I Am Number Four: The Lost Files: The Last Days of Lorien Pittacus Lore, 2013-04-09 The fifth instalment of the Lost Files, The Last Days of Lorien, is the stunning prequel novella to the Lorien Legacies series by Pittacus Lore. Before Number Four and the other members of the Garde arrived on Earth, they lived on the planet Lorien. A planet filled with others who also possessed extraordinary abilities. A peaceful planet - until the day the Mogadorians attacked, and nearly annihilated, the Loric people. Told through the eyes of Sandor, Number Nine's Cêpan and one of only a handful of Loric survivors, this is what happened in those final days on Lorien. This is Sandor's story. Praise for Pittacus Lore: 'Tense, exciting, full of energy' Observer 'Relentlessly readable' The Times 'Tense, keeps you wondering' Sunday Times 'Set to eclipse Harry Potter and moody vampires. Pittacus Lore is about to become one of the hottest names on the planet' Big Issue The first book in Pittacus Lore's Lorien Legacies series, I Am Number Four, is now a major Disney motion picture.

Critical Foundations in Young Adult Literature: Challenging Genres Antero Garcia, 2013-10-11 Young Adult literature, from The Outsiders to Harry Potter, has helped shape the cultural landscape for adolescents perhaps more than any other form of consumable media in the twentieth and twenty-first century. With the rise of mega blockbuster films based on these books in recent years, the young adult genre is being co-opted by curious adult readers and by Hollywood producers. However, while the genre may be getting more readers than ever before, Young Adult literature remains exclusionary and problematic: few titles feature historically marginalized individuals, the books present heteronormative perspectives, and gender stereotypes continue to persist. Taking a critical approach, *Young Adult Literature: Challenging Genres* offers educators, youth librarians, and students a set of strategies for unpacking, challenging, and transforming the assumptions of some of the genre's most popular titles. Pushing the genre forward, Antero Garcia builds on his experiences as a former high school teacher to offer strategies for integrating Young Adult literature in a contemporary critical pedagogy through the use of participatory media.

Roger Ebert's Movie Yearbook 2013 Roger Ebert, 2012-12-04 Roger Ebert's "criticism shows a nearly unequalled grasp of film history and technique, and formidable intellectual range. . . ." —New York Times Pulitzer Prize-winning film critic Roger Ebert presents more than 600 full-length critical movie reviews, along with interviews, tributes, and journal entries inside Roger Ebert's *Movie Yearbook 2013*. It includes every movie review Ebert has written from January 2010 to July 2012. Also

included in the Yearbook: In-depth interviews with newsmakers and celebrities Tributes to those in the film industry who have passed away recently Essays on the Oscars, reports from the Toronto Film Festival, and entries into Ebert's Little Movie Glossary

Roger Ebert's Movie Yearbook 2012 Roger Ebert,2011-12-06 Ebert collects his reviews from the last 30 months. Readers can expect to find every movie review he has written from January 2009 to July 2011. Also included are in-depth interviews with newsmakers and celebrities, such as John Waters and Justin Timberlake, memorial tributes, and essays on the Oscars and reports from the Cannes and Toronto Film Festivals.

From My Heart to Your Heart 2 Alicia G. Smith-Mackall,2016-09-27 I feel very blessed after writing my first book, *From My Heart To Your Heart*. I was extremely happy to have located many of the poems written over forty years ago. They are dated throughout this book. It is my desire to blend the old with the new. To my surprise many of the things addressed over forty years ago have come to pass. It is easy to see that some of the poems were before their time, and perhaps that is why they were hidden from me for such a time as this. The message continues from the first book, delving a little deeper into the things we still struggle with throughout our lives. We are encouraged here to deal with matters of the heart so that we can be free from the many traps that the Enemy has set for us, causing us to fail in our relationships and fall short of the glory of God.

