Sensual Love Secrets for Couples Al Link, Pala Copeland, 2007 Is it possible to stir up passion after the flames of romantic love die down? How can one maintain a loving relationship that satisfies and stimulates year after year? Sensual Love Secrets for Couples offers one simple solution for stoking the fires of lifelong intimacy: awakening and uniting the Body, Mind, Heart, and Soul. These four freedoms-the essence of human nature-have the power to transform a lusterless partnership into a divine union sparkling with limitless pleasure and unconditional love. Featuring over one hundred exercises and fun activities, this practical guide helps readers explore the physical senses, establish trust, cultivate emotional intimacy, achieve sacred sex, embrace commitment, pledge selfless intentions, and build spiritual bonds to last a lifetime.

Love in America Lawrence R. Samuel,2019-11-29 Widely considered the most complex of human emotions, romantic love both shapes and reflects core societal values, its expression offering a window into the cultural zeitgeist. In popular culture, romantic love has long been a mainstay of film, television and music. The gap between fictitious narratives of love and real-life ones is, however, usually wide--American's expectations of romance and affection often transcend reality. Tracing the history of love in American culture, this book offers insight into both the national character and emotional nature.

The Sex-Starved Wife Michele Weiner Davis,2008-12-30 Arguing against popular misconceptions that blame women for unfulfilling sexual relationships, a practical guide identifies the biological and psychological factors that compromise a man's sex drive while suggesting practical strategies for promoting healthier levels of intimacy.

Love for a Lifetime Mary Hance,2011-02-21 Every couple for whom marriage is forever unearths nuggets of wisdom along the way. In *Love for a Lifetime: Daily Wisdom and Wit for a Long and Happy Marriage*, columnist Mary Hance shares a wealth of golden tips, collected far and wide from young couples just setting out to those whose wedding vows still echo through half a century and more. Here are a few: "Throw the word fair out the window. In one year of a marriage, one person may need 99 percent of the love, effort, or focus of the other; another year, it may be just the opposite." "What my father always told me when I was planning my wedding: 'You have to want to have a marriage, not just a wedding. Remember the difference.'" "Learn fast that the grass is not greener on the other side of the fence!" "After several years of marriage, there is no way I'm training another husband, so I will just keep the one I have!"

Emotional Fitness for Intimacy Barton Goldsmith,2009-04-02 Emotional Fitness for Intimacy offers simple, engaging techniques couples in long-term relationships can use to sustain that spark, build deeper intimacy, and reinvigorate their love.

101 Nights (Volume One) SE Reign, 2016-09-24 Includes serials one through three in the erotic romance 101 Nights Series. The Cinderella story that captured the world ... A bad boy billionaire prince A woman from the projects of New York He needs a fiancé to inherit the throne She needs a benefactor to save her community Their deal: his money and influence in exchange for her body - and her absolute submission to every one of his sexual whims. Their challenge: never falling in love. Tie me. Tease me. Take me. Love me?

Her Kind of Want Jennifer S. Davis, 2002-08-21 Set mainly in the small towns of Alabama, the stories in *Her Kind of Want* ache with the relentless longing of the poor, struggling, usually discarded southern women who tell us their lives—lives that seem to revolve around men whose only presence is their absence. Bebe, Luna, Melly, Little Hula, Dena. These are just a few of the women we meet in Jennifer Davis's award-winning collection. Women who married too fast, had children too young, and drink too much. Yet beneath their unpolished exteriors, these women are flesh and blood, and their wants and needs are as severe and deep as any. Davis's characters relate their stories in voices as complex and raw as their southern environment. Each tale may sound slightly familiar—an unwanted pregnancy, a fast car flying down a country road—but Davis moves beyond the familiar stories of the rural South to expose the gaps that connect these women, creating startlingly real and vibrant characters. Although often bleak and sometimes disturbing, *Her Kind of Want* is a celebration of southern people, their perseverance, their spirit, and their determination to make the ugly beautiful.

101 Nights (Volume Two) SE Reign, 2016-09-24 Includes serials four through seven in the erotic romance 101 Nights Series. The Cinderella story that captured the world ... A bad boy billionaire prince ... A woman from the projects of New York ... He needs a fiancé to inherit the throne. She needs a benefactor to save her community. Their deal: his money and influence in exchange for her body - and her absolute submission to every one of his sexual whims. Their challenge: never falling in love. Tie me. Tease me. Take me. Medieval Iberian Crusade Fiction and the Mediterranean World David A. Wacks, 2019-07-15 Reading crusader fiction against the backdrop of Mediterranean history, this book explains how Iberian authors reimagined the idea of crusade through the lens of Iberian geopolitics and social history. The crusades transformed Mediterranean history and inaugurated complex engagements between Western Europe, the Balkans, North Africa, and the Middle East in ways that endure to this day. Narratives of crusades powerfully shaped European thinking about the East and continue to influence the representation of interactions between Christian and Muslim states in the region. The crusade, a French idea that gave rise to Iberian, North African, and Levantine campaigns, was very much a Mediterranean phenomenon. French and English authors wrote itineraries in the Holy Land, chronicles of the crusades, and fanciful accounts of Christian knights who championed the Latin Church in the East. This study aims to explore the ways in which Iberian authors imagined their role in the culture of

crusade, both as participants and interpreters of narrative traditions of the crusading world from north of the Pyrenees.
