

# Mike Bowditch Mysteries In Order

## Paul Doiron

**The Mike Bowditch Series, Books 1-3** Paul Doiron, 2015-05-12 Bestselling author and Edgar-Award finalist Paul Doiron knows Maine better than just about anyone, and in this series that follows Maine game warden Mike Bowditch, he proves it. Here together for the first time in one thrill-ride collection are the first three books in the critically acclaimed series: *The Poacher's Son* Set in the wilds of Maine, this is an explosive tale of an estranged son thrust into the hunt for a murderous fugitive—his own father. *Trespasser* On a fog shrouded road in Maine, a young woman disappears after hitting a deer with her car. When Bowditch is called to investigate, he uncovers a web of lies and deceit that leads to a killer who may have already gotten away with murder. *Bad Little Falls* Doiron delivers another masterpiece of high-octane narrative (Booklist) in this harrowing thriller about the hunt for a murderer at the height of a major snowstorm.

**Dead by Dawn** Paul Doiron, 2021-08 Mike Bowditch is fighting for his life. After being ambushed on a dark winter road, his Jeep crashes into a frozen river. Trapped beneath the ice in the middle of nowhere, having lost his gun and any way to signal for help, Mike fights his way to the surface. But surviving the crash is only the first challenge. Whoever set the trap that ran him off the road is still out there, and they're coming for him.

*Knife Creek* Paul Doiron, 2017-06-13 When Maine game warden Mike Bowditch is tasked with shooting invasive feral hogs that are tearing up the forest in his district, he makes a horrific discovery — a dead baby buried in a shallow grave. Even more disturbing: evidence suggests the infant was the child of a young woman who was presumed to have died four years earlier after she disappeared from a group rafting trip. As Bowditch assists the reopened investigation, he begins to suspect that some of his neighbors aren't who they seem to be. When violence strikes close to home, he realizes that his unknown enemies will stop at nothing to keep their terrible secrets. Mike Bowditch has bucked the odds his whole career, but this time the intrepid warden may have finally followed his hunches one step too far.

*Casting into Mystery* Robert Reid, 2020-01-08 'Every time I leave the world of work, family and community to wade into a river with fly rod in hand, I enter a sacred space that sometimes finds expression in the written word.' In *Casting into Mystery*, writer Robert Reid and wood engraver Wesley W. Bates—avid anglers, both—put ink to paper in homage to the venerable sport of fly fishing. Through text and image, they recall with fondness the 'company of rivers' each is grateful to know, providing a glimpse inside a sporting culture teeming with literature, art and music. Part memoir, part objet d'art and

part field guide, *Casting into Mystery* will delight passionate fly fishing practitioners and armchair anglers alike.

**The Precipice** Paul Doiron, 2015-06-16 Maine game warden Mike Bowditch joins a desperate search for two missing hikers as Maine wildlife officials deal with a frightening rash of coyote attacks--

***Stay Hidden*** Paul Doiron, 2018-07-03 A supposed hunting accident becomes a dangerously complicated murder investigation in *Stay Hidden*, the intricately-plotted new thriller from Paul Doiron featuring Maine Game Warden Mike Bowditch. A woman has been shot to death by a deer hunter on an island off the coast of Maine. To newly promoted Warden Investigator Mike Bowditch, the case seems open and shut. But as soon as he arrives on remote Maquoit Island he discovers mysteries piling up one on top of the other. The hunter now claims he didn't fire the fatal shot and the evidence proves he's telling the truth. Bowditch begins to suspect the secretive community might be covering up the identity of whoever killed the woman, known as Ariel Evans. The controversial author was supposedly writing a book about the island's notorious hermit. So why are there no notes in her rented cottage? The biggest blow comes the next day when the weekly ferry arrives and off steps the dead woman herself. Ariel Evans is alive, well, and determined to solve her own "murder" even if it upsets Mike Bowditch's investigation and makes them both targets of an elusive killer who will do anything to conceal his crimes.