A Horrible Experience of Unbearable Length Roger Ebert,2022-05-24 More of the Pulitzer Prize-winning film critic's most scathing reviews. *A Horrible Experience of Unbearable Length* collects more than 200 of his reviews from 2006 to 2012 in which he gave movies two stars or fewer. Known for his fair-minded and well-written film reviews, Roger is at his razor-sharp humorous best when skewering bad movies. Consider this opener for the one-star *Your Highness*: *Your Highness* is a juvenile excrescence that feels like the work of 11-year-old boys in love with dungeons, dragons, warrior women, pot, boobs, and four-letter words. That this is the work of David Gordon Green beggars the imagination. One of its heroes wears the penis of a minotaur on a string around his neck. I hate it when that happens. And finally, the inspiration for the title of this book, the one-star *Transformers: Revenge of the Fallen*: *Transformers: Revenge of the Fallen* is a horrible experience of unbearable length, briefly punctuated by three or four amusing moments. One of these involves a doglike robot humping the leg of the heroine. If you want to save yourself the ticket price, go into the kitchen, cue up a male choir singing the music of hell, and get a kid to start banging pots and pans together. Then close your eyes and use your imagination. Roger Ebert's *I Hated, Hated, Hated This Movie* and *Your Movie Sucks*, which gathered some of his most scathing reviews, were bestsellers. This collection continues the tradition, reviewing not only movies that were at the bottom of the barrel, but also movies that he found underneath the barrel. Movie buffs and humor lovers alike will relish this treasury of movies so bad that you may just want to see them for a good laugh!

To The Rude Guy in Apartment Five J. S. Cooper,2021-01-01 To The Rude Guy in Apartment Five, I'm glad you're happy to have moved into a new apartment, but no: I do not want to have a beer with you. I do not want to have a nude sleepover. I do not want to make you breakfast, lunch or dinner, no matter how many lap dances you promise to give me. I do not need you to serenade me through the walls at 1am. And no, I have no interest in letting you take me on a date. Sincerely, Magnolia Allen P.S. And no, I do not want to know how many accents you can growl in during intimate moments. How is that even a thing? P. P. S. Also, you will never find me standing naked in your living room ever again, so please stop leaving lingerie packages on my welcome mat.

Bring Your Own Pencil! Buddy Lee Walter,2021-09-18 In the tradition of Goodbye, Mr. Chips; Blackboard Jungle; Up the Down Staircase; and Welcome Back, Kotter: High school English and theatre teacher Buddy Lee Walter's fictionalized autobiography, Bring Your Own Pencil! The Making of a Teacher, will keep you in stitches while satirizing frustrated teachers, bumbling administrations, stupid bureaucracies, crazy students, troubled students, cool students, and the social conditions which produced all this. Eduardo Ciannelli finds himself, unexpectedly, in front of a classroom of high school students, and finds himself. His story is one of a reluctant - accidental - teacher who has to confront his own biases and assumptions about himself, his students, and the educational system, in order to reach the understanding that the entire thing is ultimately about the human connection. It is about the teacher/student relationship ... and how sometimes these roles get reversed. Join Eduardo on his journey, as he deals with the best and worst of administrators and the most centered and most troubled of students, to discover if he even wants to be a teacher and, if so, how to become a better one.

Triggered Literature John Sutherland,2023-10-05 Amid the flames of the culture wars, politicians have taken up arms over controls on literary culture, spurred on in part by universities 'triggering' canonical texts. Jonathan Swift's 'Battle of the Books' has flared up again. But is 'triggering' utter wokery or responsible pedagogic practice? Through dozens of case studies of triggered works, from Romeo and Juliet to Gender Queer, John Sutherland explores the recent phenomenon of triggering and its consequences for university English departments and literature itself. He maintains that what is routinely overlooked in the heat of polemic is that triggering is categorically different from traditional institutional (religious, educational, dictatorial) controls on literature. Triggering is in essence an alert. Done responsibly it does not erase or meddle; it stimulates curiosity and thought. It honours the fact that great literature is great because it is, as Franz Kafka

says, powerful. In this characteristically nuanced and calmly objective study, the witty literary critic guides us through the increasingly rocky terrain of triggering. His advice rings clear: literature matters, to us and what we make of our world, and it must be handled with critical care.

