesuses, including followers who imitate Jesus devotionally or aesthetically, (Christian) Christ figures, antichrists, yet other messiahs, and competing Jesuses in a pluralist world. As one leaves the confines of Christian theology, the question of what a film or interpreter is doing with Jesus or Christ becomes something to be determined, not necessarily something traditional.

**NOLLYWOOD'S PATH TO ASCENSION: lessons From Hollywood's Rise** Oluwasegun Babatunde, 2023-08-31 The science is strong, but a test is only as good as the men carrying it out, was said by Valery Legasov in the Chernobyl Mini-series. The quote resonates with me, as do the words, Art pieces are as formidable as the quality of work, people, and resources drawn to bring them to life. Motion pictures are among the most radical art forms, and their role as sources of entertainment on both small and big screens speaks volumes. For more than a century, people have been making movies, and this trend will continue as long as people exist. In Nigeria's Nollywood, much has been accomplished, and much more is awaited. Therefore, the need to caution, educate, and take bold steps is greatly warranted. Nollywood's Path To Ascension (NPTA) aims to provide practical guidance and steps to reach the zenith.

**Storycraft** Jon Mayhew, Martin Griffin, 2019-10-22 Martin Griffin and Jon Mayhew's Storycraft: How to teach narrative writing is an inspiring and practical resource to support secondary school teachers in developing their students' creative writing. This book is not a style manual. Authors Martin Griffin and Jon Mayhew think there are plenty of those about. Instead, it picks apart the craft of narrative writing and equips teachers with activities designed to help their students overcome the difficulties they experience when tasked with creating something from nothing. Written by two fiction writers and English teachers with over forty years' combined experience in education, Storycraft packs in expert guidance relating to idea generation and the nature of story and provides off-the-peg writing prompts that teachers can immediately adopt and adapt in the classroom. The book breaks down the simple components that must be in place for a narrative to work the crafting of character, setting, shape and structure and shares fifty-one stimulating activities that will get students writing narratives regularly, more creatively and with greater confidence . Martin and Jon also include helpful advice in a chapter dedicated to the process of editing in which they provide activities designed to help students diagnose and improve misfiring narratives, and they close the book with invaluable tips for GCSE exam preparation written directly for students and with an impending creative writing exam in mind. Suitable for English teachers of students aged eleven to eighteen.

*Teaching Stephen King* A. Burger, 2016-04-08 Teaching Stephen King critically examines the works of Stephen King and several ways King can be incorporated into the high school and college classroom. The section on Variations on Horror Tropes includes chapters on the vampire, the werewolf, the undead monster, and the ghost. The section on Real Life Horror

includes chapters on King's school shooting novella *Rage*, sexual violence, and coming of age narratives. Finally, the section on Playing with Publishing includes chapters on serial publishing and *The Green Mile*, e-books, and graphic novels.
