Pucking Strong Emily Rath, 2025-08-26 The Jacksonville Rays go international when their Swedish star forward and the team's physical therapist have to stage a very real fake marriage in this delicious slow burn, spicy MM, workplace hockey romance from viral sensation Emily Rath! My name is Teddy O'Connor, and I just made a terrible mistake. It's been six years since I was an intern for the Jacksonville Rays NHL team. Six years since I wrapped ice packs on knees and played Mario Kart on chartered planes. And six long years since I first met him. Henrik Karlsson, star forward of the Rays . . . and king of my heart. Oh god, I've got to get over this crush! I'm a doctor now, a respected professional. And Henrik doesn't even know I exist. So you tell me why I'm risking everything to follow this man halfway around the world! After receiving news of his

sister's tragic death, Henrik must fly to Sweden to retrieve his injured, grieving young niece. But with a new hockey season about to start, Henrik can't possibly care for her alone. In fact, the Swedish government won't let him. He needs me. They both do. I'd be heartless not to help—right? Well, that's what I told myself last week as I signed our Swedish marriage license. It's what I told myself yesterday as I moved into his apartment. And it's what I'm telling myself now as the Rays PR Director stares us down. They want this marriage to look real. The team's public image, our jobs, and Henrik's custody agreement all depend on it. But my problem isn't that I don't love my fake husband. God help me, my problem is that I do.

Onkere Dr. Blanchard Onanga Ndjila, 2019-05-30 *Onkere: An African Boy's Story of Struggle, Resilience, and Determination* discusses how a young French-speaking African boy from a low-income family named Onkere came to fall in love with the English language and American culture as a whole and how regardless of the incredible setbacks thrown at him to prevent him from realizing his objective, he never gave up on his dream. The book further explores the trouble he went through from Africa to get a scholarship and go to France to pursue his studies. Once in France, as an international student, he overcame special requirements to be allowed to be part of an exchange program to go to America and improve his knowledge of the English language. Once in America, he had to overcome cultural misunderstandings to survive. In the midst of all these twists and turns, the main character ends up holding a doctorate in the field of English and American studies, getting married, having children, becoming an important personality not only for his country but also for the entire world, and working at the United Nations.

Nothing but the Truth Robyn Gigl, 2024-06-25 "Topically relevant, edgy, and riveting" (Library Journal), this groundbreaking and provocative legal suspense series combines a unique protagonist—a transgender defense attorney—with twist-filled, provocative plots that will appeal to fans of J.A. Vance and Philip Margolin. New Jersey State Trooper Jon Mazer has been charged with killing Black investigative reporter Stewart Marshall in a racially charged, headline-making murder. The evidence against criminal defense attorney Erin McCabe's new client is overwhelming. The gun used is Mazer's off-duty weapon. Fingerprints and carpet fibers link Mazer to the crime. And Mazer was patrolling Marshall's neighborhood shortly before the victim took three bullets to the chest. Mazer's argument? He's a gay officer being set up to take the fall in an even bigger story. Mazer swears he was a secret source for Marshall's exposé about the Lords of Discipline. The covert gang operating within the New Jersey State Police is notorious for enforcing their own code of harassing women, framing minorities, and out-powering any troopers who don't play their rogue and racist games. With everyone from the governor to the county prosecutor on the wrong side of justice, Erin and her partner, Duane Swisher, are prepared to do anything to make sure Mazer doesn't become another victim. As Erin deals with an intensely personal issue at home, and faces an uphill battle to prove her client's innocence, both she and Duane find themselves mired in a conspiracy of corruption deeper than

they imagined—and far more dangerous than they feared.

While doing a story on local heroes, she meets a hunky doctor who is the perfect candidate to test her newfound womanly wiles. Yet the more time she spends with Dr. Perfect, the better Trevor looks. But with the in-your-face competition, the irresistible Trevor starts to see Chastity as more than a friend . . . . “An amiable romp that ends with a satisfying lump in the throat.” —Publishers Weekly

If It Gets Quiet Later On, I Will Make a Display Nick Thran,2023-04-29 Essays, stories and poems on the interior lives of bookstores. Nick Thran’s volume of essays, stories and poems is a quietly powerful meditation on a life of reading, writing and bookselling. Thran, who returned to bookselling when he moved with his family to Fredericton, NB, captures the rare magic of reading communities. Here, the bookstore itself sits in the middle of an expanding root system, connecting lives, nurturing interests and stoking passions. It is a place for both private daydreaming and the small talk that staves off loneliness. And it is the fertile ground on which so many authors—including Thran—find the courage to write.