The Sci-Fi Movie Guide Chris Barsanti, 2014-09-22 From the trashy to the epic, from the classics to today's blockbusters, this cinefile's guidebook reviews nearly 1,000 of the biggest, baddest, and brightest from every age and genre of cinematic science fiction! Once upon a time, science fiction was only in the future. It was the stuff of drive-ins and cheap double-bills. Then, with the ever-increasing rush of new, society-altering technologies, science fiction pushed its way to the present, and it busted out of the genre ghetto of science fiction and barged its way into the mainstream. What used to be mere fantasy (trips to the moon? Wristwatch radios? Supercomputers capable of learning?) are now everyday reality. Whether nostalgic for the future or fast-forwarding to the present, *The Sci-Fi Movie Guide: The Universe of Film from Alien to Zardoz* covers the broad and widening range of science-fiction movies. You'll find more than just Star Wars, Star Trek, and Transformers, with reviews on many overlooked and under-appreciated gems and genres, such as ... Monsters! Pacific Rim, Godzilla, The Thing, Creature from the Black Lagoon Superheroes: Thor, Iron Man, X-Men, The Amazing Spider-man, Superman Dystopias: THX 1138, 1984, The Hunger Games Avant-garde masterpieces: Solaris, 2001, Brazil, The Man Who Fell to Earth Time travel: 12 Monkeys, The Time Machine, Time Bandits, Back to the Future Post-apocalyptic action: The Road Warrior, I Am Legend, Terminator Salvation Comedy: Dark Star, Mars Attacks!, Dr. Strangelove, The Adventures of Buckaroo Banzai Across the Eighth Dimension, Mystery Science Theater 3000 Aliens! The Day the Earth Stood Still, Close Encounters of the Third Kind, Contact, Invasion of the Body Snatchers, Signs Mad scientists! Frankenstein, The Invisible Man, The Abominable Dr. Phibes Shoot-em-ups: Aliens, Universal Soldier, Starship Troopers What the...?: Battlefield Earth, Prayer of the Rollerboys, Repo: The Genetic Opera, Tank Girl, The 10th Victim Animation: WALL-E, Akira, Ghost in the Shell Small budgets, big ideas: Donnie Darko, Primer, Sound of My Voice, Computer Chess Neglected greats: Things to Come, Children of Men Epics: Metropolis, Blade Runner, Cloud Atlas and many, many more categories and movies!! In addition to the nearly one thousand science fiction film reviews, this guide includes fascinating and fun Top-10 lists and sidebars that are designed to lead fans to similar titles they might not have known about. *The Sci-Fi Movie Guide: The Universe of Film from Alien to Zardoz* will help ensure that you will never again have to worry about what to watch next. Useful both as a handy resource or a fun romp through the film world of science fiction. It also includes a helpful bibliography and an extensive index, adding to its usefulness.

Kasper and the Zodiac Signs Rey Perez, 2025-05-27 *Kasper and the Zodiac Signs* is a fantasy adventure tale of epic proportions. It features a wide variety of characters that are intriguing and wonderful to know. This epic tale also contains action, romance, and some humor. This story contains twenty-five chapters of reading that are guaranteed to keep you glued to the book and on the edge of your seat. It starts off with the birth of a future Olympic gold medalist in the swimming competition. However, unbeknownst to all, her life would take her much farther than that. It would take her to a realm in her life never before seen by anyone in our modern times. While practicing for the 2016 Olympics, Emily Kasper suffered a near-fatal swimming pool accident that placed her in a coma. While in her coma, Emily found herself on land inhabited by the twelve zodiac signs of the calendar year. Unknown to them who she was, they wondered. Could she be here to replace one of us? If so, which one? As for Emily Kasper, she does not remember who she is, nor does she remember where she came from, which complicates things even more. Her thirst to know about herself and where she came from grows as she ventures through seashores, rainforests, wilderness, meadows, wastelands, mountain ranges, canyons, and more. As she does, she meets the strangest of all gods and deities that, in some ways, help her learn who she is and how to get back home before she ends up replacing one of them as a new zodiac sign forever.

