And she definitely never imagined she would accept. But when she realizes that immersing herself in her grandmother's society might mean discovering the answer to the biggest mystery of her life—her father's identity—she signs on the dotted line and braces herself for a year of makeovers, big dresses, bigger egos, and a whole lot of bless your heart. The one thing she doesn't expect to find is friendship, but as she's drawn into a group of debutantes with scandalous, dangerous secrets of their own, Sawyer quickly discovers that her family is not the only mainstay of high society with skeletons in their closet. There are people in her grandmother's glittering world who are not what they appear, and no one wants Sawyer poking her nose into the past. As she navigates the twisted relationships between her new friends and their powerful parents, Sawyer's search for the truth about her own origins is just the beginning. **Looking for more unputdownable reads from Jennifer Lynn Barnes?
