

What My Birthday Reveals About Me

SJ Ball

What Your Birthday Reveals About You Phyllis Vega,2005-10-01 Astrology meets numerology in this fascinating guide to the secrets of your birth date! Born on December 3rd? You're an ambitious, hardworking "idea person" and a dynamic leader. Born on December 14th? You're the "traveling salesperson" of the zodiac and a gifted marketer. All Sagittarians are charming, intelligent, and adventure-seeking—but which day of the month you're born on can determine the way in which you use those traits to your best advantage. In this exciting new book, master astrologer Phyllis Vega gives a detailed analysis for each birthday in the year, combining astrology and numerology to paint a true picture of the characteristics, desires, and destinies of people born on that day. If you were born October 5th, you're a skilled negotiator with a gift for making money. But if you were born just four days later, you're a compassionate dreamer with spiritual inclinations. Aries is the sign of the determined ram, but if you were born on April 7th, you are idealistic and inspiring. Discover what's revealed in this guide about you, your loved one, coworkers, or even your favorite celebrity in this entertaining, enlightening reference!

Cards of Your Destiny Robert Lee Camp,2014-01-01 Discover Your Future Priceless Information About Your Future...in Minutes Using just your birth date and an ordinary deck of cards, the new edition of Cards of Your Destiny will reveal the secrets of your future, inform your present, and explain your past. Based on a science once used by the ancient Egyptians, this in-depth but surprisingly simple fortune-telling system is a unique combination of astrology and numerology that can be mastered in a matter of hours. Robert Lee Camp is known throughout Hollywood for his accurate and insightful celebrity readings. Now, try his unique method for yourself and unlock the mysteries of your finances, career, travel, health, and personal relationships. Featuring new articles for advanced study, this book will help you find the answers to questions such as: •When will I have the Millionaire's Spread? •When will I meet someone new or get married? •When will I reach the pinnacle of success at work? •When will be a good time to sell my house? •Which people will be the most beneficial to me in the coming year? Find Your Birth Card Now Cards of Your Destiny is a guide to help you better understand how and why you create your life the way you do. This system is the key to unlocking the secrets of your past, present, and future.

One Last Time Helga Flatland,2021-04-24 Anne's diagnosis of terminal cancer shines a spotlight onto fractured relationships with her daughter and granddaughter, with surprising, heartwarming results. A moving, elegant and warmly

funny novel by the Norwegian Anne Tyler. 'Helga Flatland writes with such astuteness ... Her portrayal of a fractured family trying to cope through emotional personal circumstances was perfect. I devoured this in two sittings and was overwhelmed with feelings for the characters' Nina Pottell, Prima 'Sometimes you simply don't have words to express the beauty and experience of a book - this is one of them' Louise Beech _____ Anne's life is rushing to an unexpected and untimely end. But her diagnosis of terminal cancer isn't just a shock for her - and for her daughter Sigrid and granddaughter Mia - it shines a spotlight onto their fractured and uncomfortable relationships. On a spur-of-the moment trip to France the three generations of women reveal harboured secrets, long-held frustrations and suppressed desires, and learn humbling and heart-warming lessons about how life should be lived when death is so close. With all of Helga Flatland's trademark humour, razor-sharp wit and deep empathy, *One Last Time* examines the great dramas that can be found in ordinary lives, asks the questions that matter to us all - and ultimately celebrates the resilience of the human spirit, in an exquisite, enchantingly beautiful novel that urges us to treasure and rethink ... everything. For fans of Elena Ferrante, Maggie O'Farrell, Mike Gayle, Joanna Cannon, Sally Rooney and Carol Shields. _____ 'The most beautiful, elegant writing I've read in a long time. If you love Anne Tyler, you will ADORE this' Joanna Cannon 'Flatland is hailed as the Norwegian Anne Tyler, but, for me, she writes like Flatland, which is more than good enough' Saga 'A poignant and beautifully written story ... intimate, evocative and moving' Kristin Gleeson 'Helga Flatland possesses a pen made from fluent wisdom, subtle humour and elegance' Carol Lovekin 'Absolutely loved its quiet, insightful generosity' Claire King 'So perceptive and clever' Rónán Hession 'A thoughtful and reflective novel about parents, siblings and the complex - and often challenging - ties that bind them' Hannah Beckerman, Observer 'This is a super exploration of families that I'd urge you to read for the subtle prose, with well defined characters and a strong storyline' Sheila O'Reilly 'Love the sophistication, directness and tenderness of this book' Claire Dyer 'The most clear-eyed, honest, yet sympathetic examination of relationships that I have ever read' Sara Taylor 'The author has been dubbed the Norwegian Anne Tyler and for good reason ... If you love books about dysfunctional families, you'll love this' Good Housekeeping 'In quiet prose, Helga Flatland writes with elegance and subtle humour to produce a shrewd and insightful examination of the psychology of family and of loss' Daily Express

