A Life Like This James Carson,2015-08-13 Isaac is a teenager living in a beautiful place called Charlottesville with his older sister, Gwyn, and his mother, Sophia. He is an introverted person, who is very reserved when it comes to everyone, but he's looking for the one to show who he really is. Like everyone else, he experiences what it is like to lose the one he thought was the love of his life, not knowing that it was a lesson in life and that it was redirecting him down the correct path. Anna is new to Charlottesville. She recently moved there from England with her father. With no friends or really any idea which direction her school is in, she and Isaac bump into each other, and just like that, they become friends, almost like they have known each their whole lives. And as time goes on, they become closer and closer, and along the way, they make new and interesting friends. Unfortunately, not everything is perfect in life. Horrible things happen. You can make enemies even if you are the nicest person, as many people out there just love conflict. Will Isaac and Anna live a beautiful life the way that they both dreamed of, along with new friends? Or will this dream of a beautiful life end up a nightmare, resulting in broken hearts? Only the strength of their love and the love of their families and friends will help them through the journey that we call life.

The Phone Booth at the Edge of the World Laura Imai Messina,2021-03-09 The international bestselling novel, sold in 21 countries, about grief, mourning, and the joy of survival, inspired by a real phone booth in Japan with its disconnected “wind” phone, a place of pilgrimage and solace since the 2011 tsunami—now in paperback When Yui loses both her mother and her daughter in the tsunami, she begins to mark the passage of time from that date onward: Everything is relative to March 11, 2011, the day the tsunami tore Japan apart, and when grief took hold of her life. Yui struggles to continue on, alone with her pain. Then, one day she hears about a man who has an old disused telephone booth in his garden. There, those who have lost loved ones find the strength to speak to them and begin to come to terms with their grief. As news of the phone booth spreads, people travel to it from miles around. Soon Yui makes her own pilgrimage to the phone booth, too. But once there she cannot bring herself to speak into the receiver. Instead she finds Takeshi, a bereaved husband whose own daughter has stopped talking in the wake of her mother’s death. Simultaneously heartbreaking and heartwarming, *The Phone Booth at the Edge of the World* is the signpost pointing to the healing that can come after.

The Secret Diary of a Pregnant Bengali Halima Khatun, 2023-12-02 One couple. Nine months. Lots of decisions and even more opinions... Welcome to my life as a pregnant Bengali lady. I went through the arranged marriage process. I met a boy, married him, then learned how to live with him in a whole new city. Life has been an adventure so far, and this might be the biggest yet. I'm going to be a mum! But with a baby on the horizon and an unexpected curve ball, can my glass half empty nature survive the craziest nine months of my life? The Secret Diary of a Pregnant Bengali sees our heroine face her greatest challenge yet, negotiating raging hormones, NCT classes, and a whole host of Bengali old wives' tales. Exploring race, identity and belonging, former journalist Halima Khatun's acerbic protagonist will have you laughing and crying. Halima Khatun is a former journalist (having worked for ITV and the BBC), writer and PR consultant. Since she was a child, she knew that words would be her thing. However, proving that writing was indeed her forte, Halima went on to study English and Journalism and was one of just four people in the UK to be granted a BBC scholarship during her postgraduate studies. She has since written for a number of publications including the

HuffPost and Yahoo! Style, and has been featured in the Express, Metro and other national publications. Halima also blogs on lifestyle, food and travel and parenthood on halimabobs.com. This is where she also shares updates on her novels.

In Deep Water Michael Brennan, 2019-09-13 Irish Water was set up in 2013 to introduce the most ambitious water metering programme in the world. The plan was to get Irish people to finally pay to upgrade a nineteenth-century water system. The water metering programme began in August 2013 and was carried out at breakneck speed. However, it did not go to plan and the issue of water charges divided Ireland. There were nationwide demonstrations, and confrontations in

housing estates involving water meter contractors, gardaí and water charge protesters. The programme ended in political disaster, with a humiliated government having to send out one million refunds. With access to unpublished documents, and interviews with the key personalities on both sides, *In Deep Water* provides a blow-by-blow account of how it all went wrong. The rows at cabinet. The warnings that went unheeded. The water women. The smartphone-wielding protesters. And the minister who threatened to reduce people's water to a trickle. Compulsively readable and fast paced, *In Deep Water* gives an inside view of the controversy that divided Ireland.

Reclaiming Your Inner Child Nina Mongendre, 2025-06-10 A quest to make peace with your past, release the burdens you carry for your ancestry and embrace the gifts of the present. How we treat our inner child reflects on every aspect of our lives. It is the foundation of our habits and of our self-worth. When we deny, reject, or criticize our own innocence and vulnerability, we hinder our capacity for authenticity and connection. We are desperate for a semblance of control because we felt powerless as a child, and we attempt to protect ourselves by directing arrows of judgment, criticism, and negativity towards ourselves and others. Political hatred, discrimination, and crime can all be traced to childhood wounding. These harmful behaviors, along with depression, anxiety, and self-doubt, are the inner child's desperate call for help. Our younger selves are still trying to get their needs met, and it is now our responsibility to meet these needs. Nobody else can. Until we meet our own needs, we blame our parents, our partners, and the world. We are stuck in a triangle of disempowerment in which only three roles are available: victim, villain and rescuer. We cycle through all three of these roles depending on the circumstance. In each one of these roles, we are looking for self-worth outside ourselves and feel resentful and powerless. This book teaches us how to step out of this triangle and the layers of story we have been telling ourselves, becoming our own guide on an epic inner quest. It is an invitation to write a new story, to finally meet our needs and take full responsibility for our lives. To do this, we step outside of linear time and journey back to significant moments of our childhood, bringing our adult self along, with all of our acquired life-experience, to offer the support that was needed at the time.

