**City of Thieves (Battle Dragons #1)** Alex London, 2021-09-21 In a modern mega-city built around dragons, one boy gets caught up in the world of underground dragon battles and a high-stakes gang war that could tear his family apart. Once, dragons nearly drove themselves to extinction. But in the city of Drakopolis, humans domesticated them centuries ago. Now dragons haul the city's cargo, taxi its bustling people between skyscrapers, and advertise its wares in bright, neon displays. Most famously of all, the dragons battle. Different breeds take to the skies in nighttime bouts between the infamous kins—criminal gangs who rule through violence and intimidation. Abel has always loved dragons, but after a disastrous showing in his dragon rider's exam, he's destined never to fly one himself. All that changes the night his sister appears at his window, entrusting him with a secret...and a stolen dragon. Turns out, his big sister is a dragon thief! Too bad his older brother is a rising star in Drakopolis law enforcement... To protect his friends and his family, Abel must partner with the stolen beast, riding in kin battles and keeping more secrets than a dragon has scales. When everyone wants him fighting on their side, can Abel figure out what's worth fighting for?

*City of Secrets (Battle Dragons #3)* Alex London, 2023-03-07 In a modern mega-city built around dragons, one boy gets caught up in the world of underground dragon battles and a high-stakes gang war that could tear his family apart. Banished from Drakopolis to the desolate frontier town of Glassblower's Gulch, Abel and his family must face a harsh new reality: life without dragons. Far from the lights and lizards of the megacity, Abel's new home effectively bans the great beasts. Anyone caught smuggling dragons is hauled away by the ruthless sheriff and her fearsome deputies. They have the only dragons in town, and they run the dreaded dragon rodeo, which pits those who fall afoul of the sheriff's "justice" against a wild dragon in a competition for their freedom. It's dragon versus human and only one can win. Cut off from his friends and desperate to keep his fractious family together, Abel is determined not to break a single rule, even though the sheriff has it out for him. He's going to be a model citizen. Then he discovers the baby wyvern. It's a tiny, defenseless thing—and it definitely won't survive without his help. Abel has made it his mission to aid any dragon that needs him. But what is he willing to risk for a baby wyvern in a town without mercy?

**City of Speed (Battle Dragons #2)** Alex London, 2022-08-02 In a modern mega-city built around dragons, one boy gets caught up in the world of underground dragon battles and a high-stakes gang war that could tear his family apart. In the city

of Drakopolis, dragons and humans have co-existed for centuries. Dragons burn the city's garbage, taxi its busy citizens from place to place, and even compete in vicious underground battles for ganglike kins. But the dragons also compete in legal sports, like the spectacular aerial races that draw in cheering crowds by the tens of thousands. Abel is at just such a race when he witnesses the unthinkable. A long-shot competitor pulls off an impossible win -- then flies into a destructive rage! Someone in the city is experimenting on dragons: hacking their DNA, rebuilding their bodies, and breaking their minds. Who could be driving the dragons berserk? Abel must find out who's behind the experiments and put a stop to them, and to do so he'll infiltrate the kins' underground street races on a long-shot dragon of his own. But with his sister working for a kin, his brother serving the city's secret police, and a bully at school racing for Abel's worst enemies, will Abel find any safety past the finish line?

Wizard King: Wyvern Master Chronicles (Book 4) pdmac,2022-09-22 Fiach is not a happy camper. There are far too many people wanting him dead. Add to that, dragon hunters now freely roam in three of the five kingdoms. And there's been another change of leadership at the College. Of course, that happened after the College was invaded by a neighboring kingdom. And there's more chilling news when he learns someone has discovered Lorcyn's sorcery and has turned a wyvern. Brendal Pendragon, Lord of the Dragons, has come to him for help. It's now time to settle old scores and forever rid the world of dragon hunters. At the same time, he must defeat the marshalled forces of sorcery that threaten to return the world to those dark days when Lorcyn resurrected dead dragons and unleashed them to destroy his enemies. Fiach must choose. If he helps Brendal Pendragon, he could lose a kingdom. If he stays in Wyndych, he could lose everything, the College included.