Literature for Young Adults Joan L. Knickerbocker, 2017-03-15 Young adults are actively looking for anything that connects them with the changes happening in their lives, and the books discussed throughout *Literature for Young Adults* have the potential to make that connection and motivate them to read. It explores a great variety of works, genres, and formats, but it places special emphasis on contemporary works whose nontraditional themes, protagonists, and literary conventions make them well suited to young adult readers. It also looks at the ways in which contemporary readers access and share the works they're reading, and it shows teachers ways to incorporate nontraditional ways of accessing and sharing books throughout their literature programs. In addition to traditional genre chapters, *Literature for Young Adults* includes chapters on literary nonfiction; poetry, short stories, and drama; cover art, picture books, illustrated literature, and graphic novels; and film. It recognizes that, while films can be used to complement print literature, they are also a literacy format in their own right—and one that young adults are particularly familiar and comfortable with. The book's discussion of literary language—including traditional elements as well as metafictional terms—enables readers to share in a literary conversation with their students (and others) when communicating about books. It will help readers teach young adults the language they need

to articulate their responses to the books they are reading.

American Veterans on War Elise Forbes Tripp,2012-08-02 The United States is embroiled in conflicts in Iraq and Afghanistan—wars that seem as far from Americans’ understanding as they are distant from our shores. With *American Veterans on War*, Elise Forbes Tripp brings our current wars and their predecessors home in the words of 55 veterans aged 20 to 90. The veterans raise questions about when wars are worth fighting, what missions can and can’t be won, and the costs and benefits of US intervention, both around the world and domestically. Recent veterans tell wrenching stories of coping with hostile forces without uniforms, of not knowing who is friend or foe, and of the lasting traces of combat once they’ve returned home. *American Veterans on War* provides a sweeping overview of three-quarters of a century of American wars, properly grounding that history in the words of the men and women whose bodies were on the line.

Between the Lines Michael Anthony,Joan F. Kaywell,2016-09-23 Michael Anthony, 20-year reading workshop practitioner at the secondary level, and Joan Kaywell, acclaimed author and advocate for young adult literature in learning, present *Between the Lines*, a creative paradigm shift for the English Language Arts workshop classroom. In contrast to the traditional sustained silent reading and individual conferencing model, an impractical commitment for most teachers, BtL invites collaborative engagement and active inquiry among students as well as on-demand writing and integrated YA literature, all designed to support existing middle and secondary level ELA classroom curriculum instruction and national academic learning standards while empowering English educators toward improved student literacy achievement and the creation of lifelong readers. The classroom activities, with student-friendly names like Book Chat Check and Pop Goes the Question, promote animated discussions in social learning contexts and produce writings supported by textual evidence from student selected texts. Clear step by step directions for facilitation and authentic models of resulting student writing are shared along with a standards-based lesson plan suitable for grades 6-12. Ongoing teacher/student journal conversations validate independent reader thought processes and provoke differentiated learning experiences. The book includes Common Core State Standards-based strategies for responding to students meaningfully and for inviting extensions beyond the book, motivating increasingly complex and connective writings. Sample dialogue journal entries are shared along with insightful commentary and practical analysis. Everything needed for implementing *Between the Lines* is contained within these pages, including a user friendly appendix filled with fully reproduceable classroom workshop materials, tips for reducing the teacher reading and writing loads, and suggestions for building an enviable classroom library stocked with award-winning adolescent literature.