A Boneca Despida Paulo M. Morais, 2023-05-01 Julieta – a protagonista deste romance – até podia ser uma mulher anónima, não fosse o facto de ter vivido cem anos. Cresceu sem mãe e longe do pai, junto de uma avó violenta que a escravizou. Não a deixaram prosseguir os estudos. Não lhe ensinaram os factos da vida. Casou sem paixão, teve filhos que amou e por quem sofreu de insondáveis maneiras. Acabou num lar, sozinha, como tantas outras. Do seu nascimento na ilha do Faial à pequena infância passada em Macau; dos tempos num colégio interno em Hong Kong ao regresso definitivo a Lisboa; da obediência à avó à sujeição ao papel de esposa e mãe; a história fascinante de Julieta (e a da sua boneca de bisque) é também a da mulher portuguesa ao longo dos anos cinzentos da ditadura, sempre contando os centavos, abdicando dos sonhos em favor da família, calando dúvidas e frustrações e passando por cima de sucessivos desgostos. A Boneca Despida, finalista do Prémio LeYa 2022, é também o registo absolutamente notável da história da vida privada de um país que, no lapso de um século, participou em guerras e conflitos, viu partir a sua gente, instalou-se nos subúrbios, virou do avesso regimes políticos, fez-se europeu, esqueceu os seus velhos, conheceu momentos de luz e sombra. E Julieta, claro, assistiu a tudo.

Que reviente la grieta Victoria Guerra, 2022-08-30 ¿Quién no ha jugado alguna vez con una raqueta llena de agujeros? ¿Quién no ha soñado con volver a ser un niño? ¿Quién no ha deseado ver el mundo a través de los ojos de su perro? ¿Quién, a lo largo de su vida, no ha sentido pánico, alivio, rencor, paz, miedo...? Que reviente la grieta es todas esas personas. Un recopilatorio de relatos cortos cuyos personajes podrían ser ustedes mismos.

Последнее приключение странника Аньес Мартен-Люган, 2024-08-01 Профессиональный дайвер Гари и владелец бара Иван познакомились на острове Реюньон – два современных Одиссея, два вечных странника, кочующие по миру. Один уже потерял надежду когда-нибудь обрести свой дом и семью; другой добровольно бросил все, о чем мечтал первый. Они встречаются, пьют пиво, болтают, но не спешат делиться друг с другом личными секретами. Когда Гари собирается вернуться во Францию, Иван обращается к нему со странной просьбой: съездить в бретонский городок Сен-Мало и проверить, как там поживает его жена Эрин, которую он бросил семь лет назад, – правда, забывает упомянуть, что вместе с женой оставил троих детей. Убежденный, что имеет полное право на свободу – от обязательств, от привязанностей, от корней, он твердо верит, что жена, как верная Пенелопа, будет ждать его столько, сколько потребуется. Ведь она так его любит...

Querida incertidumbre: te lo debo todo Hana Kanjaa, 2017-10-26 Combinando el relato conmovedor con el humor y una lúcida capacidad de reflexión, Hana Kanjaa te acompañará en un viaje trepidante que no te dejará indiferente. ----- ¡Tres, dos, uno... vamos! Caída libre. En ese momento vi cómo el suelo se acercaba a una velocidad trepidante... Cuatro segundos después, al abrir el paracaídas, un golpe de viento hizo que la autora de este libro se estrellara contra la pared del Peñón de Ifach, a ciento cincuenta metros de altura, donde resistió varias horas con la vida pendiendo de un hilo... Una experiencia trascendental que cambiaría la manera de entender la vida de esta hija de inmigrantes marroquíes. ----- Solo hay algo peor que sentirse mal: sentirse mal y fingir que todo está bien. Y es que cada vez nos lo ponen más difícil. Las redes sociales y los medios de comunicación nos bombardean constantemente con estándares imposibles de alcanzar y nos lanzan el mensaje de

que solo lo perfecto es aceptable. Y como esa perfección nunca llega, la vida se convierte en una rueda de hamster de insatisfacción y angustia permanentes. Salir de esa rueda y disfrutar de la vida es posible, pero para eso tendrás que atreverte a explorar otros caminos, menos transitados, que incluyen todo aquello que solemos evitar: los cambios, la incertidumbre, la incomodidad, el dolor... Con planteamientos prácticos y sencillos, en Querida incertidumbre descubrirás: - Cómo convertir el miedo en un elemento imprescindible del bienestar. - Por qué la felicidad está siempre donde menos la esperas y dónde encontrarla. - Cómo aprovechar el pensamiento negativo para sentirte mejor que nunca. Un libro de contagiosa energía que invita a estrenar una nueva vida... extraordinariamente normal.
