

Masjid Umayyad Damascus Syria

Umberto Scerrato

The Great Mosque of Damascus Finbarr Flood, 2021-07-26 The celebrated Great Mosque of Damascus was built in the early eighth century by the Umayyad caliph al-Walid b. 'Abd al-Malik. This book provides a detailed study of this Mosque. Using textual, visual, and archaeological evidence, the author attempts to reconstruct some of the basic formal and decorative features of the Umayyad mosque, to locate it within its broader urban context, and to consider its role within al-Walid's unprecedented programme of architectural patronage. The work explores the intracultural and intercultural functions of religious architecture within an official visual discourse intended to project a distinctive Muslim identity in a manner determined by Umayyad political aspirations. It will be of particular interest to those concerned with the relationship between the Umayyad caliphate and Byzantium.

Islamic Piety in Medieval Syria Daniella Talmon-Heller, 2007 A study of the religious thought and practice of Muslims of all social echelons in Syria during the crusades and the anti-Frankish jihad, this book offers an intimate and complex analysis of the texture of medieval Islamic piety.

Saintly Spheres and Islamic Landscapes Daphna Ephrat, Ethel Sara Wolper, Paulo G. Pinto, 2020-12-07 *Saintly Spheres and Islamic Landscapes* explores the creation, expansion, and perpetuation of the material and imaginary spheres of spiritual domination and sanctity that surrounded Sufi saints and became central to religious authority, Islamic piety, and the belief in the miraculous. The cultural and social constructs of Islamic sainthood and the spatial inscription of saintly figures have fascinated and ignited scholars across a range of disciplines. By bringing together a broad scope of perspectives and case studies, this book offers the reader the first comprehensive, albeit variegated, exposition of the evolution of saintly spheres and the emplacements of spiritual power in the Muslim world across time and place. Contributors: Angela Andersen, Irit Back, Devin DeWeese, Daphna Ephrat, Jo-Ann Gross, Nathan Hofer, Ayfer Karakaya-Stump, Sara Kuehn, Bulle Tuil Leonetti, Silvia Montenegro, Alexandre Papas, Paulo G. Pinto, Fatima Quraishi, Eric Ross, Itzhak Weismann, Pnina Werber, and Ethel Sara Wolper.

The Islamic World Andrew Rippin, 2013-10-23 The Islamic World is an outstanding guide to Islamic faith and culture in all its geographical and historical diversity. Written by a distinguished international team of scholars, it elucidates the history, philosophy and practice of one of the world's great religious traditions. Its grounding in contemporary scholarship makes it

an ideal reference source for students and scholars alike. Edited by Andrew Rippin, a leading scholar of Islam, the volume covers the political, geographical, religious, intellectual, cultural and social worlds of Islam, and offers insight into all aspects of Muslim life including the Qur'an and law, philosophy, science and technology, art, literature, and film and much else. It explores the concept of an 'Islamic' world: what makes it distinctive and how uniform is that distinctiveness across Muslim geographical regions and through history?

The Ayyubid Era. Art and Architecture in Medieval Syria Abd al-Razzaq Moaz, , , , , , , Yasser Tabbaa, Zina Takieddine, Verena Daiber, Dina Bakkour, Wa'al Hafian, Haytham Hasan, Balázs Mayor, Benjamin Michaudel, 2015 This new MWNF Travel Book was conceived not long before the war started. All texts refer to the pre-war situation and are our expression of hope that Syria, a land that witnessed the evolution of civilisation since the beginnings of human history, may soon become a place of peace and the driving force behind a new and peaceful beginning for the entire region. Bilad al-Sham testifies to a thorough and strategic programme of urban reconstruction and reunification during the 12th and 13th centuries. Amidst a period of fragmentation, visionary leadership came with the Atabeg Nur al-Din Zangi. He revived Syria's cities as safe havens to restore order. His most agile Kurdish general, Salah al-Din (Saladin), assumed power after he died and unified Egypt and Sham into one force capable of re-conquering Jerusalem from the Crusaders. The Ayyubid Empire flourished and continued the policy of patronage. Though short-lived, this era held long-lasting resonance for the region. Its recognisable architectural aesthetic – austere, yet robust and perfected – survived until modern times. The Ayyubid Era: Art and Architecture in Medieval Syria describes eight thematic Itineraries including, among others, the cities of Damascus, Bosra, Homs, Hama, Aleppo and Raqqa.

Architectural Type and Character Samir Younés, Carroll William Westfall, 2022-01-31 Architectural Type and Character provides an alternative perspective to the current role given to history in architecture, reunifying architectural history and architectural design to reform architectural discourse and practice. Historians provide important material for appreciating buildings and guiding those who produce them. In current histories, a building is the product of a time, its form follows its function, irresistible influences produce it, and style, preferably novel, is its most important attribute. This book argues for an alternative. Through a two-part structure, the book first develops the theoretical foundations for this alternative history of architecture. The second part then provides drawings and interpretations of over one hundred sites from different times and places. Architectural Type and Character: A Practical Guide to a History of Architecture is an excellent desk reference and studio guide for students and architectures alike to understand, analyze, and create buildings.

