

Libro Di Economia Aziendale

Federica Doni

Lezioni di economia aziendale Luigi Brusa, 2013-01-01

The History and Tradition of Accounting in Italy David Alexander, Stefano Adamo, Roberto Di Pietra, Roberta Fasiello, 2017-07-06 Italian accounting has a long and honourable tradition of theoretical and applied analysis of the accounting and reporting function, perceived and defined much more broadly than in the Anglo-Saxon tradition. The high point of this perhaps, is the creation of what is known as Economia Aziendale (EA). The antecedents, genesis and later developments are presented here in detail by highly knowledgeable specialists in the field. EA takes as a prerequisite the necessity of the business (entity/azienda) to ensure its own long-run survival. This requires that the necessary resources are retained and preserved, so operating capital maintenance, by definition future-oriented, is essential. It requires a focus on the particular business organization, entity-specific and consistent with today's notion of the business model. Entity-specific information relevant to current and future cash flows is a necessary pre-requisite for ensuring long-run survival, which historical cost accounting, or fair value (being market-specific not entity-specific) satisfactorily achieve. Flexibility of valuation and of reporting, always relevant to the specific asset at the specific time in the specific place, is a necessary condition for effective management. This is exactly the focus of EA and its analysis and tradition. Scholars and advanced students of international regulation and accounting, as well as accounting history, will find this an invaluable guide to a vibrant, scholarly tradition of great practical relevance today.

Blue Desire Connie Furnari, 2020-12-19 BLUE DESIRE di Connie Furnari Genere: Romance Romanzo autoconclusivo in volume unico «Puoi comprare le altre donne, con i tuoi maledetti milioni di dollari, ma non me. Io non sono in vendita. Non sono un giocattolo che puoi usare per divertirti, per poi gettarlo via quando ti sarai stancato.» «La tua testardaggine non fa che rendere tutto molto più eccitante, Piper. Ottengo sempre tutto quello che voglio. E ho deciso che voglio te, ma non sei un capriccio. Ti desidero più di chiunque altra, perché riesco a scatenare la tua parte più perversa, che non hai mai mostrato a nessun altro. Tranne che a me. Tu mi appartieni già.» Per una lunga estate, Piper è costretta a lavorare come cameriera in un lussuoso resort delle Bahamas, a servizio del suo capo, una donna sadica e snob, per mantenere il padre e la sorella nel

Kansas, ricoverati in due comunità di recupero per alcolisti e tossicodipendenti. Ben presto, Piper si ritrova a dover tenere a bada gli uomini in vacanza e pieni di soldi che vogliono approfittarsi di lei, attratti dalla sua bellezza e dalla sua giovinezza. Al resort Blue Desire conosce Jordan Hampton, uno dei tanti milionari in cerca di donne. Bellissimo e presuntuoso, surfista atletico e amante del lusso, non è disposto a cedere ai suoi rifiuti, anzi sembra deciso a giocare con lei, mettendola di continuo in difficoltà e in imbarazzo. I loro incontri parecchio piccanti subiranno una svolta quando Jordan proverà ad assumerla come cameriera personale, per ovvi motivi. Durante quell'estate movimentata, Piper proverà la passione che non ha mai provato, grazie a un uomo spregiudicato e seducente, che la farà cambiare. Impregnato dal sapore salmastoso dell'oceano e delle spiagge assolate, Blue Desire è un romance hot, con una storia d'amore piccante, per un'estate bollente e al peperoncino.

Pensiero e approccio strategico. Patrimonio comune dell'impresa Marco Vitale ,2025-07-03 In un periodo caratterizzato da incertezze e turbolenze, la strategia emerge come faro essenziale per le imprese che aspirano a prosperare. Per questo motivo oggi è importante portare avanti una riflessione profonda sul modo in cui psicologia, organizzazione e strategia si intrecciano, fornendo un modello innovativo per affrontare le sfide contemporanee e abbracciando l'incertezza come opportunità di crescita. Il lettore viene guidato attraverso il significato di un approccio strategico condiviso che incoraggia la partecipazione attiva e la creatività di tutti i membri dell'organizzazione per valorizzare l'impresa come comunità di persone, capace di mobilitare energie e risorse per un bene comune. Una guida indispensabile per chi desidera non solo comprendere, ma anche praticare un'arte strategica in continua evoluzione.

