Have you truly been born again of water and the Spirit? Rev. Paul C. Jong, This title's main subject is to be born again of Water and the Spirit. It has the originality on the subject. In other words, this book clearly tells us what being born again is and how to be born again of water and the Spirit in strict accordance with the Bible. The water symbolizes the baptism of Jesus at the Jordan and the Bible says that all our sins were passed on to Jesus when He was baptized by John the Baptist. John was the representative of all mankind and a descendant of Aaron the High priest. Aaron laid his hands on the head of the scapegoat and passed all the yearly sins of the Israelites onto it on the Day of Atonement. It is a shadow of the good things to come. The baptism of Jesus is the antitype of the laying on of hands. Jesus was baptized in the form of the laying on of hands at the Jordan. So He took away all the sins of the world through His baptism and was crucified to pay for the sins. But most Christians don't know why Jesus was baptized by John the Baptist in the Jordan. Jesus' baptism is the keyword of this book, and the indispensable part of the Gospel of Water and the Spirit. We can be born again only by believing in the baptism of Jesus and His Cross. CONTENTS 1. Of Water and the Spirit Phillip Tovey, 2015-08-31 According to the latest official figures, the Church of England conducts over 2,600 baptisms every week and their popularity seems to be on the rise. The figures for christenings and for adult baptism alike both show an increase of around 5% on the previous year. The opportunities that this presents for mission are clear. As a teacher of ordinands and readers (who cannot officiate at baptisms but who are often involved in baptism preparation), Phillip Tovey surveys the Church's understanding and practice of the rite of baptism from the days of the New Testament to its meaning in today's secular society, and uniquely explores the missional dimension of the liturgy of baptism.

Of Water and the Spirit Alexander Schmemmann, 1974 In this study of the Orthodox understanding of Christian

initiation, the rites of baptism and chrismation, Fr Schmemann invites us to rediscover baptism. He penetrates the Church's rubrics and rituals--often dismissed as out-of-date or merely quaint--to reveal their inner content: a message of man's entrance into new life, into the Church and into the Kingdom. The result is a powerful statement of the meaning baptism should hold in our lives.

Water Baptism and Spirit Baptism Ken Lenz, 2017-11-14 This is a book that clearly and comprehensively covers the topics of both water baptism and Spirit baptism from a purely biblical perspective — rather than from a particular ecclesiastical, historical, or theological perspective. Rather than using isolated Scripture verses in an effort to shore up a position, this book quotes and explains all passages that have a bearing on these two topics, allowing a position to form that is based solely on God's Word. Passages are considered within their broader literary contexts, and alternative interpretations are explored. Water baptism and the baptism in the Spirit are for all Christians. Whether you are a layperson, minister, or teacher, this book is for you!

Truth Triumphant Through the Spiritual Warfare, Christian Labours, and Writings of that Able and Faithful Servant of Jesus Christ, Robert Barclay Robert Barclay, 1718

The Spirit Driven Church Terje Hegertun, 2017-06-28 Must the church be either charismatic or sacramental? In this book, Terje Hegertun argues that she has the privilege of being both. The Day of Pentecost formed her identity and shaped her conviction of being lifted on the arms of grace and pushed forward by the power from on high. In the midst of her vulnerability and failure, the worldwide faith community is a composition of the Spirit. One of the greatest gifts the church may offer the world is simply to be church: a charismatic-sacramental fellowship, a dwelling place of God's Spirit. A church nurtured by graceful charismatic and sacramental gifts fosters a mature congregational spirituality distinguished by

hospitable relations. Thus, the Spirit of God plays the main role of being the comprehensive principle of Christian unity across denominational lines.

The Charnock Discourses Stephen Charnock, 2017-03-23 These series of discourses focus on the work of God and the Holy Spirit in regeneration. While a topic that has been taught in churches for a long time without much thinking about how the thinking developed, in these pages are the answers of how the act of believer salvation comes around.

Holy Water and Evil Spirits Katharina Wilkens, 2011 In Tanzania, the Marian Faith Healing Ministry offers Catholic healing rituals under the patronage of the Virgin Mary. Exorcism and a special water service are central to the healing process. People bring physical, spiritual, and social afflictions before the group's leader, Felicien Nkwera. Combining the perspectives of the study of religions and medical anthropology, this book analyzes Nkwera's pastoral texts and the personal healing narratives of the members. Thus, a complex image of the healing process is created and framed within its Tanzanian interreligious context and its global conservative Catholic context. John Colin G. Kruse, 2017-08-01 Among the Gospels, John's is unique in both structure and content. Ultimately, faith in Jesus is at the center—with signs highlighted to provoke faith and stories of those who responded to Jesus as examples of faith. In this replacement Tyndale commentary Colin Kruse ably reveals how the Fourth Gospel weaves its themes of belief and unbelief into its rich Christology.

Likewise, Christians these days around the world are dying in their bodies and spirits by being infected with the doctrine of repentance. Who would know that the doctrine of repentance is that much wrong? Do you know who made Christians fall into the abyss of spiritual confusion? They are Christian sinners themselves who offer prayers of repentance everyday to be cleansed of their personal sins while claiming to believe in Jesus Christ as their Savior. Therefore, you have to receive the remission of sins by believing in the gospel Word of the water and the Spirit that God gave us originally. You must not lose the blessed chance to be born again. All of us have to escape from the dark tunnel of spiritual confusion by believing in the gospel Truth of the water and the Spirit. Then, we can look at the bright light of the Truth, which came by the gospel of the water and the Spirit. The New Life Mission <https://www.bjnewlife.org>