Boy Nobody Allen Zadoff, 2013-06-11 They needed the perfect assassin. Boy Nobody is the perennial new kid in school, the one few notice and nobody thinks much about. He shows up in a new high school in a new town under a new name, makes a few friends, and doesn't stay long. Just long enough for someone in his new friend's family to die of natural causes. Mission accomplished, Boy Nobody disappears, moving on to the next target. But when he's assigned to the mayor of New York City, things change. The daughter is unlike anyone he has encountered before; the mayor reminds him of his father. And when memories and questions surface, his handlers at The Program are watching. Because somewhere deep inside, Boy Nobody is somebody: the kid he once was; the teen who wants normal things, like a real home and parents; a young man who

wants out. And who just might want those things badly enough to sabotage The Program's mission. In this action-packed series debut, author Allen Zadoff pens a page-turning thriller that is as thought-provoking as it is gripping, introducing an utterly original and unforgettable antihero.

The Saturday Evening Post ,1925

Ebony ,1997-06 EBONY is the flagship magazine of Johnson Publishing. Founded in 1945 by John H. Johnson, it still maintains the highest global circulation of any African American-focused magazine.

No One Tells You This Glynnis MacNicol,2019-07-16 Featured in multiple “must-read” lists, *No One Tells You This* is “sharp, intimate...A funny, frank, and fearless memoir...and a refreshing view of the possibilities—and pitfalls—personal freedom can offer modern women” (Kirkus Reviews). If the story doesn’t end with marriage or a child, what then? This question plagued Glynnis MacNicol on the eve of her fortieth birthday. Despite a successful career as a writer, and an exciting life in New York City, Glynnis was constantly reminded she had neither of the things the world expected of a woman her age: a partner or a baby. She knew she was supposed to feel bad about this. After all, single women and those without children are often seen as objects of pity or indulgent spoiled creatures who think only of themselves. Glynnis refused to be cast into either of those roles, and yet the question remained: What now? There was no good blueprint for how to be a woman alone in the world. It was time to create one. Over the course of her fortieth year, which this “beguiling” (The Washington Post) memoir chronicles, Glynnis embarks on a revealing journey of self-discovery that continually contradicts everything she’d been led to expect. Through the trials of family illness and turmoil, and the thrills of far-flung travel and adventures with men, young and old (and sometimes wearing cowboy hats), she wrestles with her biggest hopes and fears about love, death, sex, friendship, and loneliness. In doing so, she discovers that holding the power to determine her own fate requires a resilience and courage that no one talks about, and is more rewarding than anyone imagines. “Amid the raft of motherhood memoirs out this summer, it’s refreshing to read a book unapologetically dedicated to the fulfillment of single life” (Vogue). *No One Tells You This* is an “honest” (Huffington Post) reckoning with modern womanhood and “a perfect balance between edgy and poignant” (People)—an exhilarating journey that will resonate with anyone determined to live by their own rules.

Things Don't Break on Their Own Sarah Easter Collins,2025-04-29 “So, so, so good. An elegant, twisting story of loss and longing, of the ache of the unknown and the drowning weight of past trauma.”—Chris Whitaker, New York Times bestselling author of *All the Colors of the Dark* EDGAR AWARD FINALIST • A BOOKPAGE BEST BOOK OF THE YEAR • A WASHINGTON POST AND BLOOMBERG BEST BOOK OF THE SEASON A heart-wrenching mystery about sisters, lovers, and a dinner party gone wrong. Twenty-five years ago, a young girl left home to walk to school. Her younger sister soon followed.

But one of them arrived, and one of them didn't. Her sister's disappearance has defined Willa's life. Everyone thinks her sister is dead, but Willa knows she isn't. Because there are some things that only sisters know about each other—and some bonds only sisters can break. Willa sees fragments of her sister everywhere—the way that woman on the train turns her head, the gait of that woman in Paris. If there's the slightest resemblance, Willa drops everything, and everyone, and tries to see if it is her. When Willa is invited to a dinner party thrown by her first love, she has no reason to expect it will be anything other than an ordinary evening. Both of them have moved on, ancient history. But nothing about Willa's life has been ordinary since the day her sister disappeared, and that's not about to change tonight. Sarah Easter Collins has written an extraordinary novel about memory, lost love, and long-buried secrets that sometimes see the light of day.

No Phones in Heaven Gregory Haydel, 2019-11-18 *No Phones in Heaven* is about two different families. The first family is from south Louisiana. This family of four is very loving and caring for each other, and it shows in every way. Janet is a beautiful six-year-old girl that is looking forward to her seventh birthday. A tragic accident puts Janet in the hospital, and a miracle needs to happen to save her life. The doctors are confident that Janet will live a long life if she can survive the next forty-eight hours. Janet's family and friends are praying for her to recover as soon as possible. Janet struggles to hold on to her life, and that's when she dreams of heaven, and what happens next is a miracle that is believable for the faithful who trusts in God. This story will keep hope alive. The other family is from southeast Texas, and being a large family with many characters, it will give a story of vivid pictures through the pages. The main character's name is Trent, and he is looking forward to retiring in a few weeks. Trent's children are very proud of their dad. They are concerned of their dad's well-being because their mother, his wife, died of breast cancer two years ago. The children give a ticket for a seven-day cruise as Trent's birthday present in the hopes that Trent will find a good woman to share his retirement years. This book will make you laugh, cry, and wish for a miracle.

