**The Buddha and the Badass** Vishen Lakhiani, 2025-05-20 NEW YORK TIMES, USA TODAY, AND #1 WALL STREET JOURNAL BESTSELLER • Forget hustling. This book, from the author of *The Code of the Extraordinary Mind*, will disrupt your deeply held beliefs about work, success, and, indeed, life. If you're the average person in the developed world, you spend 70 percent of your waking hours at work. And if you're the average person, you're miserable for most of those hours. This is simply not an acceptable state of affairs for your one shot at life. No matter your station, you possess incredible unique powers. It's a modern myth that hard work and hustle are the paths to success. Inside you is a soul. And once you unleash it fully into the domain of work, magic happens. Awakening the Buddha and the Badass inside you is a process that will disrupt the way you work altogether. You'll gain access to tools that bend the very rules of reality. • The Buddha is the archetype of the spiritual master. The person who can live in this world but also move with an ease, grace, and flow that comes from inner awareness and alignment. • The Badass is the archetype of the changemaker. This is the person who is out there creating change, building, coding, writing, inventing, leading. The badass represents the benevolent disruptor—the person challenging the norms so we can be better as a species. Once you integrate the skill sets of both archetypes, you will experience life at a different level from most people. You will operate from a space of bliss, ease, inspiration, and abundance. *The Buddha and the Badass: The Secret Spiritual Art of Succeeding at Work* will show you how. Author of the New York Times bestseller *The Code of the Extraordinary Mind* and founder of Mindvalley, Vishen Lakhiani has turned his own life and company into his research lab. He's codified everything he's learned into the how-to steps in this book. *The Buddha and the Badass* teaches you how to master your work and your life.

Winner of a 2020 Catholic Press Association book award (honorable mention, backlist beauty). In this edgy, honest, and often audacious book of Catholic spirituality, blogger and popular podcaster Maria Morera Johnson explores the qualities of twenty-four holy women who lived lives of virtue in unexpected and often difficult circumstances. **Choose Your Story, Change Your Life** Kindra Hall, 2022-01-11 The things we tell ourselves affect how well or poorly our path in life goes. It's time to flip the script on the internal stories you tell yourself and live life on your terms. Most of the "self-stories" you tell yourself—the kind of person you say you are and the things you are capable of—are invisible to you because they have become such a part of your everyday mental routine that you don't even recognize they exist. Yet, these self-stories influence everything you do, everything you say, and everything you are. Choose Your Story, Change Your Life will help you take complete control of your self-stories and create the life you've always dreamed you'd have. Author Kindra Hall offers up a new window into your psychology, one that travels the distance from the frontiers of neuroscience to the deep inner workings of your thoughts and feelings. In Choose Your Story, Change Your Life, Kindra will help you: Uncover the truth of how you have created the life you have; Challenge everything you think you know about how your life has been built; Uncover the clear steps you can take to create the life you want; Take control of your self-story to become the author of who you are; and Live your life in a way you never have before. This eye-opening, but applicable journey will transform you from a passive listener of these limiting, unconscious thoughts to the definitive author of who you are and everything you want to be. Changing your life is as simple as choosing better stories to tell yourself. If you can change your story, you can

change your life.

**Code Name: Phoenix** Luna Kayne, 2023-06-05 A HACKER ON THE RUN, CAUGHT BETWEEN AN OBSESSIVE MADMAN AND A LOVER WHO THINKS SHE'S DEAD. Hunted from both sides of the law, Jessa is a hacker in hiding in this intense, action-packed romance that ignites on the first page and never lets up. Once the secrets come out, not everyone will end up on the same side they started on. CODE NAME: PHOENIX I lost Jessa ten years ago, when her family was killed by a sadistic psycho. Her body was never found, and I vowed vengeance. Imagine my shock when my security team shows up to capture that same monster's hacking team—and she comes to the door. It pales in comparison to the rage that consumes me when she chooses to run. I thought I lost her then. Now, I'll never let her go. TARGET: JESSA I lost Jack when my family was murdered and I was forced into hiding. I searched for him for years only to be told he moved on and was living the perfect life with a new family while I fought to stay alive. Then he shows up, telling me everything I thought I knew about him was a lie, but this changes nothing. I'm still being hunted by someone I once trusted, and if I don't recover the code I need, I'll never be free. There's only one problem: it's hidden in the one place I can't hack into, my own mind, and time is running out. \*Contains language, violence, and the recollection of torture/ sexual assault (contained to one section of a chapter, not between main characters - full warning noted prior to prologue and in support of the plot). Code Name: Phoenix is the first book in a brand new, interconnected standalone series titled Cypher Black Ops Security (ex military / various law enforcement, now secret ops team members). Each book in the series is a standalone and can be read on its own. Some characters may appear in other stories in the series.