The World's Great Wonders Lonely Planet, 2014-08-01 Lonely Planet: The world's leading travel guide publisher* Go beyond the visual spectacle of the world's 50 greatest wonders, and discover what makes them such amazing places. March 2012-January 2013 Important Notice: The digital edition of this book may not contain all of the images found in the physical edition.

Shrines of the 'Alids in Medieval Syria Stephennie Mulder, 2019-08-06 This book explores the relationship between Sunnis and Shi'is as expressed in the patronage and architecture of shrines, and links them to the wider, pan-Islamic landscape of interconnected pilgrimage sites created from these acts of patronage.

Jihadism Nirode Mohanty, 2018-09-15 Jihad (struggle) is a holy war to defend Islam against non-believers and non-Muslims. Jihadists are holy warriors. The intellectual father of jihadist Islamism, Sayyid Qutb, who was executed in Cairo in 1966, made the message crystal clear: Jihadism (jihadist terrorism) is a “permanent Islamic world revolution” aimed at decentering the West to establish “Hakimiyyat Allah,” or God’s rule, on a global scale. This book narrates the evolution of jihadism (jihadist terrorism) in the past centuries and its impact on the world as an existential threat to the humanity in view of worldwide terrorist attacks with its aggression, barbarity, burning alive of human beings, kidnapping, and savagery while imperiling the democracy, secularism, plurality, freedom, and security of the civilized world. In the last seventy years, radical Islamists have won in many places and many times because of the two world wars and the Cold War. But the recent years have shown new levels of gruesome and ghastly activity. Most Muslims of the world (numbering 1.6 billion people total) condemn these atrocious deaths and are peaceful. They feel their religion is hijacked by a few radicals. After September 11, 2001, the former president George Bush declared “the face of terror is not the true faith of Islam. That’s not what Islam is all about. Islam is peace. These terrorists don’t represent peace. They represent evil and war.” The leading Muslim country, Egypt, is fighting terrorism unrelentingly with full force. However, the rise of Islamic terrorism in the UK, Belgium, France, Somalia, the Philippines, Afghanistan, and other places in Asia, the Middle East, and Africa is a great threat to the mankind. The radical Islamists consider the American invasion of Afghanistan in 2001 and Iraq in 2003 to be a war against Islam. These events helped to create a resurgence of radical Islam from Indonesia to Iran to secular Turkey. Jihad in the Muslims’ holy book, the Koran, refers to inner strife, but for centuries radicals have misconstrued it to mean a violent, brutal war against nonbelievers. The Taliban, Al Qaeda, ISIS terrorists claim they are true Islamic jihadists.

From Anatolia to Bosnia: Perspectives on Pendentive Dome Mosque Architecture (Penerbit USM) Ahmad

Sanusi Hassan, Spahic Omer, This book consists of eight topics which discusses on pendentive dome mosque architecture. It contributes architectural design knowledge which emphasizes on sustainable development based on Islamic perspective in the mosque architecture in Anatolia and Bosnia as well as in the Balkan region. The mosque design should become the model (primary reference) to other building designs because the design postures an act and intention of the man's prostration to the God's natural built environment. This book also discusses on Ottoman mosque architecture in Anatolia and its influence to the mosque design in Bosnia Herzegovina and the Balkan region. All topics are supported by either analytical or literature findings, which can benefit the future research, education and practices.

Art of Islam Titus Burckhardt, 2009-03-16 Islam.

Directory of Sacred Places Timothy Whittaker, 2006-01-01 This book contains a comprehensive list of Sacred Places from around the world.

Life is Patrick Hamilton Walsh, 2013-07-25 If I could have or do any three things in the world what would they be? This is the simple question that Patrick Hamilton Walsh asked himself at the age of 16. The answer to this question would lead him to living the life of his dreams. 'Life is' details, in an open and honest manner, the goals that Patrick set for himself as a 16-year-old and the mindset that he had to develop in order to achieve these goals. Upon the fulfilment of those early goals, Patrick set his sights on ever-greater goals, such as: - Travelling overland from London to Sydney - Breaking a Guinness World Record for a good cause - Owning a Porsche before age 30 - Swimming off the coast of every continent - Attending dinner with the President In 'Life is', Patrick details how he achieved his goals, gives an insight into each experience and details what he plans to do in the future. The final section of the book contains a surprising twist that everyone in this rat-race world will relate to. This is a book for anyone that carries unfulfilled potential or has a dream yet to be fulfilled. Ultimately, this is a book for anyone that has the desire to do more.

Sacred Places of a Lifetime National Geographic, 2008 A listing of five hundred sites new and old, famous and unknown, that have been used to connect humanity with its gods.

