Sunkissed Kasie West, 2021-05-04 A swoony contemporary YA romance by fan-favorite author Kasie West about a girl who finds that a summer spent at a family resort isn't as bad as she imagined . . . and that falling in love is filled with heartache, laughter, and surprises! Avery has always used music as an escape. But after her best friend betrays her, even her perfectly curated playlists can't help her forget what happened. To make matters worse, her parents have dragged her and her social-media-obsessed sister to a remote family camp for two months of fun. Just when Avery is ready to give up on the summer altogether, she meets Brooks--mysterious, frustratingly charming Brooks--who just happens to be on staff--which means he's off-limits. What starts as a disaster turns into. . . something else. As the outside world falls away, Avery embarks on a journey of self-discovery. And when Brooks offers her the chance of a lifetime, she must figure out how far is she willing to go to find out what she wants and who she wants to be. Fan favorite Kasie West is back with another unforgettable summer romance that reminds us falling in love is full of wonder, heartache, and--most of all--surprises.

Sway with Me Syed M. Masood, 2021-11-09 She's All That goes desi in this hilarious, affecting, and sweetly romantic comedy by the author of More Than Just a Pretty Face. Arsalan has learned everything he knows from Nana, his 100-year-old great-grandfather. This includes the fact that when Nana dies, Arsalan will be completely alone in the world, except for his estranged and abusive father. So he turns to Beenish, the step-daughter of a prominent matchmaker, to find him a future life partner. Beenish's request in return? That Arsalan help her ruin her older sister's wedding with a spectacular dance she's been forbidden to perform. Despite knowing as little about dancing as he does about girls, Arsalan wades into Beenish's chaotic world to discover friends and family he never expected. And though Arsalan's old-school manners and Beenish's take-no-prisoners attitude clash every minute, they find themselves getting closer and closer—literally. All that's left to realize is that the thing they both really want is each other, if only they can get in step. At turns laugh-out-loud funny, poignant, and sincerely heartfelt, Sway With Me is a coming-of-age story for anyone trying to find their place in the world.

Mediums, Migraines, and Magnetite Pat Sahlin, 2008-11-06 Is it possible for a medium to use automatic writing to have an instant messenger chat with your long lost great-aunt Mary? That's ridiculous. . . . isn't it? Or is it? It seems that a lot of people are doing exactly that. Can some people predict an earthquake within a few days, because their ears ring and they have a headache? Documentation is showing that, yes, apparently they can and do. It's completely impossible to travel back in time via remote viewing to see places and events from centuries ago. . . . isn't it? Perhaps. And then again, perhaps not. Can a medium create a sculpture portrait of a completely unknown spirit entity with no reference material at all, and nothing but a psychic vision of a ghost? At first glance, these things may seem outlandish, something from science fiction. Are they? Are they really supernatural, or could it be something more simple? Could it be connected to something science is just beginning to explore; a tiny crystal called magnetite in the human body. In many ways, this book is as unique and extraordinary as the life and mind of its author. You are about to embark on a precious journey of personal exploration and awakening. If you are looking for adventure and enlightenment, I welcome you to Pat's quest for answers. Gary E. Schwartz, PhD University of Arizona Author of The Afterlife Experiments, Living Energy Universe, and The Truth About Medium.

The Guardian Joyce Sweeney, 2015-02-10 After Hunter prays to the angel Gabriel to protect him, he is shocked when a

motorcycle rider appears to answer his prayers Hunter has spent his life going from foster home to foster home—he's never had a real family looking after him. When his foster father dies, he is left at the mercy of his abusive foster mother, Stephanie, who resents Hunter for coming into their home and ruining her perfect life. Between living with Stephanie's cruelty and dealing with the school bully, Hunter feels like he has no one to turn to—except for the angel Gabriel, who visited Hunter when he was a kid and promised he'd always watch over him. Although he hasn't spoken to Gabriel in a long time, Hunter is desperate to avoid getting beaten again, so he prays for help—and Gabriel answers. Every time Hunter asks Gabriel for something, he receives it. Is he really being protected by a guardian angel? Hunter can't believe he could ever be so lucky, but if an angel isn't protecting him, who is?

Please Hear What I'm Not Saying Charles C. Finn,2011-11-22 Standing at that magical place where sand meets sea, you likely have imagined putting a message in a bottle, consigning it to the waves, hoping it might some day reach another shore, and then not only be read but, incredibly across space and time, make a difference in other lives now connected to your own. It has happened to me, and I must sing of it. In the autumn of 1966 I let the waves carry off a poem passed around to students, family and friends, no need for even my name on it. Its message was simple: Keep heart, you are not alone; love, stronger than strong walls, will come, helping your heart in hiding grow wings, feeble perhaps at first, but wings! Word astoundingly began to come back in 1969, and has continued since, that *Please Hear What I'm Not Saying* was indeed reaching other shores, across space and time was indeed making a difference in other lives. What follows attests to the power of words from the heart to touch other hearts, sometimes even to change other lives. Read on. You, too, will sing of it.

Sisters, Seeds, and Cedars Fountain, Sarah M., History consists mainly of the milestones, the turning points of time. What are often lost in the fray are the details. Thankfully for those who have a hunger for history, books like *Sisters, Seeds, and Cedars* exist to fill in some of the gaps of history. The book contains letters from two sisters, Cornelia and Clara. Originally from Alabama, Clara moves on to Arkansas, while Cornelia stays where her roots are. Clara eventually puts down roots of her own, and the sisters' continue to converse through letter writing for their entire lives. The letters span the generations and provide insight into everyday life between 1850-1928. Without them, it might not be known that a dewlarkie is most likely a slang word of the period for a beau. The letters also provide details of the effects of the Civil War on the citizens of the South. As the sisters recover from the war, they must adjust to their new lives, filled with carpetbaggers and sharecroppers. While it may be impossible to know all the details of history, letters that have survived and have been preserved in a book like *Sisters, Seeds, & Cedars* paint a more complete picture of events that have shaped the world and families alike. Sarah Moseley Fountain is a native Arkansan dedicated to Arkansas literature, history, and culture. She lives in Conway, Arkansas.
