**185 Quotes & Thoughts from Steve Jobs** Sophy,2018-05-04 Steve Jobs - MacWorld - 1997 "Sometimes, points of view can really make you look at things differently" This single quote summarizes the very reason why we publish the "185 quotes and thoughts from Steve Jobs": we focused on the things that could broaden your horizon, develop your critical thinking or reassess a situation. What is it that Steve - as everyone called him - had said that could have an impact today on your business or on your life? This is the purpose of this book: collect some of the finest words of Steve that you can reflect on. Genius, innovator, inventor, artist, world-changer; one of the greatest advocate of innovation and quality. There is thousands of web pages and dozens of books about Steve. Yet, in the same way Steve relentlessly repeated during his lifetime, we were not satisfied with current publications, so we create our own book, organized it in the way that made sense to us, favored long-form quotes when we could, and included some interview passages that other publishers disregarded, but that we found of great interest. This volume is the result of countless hours of searching, reading, watching, collecting any work about Steve. Whether it is books, written or videos interviews, articles and reportages. We had found not only quotable pieces, but

also ideas Steve expressed that we deemed relevant to truly understand and capture Steve's spirit and timeless philosophy on life.

Quotes for Nasty Women Linda Picone,2017-09-05 Nasty women, unite—and read this compendium of fascinating quotations about powerful women through history. “My passions were all gathered together like fingers that made a fist. Drive is considered aggression today. I knew it then as purpose.” —Bette Davis When Donald Trump referred to Hillary Clinton as “such a nasty woman” during the last presidential debate in 2016, women everywhere felt a jolt of recognition—whatever their politics or feelings about Clinton. In response, they promptly turned his insult into an empowering slogan. This book celebrates the now-ironic phrase with a collection of quotations by and about strong women, both critical and positive. The words come from figures in ancient history like Cleopatra; founding mothers like Mary Wollstonecraft and Elizabeth Cady Stanton; feminist icons such as Gloria Steinem and Betty Friedan; politicians and government leaders; groundbreakers in arts and culture; celebrities; and the mothers, daughters, and sisters at home.

Davis, 2019-12-13 East Texas Nan's Favorite 1,000 Quotes on Inspiration, Wisdom, Humor, Texas & More By: Susan G. Davis  
In 1995 Susan G. Davis (Nan is what Susan's 5 year old grandson called her) 5 year old grandson Clint gave her a journal for Christmas. He suggested "why don't you put all of those quotes you're collecting in that old notebook in this journal" So for 20 years Davis filled her journal. When Clint came home on leave from the Air Force and asked her about the journal, he was surprised that she had accumulated enough information to fill the entire journal! It was he who suggested she put together her collection and create this book for everyone to enjoy. Within the pages of East Texas Nan's Favorite 1,000 Quotes on Inspiration, Wisdom, Humor, Texas & More, Davis hopes that anyone can walk away with something that will enrich their daily lives. Whether it be a ray of optimism, an answered question, inspiration when they need to be uplifted or when they need their funny bone tickled or and animal anecdote to tug at their heart strings or some Texas tidbit. This little book has something for everyone and can be read over and over.