I Am What God Says I Am Shaunte' Reese Smith ~Godschosenqueen~, 2009-08-19 UP until this very moment in my life, I have searched for answers to the biggest questions of why. Why am I so fat? Why can't he love me? Why am I not successful? Why did he leave me? Why was I even born? Why was I raped? Why am I not pretty enough? Why was I a singled teenage parent? Lord why have you forsaken me? LordYJust why? I am just not enoughYI will never meet the markY On July 19th of 2008 while I was napping early in the evening beside my husband, the Lord spoke to me in my sleep and said to meYit=s time for you to move from the Not enough AThinking@ to More Than Enough ALiving @Y And so Healing BeginsY

"Toubab La!" Literary Representations of Mixed-Race Characters in the African Diaspora Ginette Curry, 2009-05-05 The

book is an examination of mixed-race characters from writers in the United States, The French and British Caribbean islands (Martinique, Guadeloupe, St. Lucia and Jamaica), Europe (France and England) and Africa (Burkina Faso, South Africa, Botswana and Senegal). The objective of this study is to capture a realistic view of the literature of the African diaspora as it pertains to biracial and multiracial people. For example, the expression “Toubab La!” as used in the title, is from the Wolof ethnic group in Senegal, West Africa. It means “This is a white person” or “This is a black person who looks or acts white.” It is used as a metaphor to illustrate multiethnic people’s plight in many areas of the African diaspora and how it has evolved. The analysis addresses the different ways multiracial characters look at the world and how the world looks at them. These characters experience historical, economic, sociological and emotional realities in various environments from either white or black people. Their lineage as both white and black determines a new self, making them constantly search for their identity. Each section of the manuscript provides an in-depth analysis of specific authors’ novels that is a window into their true experiences. The first section is a study of mixed race characters in three acclaimed contemporary novels from the United States. James McBride’s *The Color of Water* (1996), Danzy Senna’s *Caucasia* (1998) and Rebecca Walker’s *Black White and Jewish* (2001) reveal the conflicting dynamics of being biracial in today’s American society. The second section is an examination of mixed-race characters in the following French Caribbean novels: Mayotte Capécia’s *I Am a Martinican Woman* (1948), Michèle Lacrosil’s *Cajou* (1961) and Ravines du Devant-Jour (1993) by Raphaël Confiant. Section three is about their literary representations in Derek Walcott’s *What the Twilight Says* (1970), *Another life* (1973), *Dream on Monkey Mountain* (1967) and Michelle Cliff’s *Abeng* (1995) from the British Caribbean islands. Section four is an in-depth analysis of their plight in novels written by contemporary mulatto writers from Europe such as Marie N’Diaye’s *Among Family* (1997), Zadie Smith’s *White Teeth* (2000) and Bernardine Evaristo’s *Lara* (1997). Finally, the last section of the book is a study of novels from West African and South African writers. The analysis of Monique Ilboudo’s *Le Mal de Peau* (2001), Bessie Head’s *A Woman Alone: Autobiographical Writings* (1990) and Abdoulaye Sadjì’s *Nini, Mulâtresse du Sénégal* (1947) concludes this literary journey that takes the readers through several continents at different points in time. Overall, this comprehensive study of mixed-race characters in the literature of the African diaspora reveals not only the old but also the new ways they decline, contest and refuse racial clichés. Likewise, the book unveils how these characters resist, create, reappropriate and revise fixed forms of identity in the African diaspora of the 20th and 21st century. Most importantly, it is also an examination of how the authors themselves deal with the complex reality of a multiracial identity.

Fun, 1865

Decoding the Enigma Robert M Chell, Jane Cooper, M.A., 2006-08 Finally-a strategic guide for men about menopause! When it comes to this confusing time in a woman's life, men around the globe continually ask the following questions: what is menopause, who is this menopausal woman, how long does this menopause thing last, and most importantly, what strategies

can a male use to deal with these issues? *Decoding the Enigma: His Guide to Her Menopause* provides clear answers to these questions-and many more-from a nonmedical perspective by offering manageable approaches that can be implemented throughout the menopausal process. Psychologists Robert M. Chell, PhD, and Jane Cooper, MA, dispel commonly-held myths about menopause, including the myth that menopause begins during middle age. Many women in their midthirties begin the process known as perimenopause, the first phase of menopause. Therefore, menopause is not the sole dominion of the aging matron. Women experience menopause differently. There are some who are symptom-free and others who suffer a myriad of physiological and psychological reactions. *Decoding the Enigma* provides strategies for men that are specific to and consistent with the unique temperament and orientations of the women in their lives.