***Skin and Bones*** Paul Doiron, 2025-05-13 For the first time in print, *Skin and Bones* features a collection of eight gripping original short stories in the bestselling Mike Bowditch series—including one brand new, never-before-published story—from Edgar-award nominated author Paul Doiron. In *THE BEAR TRAP*, legendary Maine woodsman and bush pilot Charley Stevens tries to convince young Mike of the dangers awaiting rookie game wardens. *RABID* draws Mike into the story of a gruesome case involving a bat with rabies from his Charley Stevens's past (2019 Edgar award nominee for Best Short Story). When a visiting hunter goes missing in the middle of a snowstorm, a young Charley Stevens sets off to rescue him—but begins to suspect the man may not want to be found in *BACKTRACK*. In *THE IMPOSTER*, Mike is confronted with a baffling case of stolen identity when he discovers a dead body whose driver's license claims he is none other than Mike Bowditch himself. Mike tracks down a sinister prowler who turns a couple's dream vacation home into a nightmare in *THE CARETAKER*. An investigation into the killing of a bald eagle in *SKIN AND BONES* unearths an old case of a missing young man whose physically abusive brother might have murdered him. In *SNAKEBIT*, Mike must hunt down a killer who uses the unlikeliest of murder weapons: rattlesnakes. (Brand New!) Mike suspects there's more to a grisly murder-suicide than meets the eye in *SHEEP'S CLOTHING*. Critically acclaimed for his brilliant crime novels, Paul Doiron proves he is also the master of short story in *Skin and Bones*.

***The Poacher's Son*** Paul Doiron, 2017-10-03 Desperate and alone, game warden Mike Bowditch strikes up an uneasy alliance with a retired warden pilot, and together the two men journey deep into the Maine wilderness in search of a runaway fugitive--Mike's father. But the only way for Mike to save his father is to find the real killer--which could mean putting

everyone he loves in the line of fire.

*Knife Creek* Paul Doiron, 2017-06-13 In this new edge-of-your-seat thriller from Edgar finalist Paul Doiron, Mike Bowditch delves into a long buried investigation to uncover a dangerous secret.

*Pitch Dark* Paul Doiron, 2024-06-25 Game Warden Mike Bowditch must chase down a cunning and dangerous fugitive in the North Maine Woods in this nail-biter of a thriller from Edgar Award-nominated author Paul Doiron, *Pitch Dark*. Legendary bush pilot Josie Jonson can't believe her luck when a skilled builder just happens to show up after she purchases land near Prentiss Pond. All Mark Redmond asks in return for building Josie's dream cabin is that he be left alone to homeschool his 12-year-old daughter, Cady. For Maine game warden investigator Mike Bowditch, the intensity of Redmond's secretiveness is troubling, especially in light of suspicious criminal activity being reported around the area—including rumors of an armed man offering large sums of money in exchange for the location of Redmond and Cady. Josie, though hesitant to violate the trust of her prized builder, eventually agrees to fly Mike and his father-in-law Charley Stevens to the secluded pond in an attempt to protect Redmond and Cady. But hours after landing, the trip takes a dark turn when they witness a horrific murder and are taken captive themselves. Freeing himself, Mike is forced to set off through the impenetrable Maine forest towards Canada, alone and unarmed in pursuit of a mysterious fugitive. As he navigates a windblown landscape choked with deadfalls and blocked by swollen streams, he marvels at his enemy's bush craft. The killer possesses skills surpassing his own, and Bowditch can't tell if he is the cat or the mouse in this dangerous game. Can Mike Bowditch stop his adversary in time to save the life of a young girl, or will he be forced to watch another innocent soul die?

**Dead Man's Wake** Paul Doiron, 2023-06-27 Game Warden Mike Bowditch's engagement party is interrupted by the discovery of a gruesome double murder in *Dead Man's Wake*, a thriller from Edgar Award-nominated author Paul Doiron. On the evening of their engagement party, Maine Game Warden Investigator Mike Bowditch and Stacey Stevens witness what seems to be a hit-and-run speedboat crash on a darkened lake. When they arrive at the scene, their spotlight reveals a gruesome sight: a severed arm floating just beneath the surface. As day breaks, the warden dive team recovers not one but two naked corpses: a dismembered man and the married woman with whom he was having an affair. Mike begins to suspect the swimmers' deaths were not a senseless accident but a coldly calculated murder. Meanwhile, the hunt is on for the mysterious boater. Suspects abound on the lake, nicknamed "Golden Pond," including the violent biker husband of the murdered woman who may have taken vengeance on his wife and her paramour; a strange woman who claims to have witnessed the crash, but then changes her story; a very aggressive realtor and his wife who were determined to catch trespassers; and the lake's earnest young constable whose eagerness to help may hide darker motives. Alone among his fellow officers, Mike starts to sense the involvement of a trained marksman, smarter and more dangerous than any enemy he has ever faced before. As Mike and Stacey get closer to identifying the killer, their own lives are suddenly on the line as they