The Origins of Accounting Culture Massimo Sargiacomo,Stefano Coronella,Chiara Mio,Ugo Sostero,Roberto Di Pietra,2018-05-11 The Origins Of Accounting Culture aim at studying the origins of the accounting culture in Venice, with a specific focus on accounting education. The period covered by the work ranges from Luca Pacioli to the foundation (in 1868) of the Royal Advanced School of Commerce (Regia Scuola Superiore di Commercio), that in 2018 is celebrating its 150 anniversary as Ca' Foscari University of Venice. Ever since the Middle Ages, Venice was home of a number of favourable circumstances that have been accumulating over the years. As a trading city par excellence, Venice allowed the spreading of the bookkeeping at first among firms and then in the public administration that was much in need of sophisticated accounting principles for the purpose of controlling its activities. Venice was among the first cities to implement Gutenberg

print method and it quickly became the most important city in the world in the publishing industry, allowing printing and spreading the first handbooks about double-entry bookkeeping and merchant studies. The Origins Of Accounting Culture goes beyond the study of Luca Pacioli and tackles in a more organic and holistic way the social and economic conditions that allowed the accounting culture to spread in Venice. This book will be a vital resource to academics and researchers in the fields of Accounting, Accounting History, Economic Development and related disciplines.

Il libro del fund raising Henry Rosso,Eugene Tempel,Valerio Melandri,2013-09-02 L'attività di fund raising costituisce uno dei momenti fondamentali della vita di molte organizzazioni che operano nel non profit, indipendentemente dalle loro dimensioni o dall'ambito in cui queste decidano di agire: soltanto attraverso una raccolta fondi efficiente, infatti, sono possibili la sopravvivenza e lo sviluppo di un ente senza fini di lucro e, quindi, in ultima analisi, il raggiungimento dei suoi scopi. Il libro di Hank Rosso, presentato per la prima volta ai lettori italiani nella sua seconda edizione - curata da Eugene R. Tempel e, per il nostro paese, da Valerio Melandri - è internazionalmente considerato il volume fondamentale in materia di raccolta fondi per le organizzazioni no profit. Il testo illustra tutti i fondamenti concettuali della figura del fundraiser: attraverso numerosi esempi pratici, esamina i principi e le metodologie alla base della professione. Affronta le tecniche di pianificazione e selezione delle strategie per tutte le attività e gli strumenti della raccolta fondi: dalla costruzione della buona causa alla negoziazione con i donatori, fino alla gestione di un database o di una campagna di raccolta, senza tralasciare il dibattito sull'aspetto etico.

Viral marketing Alessia Camera,Michele Pagani,2019-06-28T00:00:00+02:00 Il digitale ci ha permesso di cogliere opportunità uniche per sviluppare idee di marketing. La facilità con cui alcune idee arrivano sulla bocca di tutti ci può spingere a credere si tratti di una strategia semplice da sviluppare, tanto che sono in molti a essere convinti che possano bastare un video e un pizzico di social media per scatenare una valanga chiamata virale. Tutto questo, però, non consiste nell'applicazione di formule, trucchi o segreti e non arriva dalla spesa di ingenti budget in comunicazione e marketing. O forse sì, ma non basta. Il virale nasce dalla conoscenza profonda del proprio brand e del mercato. Può essere progettato con l'analisi del comportamento online e l'applicazione di metriche e processi, tutti elementi alla base dei prodotti digitali. Ma resta un'eventuale conseguenza di un progetto ben più ampio, come una ciliegina perfetta su una torta curata nei dettagli. In questo libro non troverete delle risposte certe su come sbloccare il virale, ma un insieme di strategie e casi studio che rispondono all'ambizioso obiettivo di fare chiarezza sul significato di marketing virale in un mondo che cambia alla velocità della luce.