**Traitors Among Dragons: Maiden to the Dragon #4 (Alpha Dragon Shifter Romance)** Mac Flynn,2017-07-10 Miriam and Xander's halcyon days of rest along the shores of Beriadan Lake in Alexandria come to a quick end when the pleas of another dragon lord lead them to the blackened Heavy Mountains. Lord Herod demands their attentions on a pressing matter, and what they find is a pot of trouble boiling over with ancient blood feuds, uneasy alliances, and old stories of treacherous Maidens. Trouble comes along the winds of a storm, and Miriam finds herself in the middle of it. Now she must prove her innocence against a hefty charge, or face the fatal consequences. The trail leads them to the Coven Caves where witches cast more than their shadows on the walls. One life-attempt after another shows they're on the right trail, but only if they can stay one step ahead of their mysterious foes. Otherwise, the mountains will be their final adventure. The Maiden to the Dragon books are part of a dragon shifter romance series set in a fantastical world that mirrors our own. **Theology, Religion, and Dungeons & Dragons** Scott Donahue-Martens,Brandon Simonson,2024-12-15 On its 50th anniversary, the tabletop role-playing game Dungeons & Dragons (D&D) has found renewed popularity and a generally positive representation in popular culture. Reflecting on these fifty years of development and history, and looking forward to D&D's bright future, *Theology, Religion, and Dungeons & Dragons: Explorations of the Sacred through Fantasy Worlds* explores the intersection of D&D with the academic disciplines of Theology and Religious Studies. From Tolkien's notion of sub-creation to pedagogical ponderings on hell, readers will uncover deeply theological and religious aspects of Dungeons & Dragons in this volume. Unlike some during the so-called Satanic Panic, the authors of this volume embrace D&D as spiritually and theologically formative. Discussions on alignment and campaign settings like Dark Sun and Ravenloft foreground notions of interrelating and wellbeing, and reflections on communal conceptions of canon and spiritual formation chart paths forward by understanding historical realities. This volume responds to growing interest in the academic study of tabletop role-playing games in general and D&D in specific, and it addresses pressing issues in the academic disciplines of Theology and Religious Studies.

**Climbing the Dragon's Ladder: The Martyrdom of Perpetua and Felicitas** Andrea Molinari, 2019-08-03 Perpetua, born in the 2nd century AD, was a martyr, a mystic and, interestingly enough, the first known woman Christian writer. She left behind a diary that outlined her personal experiences, feelings and visions as she languished in prison, awaiting her execution. Sometime after her death, a Christian eyewitness to these brutal events edited her journal and appended additional relevant materials such as a vision recorded by one of her companions and a 'blow by blow' account of the martyrs' final moments in the gladiatorial arena in Carthage AD 203. Here are the events of Perpetua and her companions' life and those of the larger historical period that weaves a believable back-story of ordinary men and women who are caught up in events that test their faith in God and their commitment to Christianity. This is a story of faith under fire, of courage in the face of terrible loss and deprivation and of the human will to hope, even when things are at their darkest. Featuring over 30 illustrations to assist in depicting this story.

The Dragon in the West Daniel Ogden, 2021-09-09 An exploration of how the image and idea of the dragon has evolved through history How did the dragon get its wings? Everyone in the modern West has a clear idea of what a dragon looks like and of the sorts of stories it inhabits, not least devotees of the fantasies of J. R. R. Tolkien, J. K. Rowling, and George R. R. Martin. A cross between a snake and some fearsome mammal, often sporting colossal wings, they live in caves, lie on treasure, maraud, and breathe fire. They are extraordinarily powerful, but even so, ultimately defeated in their battles with humans. What is the origin of this creature? The Dragon in the West is the first serious and substantial account in any language of the evolution of the modern dragon from its ancient forebears. Daniel Ogden's detailed exploration begins with the drakōn of Greek myth and the draco of the dragon-loving Romans, and a look at the ancient world's female dragons. It brings the story forwards through Christian writings, medieval illustrated manuscripts, and the lives of dragon-duelling saints, before concluding with a study of dragons found in the medieval Germanic world, including those of the Anglo-Saxon Beowulf and the Norse sagas.

**Tales From A Second Hand Wand Shoppe: They Were the Best of Gnomes, They Were the Worst of Gnomes** Robert P. Wills, Rio Taylor, 2012-05 Two Gnomes are just trying to get along in life when their worlds collide. Drimblorod runs a moderately reputable second-hand wand store that does pretty well at moving inventory. Grimbledung runs a disreputable second-hand wand wagon that he moves regularly to avoid the authorities. Everything changes when they combine their talents: City ordinances are broken. Neighbors are annoyed. The Constable becomes involved. Even the Magician's Guild sends over some Enforcers to deal with them. Things are looking up for the Gnomes! From multi-headed travelers, to Half-Orcs just trying to obey their mates, everyone seems to come to the Second Hand Wand Shoppe to either buy or sell a wand.

Along for the ride are a neurotic Jousting Dummy, an immortal (so far) Rat, a Troll who runs the Tavern across the street, a Dwarf next door with (alleged) Mob ties, and the Head Mistress of the local School of Magic (with definite Mob ties). Bask in this 103K+ word illustrated adventure now