confront a lethal killer who plans to silence them forever. The finale is a tour de force of drama and suspense.

*A Stranger Here Below* Charles Fergus, 2019-03-05 For fans of C.J. Box's Joe Pickett series, a fabulous historical mystery series set in early America. "Deeply imagined and intricately plotted, *A Stranger Here Below* marries richly textured historical fiction with the urgency of a mystery novel. Fergus knows certain things, deep in the bone: horses, hunting, the folkways of rural places, and he weaves this wisdom into a stirring tale." – Geraldine Brooks, author of *March* and *People of the Book* Set in 1835 in the Pennsylvania town of Adamant, Fergus's first novel in a new mystery series introduces Sheriff Gideon Stoltz, who, as a young deputy, is thrust into his position by the death of the previous sheriff. Gideon faces his first real challenge as death rocks the small town again when the respected judge Hiram Biddle commits suicide. No one is more distraught than Gideon, whom the old judge had befriended as a mentor and hunting partner. Gideon is regarded with suspicion as an outsider: he's new to town, and Pennsylvania Dutch in the back-country Scotch-Irish settlement. And he found the judge's body. Making things even tougher is the way the judge's death stirs up vivid memories of Gideon's mother's murder, the trauma that drove him west from his home in the settled Dutch country of eastern Pennsylvania. He had also discovered her body. At first Gideon simply wants to learn why Judge Biddle killed himself. But as he finds out more about the judge's past, he realizes that his friend's suicide was spurred by much more than the man's despair. Gideon's quest soon becomes more complex as it takes him down a dangerous path into the past. *A Stranger Here Below* is so atmospheric, so compelling and convincing, that readers will taste the grit of the dirt roads, cringe at the unsanitary conditions and medical superstitions that inflame a flu epidemic, and marvel at the immensely arduous task of carrying out an investigation using the primitive tools of the early 1800s. Fergus leaves us breathlessly waiting for the next Gideon Stoltz mystery.

**Bad Little Falls** Paul Doiron, 2012-08-07 Anthony- and Edgar-award nominated author Paul Doiron delivers another masterpiece of high-octane narrative (Booklist) with his harrowing thriller about the hunt for a murderer at the height of a major snowstorm Maine game warden Mike Bowditch has been sent into exile, transferred by his superiors to a remote outpost on the Canadian border. When a blizzard descends on the coast, Bowditch is called to the rustic cabin of a terrified couple. A raving and half-frozen man has appeared at their door, claiming his friend is lost in the storm. But what starts as a rescue mission in the wilderness soon becomes a baffling murder investigation. The dead man is a notorious drug dealer, and state police detectives suspect it was his own friend who killed him. Bowditch isn't so sure, but his vow not to interfere in the case is tested when he finds himself powerfully attracted to a beautiful woman with a dark past and a troubled young son. The boy seems to know something about what really happened in the blizzard, but he is keeping his secrets locked in a cryptic notebook, and Mike fears for the safety of the strange child. Meanwhile, an anonymous tormentor has decided to make the new warden's life a living hell. Alone and outgunned, Bowditch turns for assistance to his old friend, the legendary bush pilot Charley Stevens. But in this snowbound landscape—where smugglers wage blood feuds by night—help seems very

far away indeed. If Bowditch is going to catch a killer, he must survive on his own wits and discover strength he never knew he possessed.