Rituals of Islamic Monarchy Andrew Marsham, 2009-05-31 This fascinating history explores the ceremony of the oath of allegiance to the caliph from the time of the Prophet Muhammad until the fragmentation of the caliphate in the late ninth and tenth centuries. The study of royal rituals of accession and succession in Christian Rome, Byzantium and the early Medieval West has generated an extensive literature. This has however remained unexplored in scholarship on the Islamic world. This book redresses that by examining the ceremonial of accession to the caliphate in early Islam, covering the following aspects of the subject: * The place of ritual in political practice * Changes and continuities in that practice * The problem of how best to understand accounts of ritual. It also offers a contribution to major, current debates in Islamic history: the development of

Arab-Muslim identity and the formation of the 'Islamic state'. It presents an accessible discussion of 'royal' ritual in early Islam which situates developments in the Islamic world in a late antique and early medieval context, adding an important comparative context to the book.

The Next New Syrian Girl Ream Shukairy, 2023-03-14 A Syrian American and Syrian refugee who are at odds must chase a haunting secret that leads them all the way to Jordan in this sharp-witted novel perfect for fans of *I Am Not Your Perfect Mexican Daughter*. Khadija Shami is a Syrian American high school senior raised on boxing and football. Saddled with a monstrous ego and a fierce mother to test it, she dreams of escaping her sheltered life to travel the world with her best friend. Leene Tahir is a Syrian refugee, doing her best to adjust to the wildly unfamiliar society of a suburban Detroit high school while battling panic attacks and family pressures. When their worlds collide the result is catastrophic. To Khadija, Leene embodies the tame, dutiful Syrian ideal she's long rebelled against. And to Leene, Khadija is the strong-willed, closed-off American who makes her doubt her place in the world. But as Khadija digs up Leene's past, a startling and life-changing discovery forces the two of them closer together. As the girls secretly race to unravel the truth, a friendship slowly and hesitantly begins blooming. Doubts are cast aside as they realize they have more in common than they each expected. What they find takes them on a journey all the way to Jordan, challenging what each knows about the other and herself. Fans of Samira Ahmed's *Love, Hate, and Other Filters* and Tahereh Mafi's *A Very Large Expanse Of Sea* will love Khadija and Leene's sharp-witted voices in this dual POV narrative. *The Next New Syrian Girl* is a poignant and timely blend of guilt, nostalgia, devotion, and bad-ass hijabees.

Islam Umberto Scerrato, 1976 This Graphic Novel Series features classic tales retold with attractive color illustrations. Educators using the Dale-Chall vocabulary system adapted each title. Each 70 page, softcover book retains key phrases and quotations from the original classics. Introduce literature to reluctant readers and motivate struggling readers. Students build confidence through reading practice. Motivation makes all the difference. What's more motivation than the expectation of success?

The Backpacker Who Sold His Supercar Patrick Hamilton Walsh, 2013-11-27 If I could have or do any three things in the world what would they be? This is the simple question that Patrick Hamilton Walsh asked himself at the age of 16. The answer to this question would lead him to living the life of his dreams. The Backpacker who sold his Supercar details, in an open and honest manner, the goals that Patrick set for himself as a 16-year-old and the mindset that he had to develop in order to achieve these goals. Upon the fulfillment of those early goals, Patrick set his sights on ever-greater goals, such as: - Travelling overland from London to Sydney - Breaking a Guinness World Record for a good cause - Owning a Porsche before age 30 - Swimming off the coast of every continent - Attending dinner with the President In this book, Patrick reveals how he achieved his goals, gives an insight into each experience and details what he plans to do in the future. The final section of the

book contains a surprising twist that everyone in this rat-race world will relate to. This is a book for anyone that carries unfulfilled potential or has a dream yet to be fulfilled. Ultimately, this is a book for anyone that has the desire to do more. The book tends to be the most informative as far as giving insight into bettering ones life ... it is Walshs positivity and enthusiasm for life that make this format work. The US Review of Books

The Cutting Edge of the Poet's Sword: Muslim Poetic Responses to the Crusades Osman Latiff, 2017-09-25 In this comprehensive analysis of Arabic poetry during the period of the crusades (sixth/twelfth-seventh/thirteenth centuries), Osman Latiff provides an insightful examination of the poets who inspired Muslims to unite in the jihād against the Franks. The Cutting Edge of the Poet's Sword not only contributes to our understanding of literary history, it also illuminates a broad spectrum of religiosity and the role of political propaganda in the anti-Frankish Muslim struggle. Latiff shows how poets, often used by the ruling elite to promote their rule, emphasised the centrality of Islam's holy sites to inspire the Muslim response to the occupation and later reconquest of Jerusalem, and expressed some surprising views of Frankish Christians.

The Caliph's Splendor Benson Bobrick, 2012-08-14 Traces the story of the celebrated late-eighth and early ninth-century caliph from The Thousand and One Nights against a backdrop of Baghdad's cosmopolitan culture and its complex influence on the Byzantine Empire and Frankish kingdom of Charlemagne.