*Hatchet Island* Paul Doiron, 2022-06-28 The eerie, windswept Hatchet Island off the coast of Maine becomes the site of a double murder and a disappearance in this thriller from bestselling author Paul Doiron. A call for help from a former colleague leads Maine game warden investigator Mike Bowditch and his girlfriend Stacey Stevens on a sea kayaking trip to a research station far off the coast. Stacey spent summers interning on the island, a sanctuary for endangered seabirds, and they are shocked by the atmosphere of tension they encounter when they come ashore. The biologists are being threatened and stalked by a mysterious boatman who they suspect is trespassing on the refuge late at night. And now the sanctuary's enigmatic founder, whose mind has been slowly unraveling, has gone missing. Camped on an islet for the night, Mike and Stacey waken to the sound of a gunshot. When they return to the refuge at dawn, their darkest fears are confirmed: two of the three researchers have been brutally murdered and the third has disappeared, along with the island skiff. Mike's quest to find the missing man leads to a nearby island owned by a world-renowned photographer and his equally brilliant wife. The inhabitants of this private kingdom quickly close ranks, and Mike increasingly comes to believe that someone in the village knows more about the killings than they dare admit. With no one to trust and miles from shore, Mike Bowditch must stop a ruthless murderer determined to make sure a terrifying secret never sees the light of day.

*The Precipice* Paul Doiron, 2015-06-16 In this riveting new novel from Edgar finalist Paul Doiron, Bowditch joins a desperate search for two missing hikers as Maine wildlife officials deal with a frightening rash of coyote attacks. When two female hikers disappear in the Hundred Mile Wilderness-the most remote stretch along the entire Appalachian Trail-Maine game warden Mike Bowditch joins the desperate search to find them. Hope turns to despair after two unidentified corpses are discovered-their bones picked clean by coyotes. Do the bodies belong to the missing hikers? And were they killed by the increasingly aggressive wild dogs? Soon, all of Maine is gripped with the fear of killer coyotes. But Bowditch has his doubts. His new girlfriend, wildlife biologist Stacey Stevens, insists the scavengers are being wrongly blamed. She believes a murderer may be hiding in the offbeat community of hikers, hippies, and woodsmen at the edge of the Hundred Mile Wilderness. When Stacey herself disappears along the AT, the hunt for answers becomes personal. Can Mike Bowditch find the woman he loves before the most dangerous animal in the North Woods strikes again?

*Widowmaker* Paul Doiron, 2016-06-14 In this riveting new novel from Edgar finalist Paul Doiron, Game Warden Mike Bowditch is on the trail of a ruthless vigilante amid the snow-covered mountains of Maine.

**One Last Lie** Paul Doiron, 2020-06-30 The disappearance of Mike Bowditch's beloved mentor reveals an ominous connection to a 15-year-old cold case in *One Last Lie*, the new thriller from bestselling Edgar Award finalist Paul Doiron. "Never trust a man without secrets." These are the last words retired game warden Charley Stevens speaks to his surrogate

son, Warden Investigator Mike Bowditch, before the old man vanishes without explanation. Mike suspects his friend's mysterious departure has to do with an antique warden badge that recently resurfaced at a flea market — a badge connected to a cold case from Charley's past that the Maine Warden Service would rather forget. Fifteen years ago, a young warden was sent on an undercover mission to infiltrate a notorious poaching ring and never returned. He was presumed dead, but his body was never recovered. Mike is desperate to find Charley before he meets a similar fate. His investigation brings him to the miles of forest and riverside towns along the Canadian border—but he soon learns that even his fellow wardens have secrets to keep. And Charley's past isn't the only one coming to light; his daughter, Stacey, has resurfaced to search for her missing father, and Mike must grapple with the return of the woman he once thought was gone forever. Forced to question his faith in the man he sees as a father, Mike must reopen a cold case that powerful people—one of whom may be a killer—will do anything to keep closed.

*Dead by Dawn* Paul Doiron, 2021-06-29 Maine game warden Mike Bowditch finds himself in a life-or-death chase in this next thriller in the bestselling series by Edgar Award nominee Paul Doiron, *Dead by Dawn*. Mike Bowditch is fighting for his life. After being ambushed on a dark winter road, Bowditch crashes his Jeep into a frozen river. Trapped beneath the ice in the middle of nowhere, having lost his gun and any way to signal for help, Mike fights his way to the surface. But surviving the crash is only the first challenge. Whoever set the trap that ran him off the road is still out there, and they're coming for him. Hours earlier, Mike had been called to investigate the suspicious drowning of a wealthy professor. Despite the death being ruled an accident, the victim's elegant, eccentric daughter-in-law insists the man was murdered. She suspects his companion that day, a reclusive survivalist and conspiracy theorist who accompanied the professor on his fateful duck-hunting trip—but what exactly was the nature of their relationship? And was her own sharp-tongued daughter, who inherited the dead man's fortune, as close to her grandfather as she claims? The accusations lead Mike to a sinister local family who claim to have information on the crime. But when his Jeep flies into the river and unknown armed assailants on snowmobiles chase him through the wilderness, the investigation turns into a fight for survival. As Mike faces a nightlong battle to stay alive, he must dissect the hours leading up to the ambush and solve two riddles: which one of these people desperately want him dead, and what has he done to incur their wrath?

Lay This Body Down Charles Fergus, 2023-02-14 Richly textured historical fiction with the urgency of a mystery novel. Fergus knows certain things, deep in the bone: horses, hunting, the folkways of rural places, and he weaves this wisdom into a stirring tale." - Geraldine Brooks, author of *March* and *People of the Book* and *Horse* *Lay This Body Down*, the third Gideon Stoltz Mystery, takes place in 1837 during one of the most horrific periods in pre-Civil War America, when human beings were considered chattel and both northern and southern states grew rich from slave labor. A Pennsylvania sheriff like Gideon could choose to uphold the federal Fugitive Slave Act of 1793 or defy that racist law at great peril. In this hard-hitting,

action-packed novel, Gideon tries to protect a boy who has fled north from a Virginia plantation – and pays dearly for his principles. Written with the vivid, atmospheric prose that imbues the whole series, the life and times of an early American backwoods town and its hardscrabble citizens will grip readers as Gideon and his wife True solve a murder, bust a kidnapping ring, and help one unforgettable boy who courageously chooses freedom above all else.

*Backtrack* Paul Doiron, 2019-06-25 Enjoy “Backtrack”—an original, brand new, short story from Edgar Award finalist Paul Doiron, author of the bestselling Mike Bowditch series. When a visiting hunter goes missing in the middle of a snowstorm, a young Charley Stevens (later the mentor to game warden Mike Bowditch) sets off to rescue him—but begins to suspect the man may not want to be found.

### Enjoying the Song of Phrase: An Mental Symphony within **Mike Bowditch Mysteries In Order**

In a world consumed by monitors and the ceaseless chatter of immediate interaction, the melodic elegance and emotional symphony developed by the prepared term frequently disappear in to the backdrop, eclipsed by the constant sound and distractions that permeate our lives. But, situated within the pages of **Mike Bowditch Mysteries In Order** an enchanting fictional prize brimming with fresh emotions, lies an immersive symphony waiting to be embraced. Constructed by an outstanding composer of language, this captivating masterpiece conducts viewers on a mental trip, well unraveling the concealed tunes and profound affect resonating within each cautiously crafted phrase. Within the depths of this moving analysis, we will investigate the book is key harmonies, analyze their enthralling writing style, and submit ourselves to the profound resonance that echoes in the depths of readers souls.

### Mike Bowditch Mysteries In Order Introduction

In today's digital age, the availability of Mike Bowditch Mysteries In Order books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Mike Bowditch Mysteries In Order books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Mike Bowditch Mysteries In Order books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Mike Bowditch Mysteries In Order versions, you eliminate the need to spend money on physical copies. This

not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Mike Bowditch Mysteries In Order books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Mike Bowditch Mysteries In Order books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Mike Bowditch Mysteries In Order books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and

making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Mike Bowditch Mysteries In Order books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Mike Bowditch Mysteries In Order books and manuals for download and embark on your journey of knowledge?

## FAQs About Mike Bowditch Mysteries In Order Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Mike Bowditch Mysteries In Order is one of the best book in our library for free trial. We provide copy of Mike Bowditch Mysteries In Order in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Mike Bowditch Mysteries In Order. Where to download Mike Bowditch Mysteries In Order online for free? Are you looking for Mike Bowditch Mysteries In Order PDF? This is definitely going to save you time and cash in something you should think about.
