Romances with Schools John I. Goodlad, 2016-07-18 John I. Goodlad has been an unflagging voice for humanistic ideals in education for more than six decades and has helped reframe the modern discourse on the role and function of schools. For Goodlad the goal of public education is to help children become free and full participants in a democratic society by instilling them with a love of learning and a sense of civic responsibility—goals that are incompatible with our present system of schooling that teaches to standardized tests. In *Romances with Schools*, John Goodlad steps out from behind the public persona of distinguished scholar and advocate for public schooling to offer a moving personal account of a life devoted to educating the young. He deftly interweaves fascinating personal details with reflections on many of the larger issues in education that he has explored throughout his career. John's early encounters with formal schooling began just before the Great Depression in Canada with the humble North Star School. From there we are taken through sixty-plus years in education, starting with John's first teaching job as the sole instructor of a one-room schoolhouse through his years as an

education activist, dean of the UCLA Graduate School of Education, and national voice for educational renewal. Along the way, he treats us to vivid characterizations of the men, women, and above all, children who shaped him as a person and inspired his thinking on education. *Romances with Schools* is both a poignant memoir and a persuasive argument for the need to renew public education to fit the demands of a free society. Stephen Goodlad, John's son, has written a moving Prologue to the book that provides behind-the-scenes insight into John's life. An Epilogue by Roger Soder, a long-time colleague, places John's work of school renewal in the context of political change.

Because I was in Mr. Keystone's will. He had always been kind to me, even if his sons weren't, so I could only honor his wishes. And he was like a father to me, and didn't treat me like the maid's daughter. But as soon as I could, I left to go to college. Two years ago. Meanwhile, the boys went their separate ways, too. Estranged from each other. So why was I here having to live in the same house with his sons for a week? This is not a sudden fad, but is rooted in manga-Japanese comics-which since the mid-1940s have developed in an exponential way. Adventures in Amethyst A Trio of Holiday Romances Karen Wiesner, 2022-09-26 (3 in 1 volume) including:
Halloween: NEVER A BRIDE, Book 11: Once upon a time, Ben Johnson believed he had forever sewn up with Layla. But fairy tales rarely come true in reality. Long before her nephew was in a hunting accident and she blamed Ben for not preventing it, the two of them had broken up, citing irreconcilable differences. Layla hadn't wanted his family to know the truth. Following the accident, she walked out--for good, he assumed. Charlize Seagrave never fit in anywhere, drawn to danger, darkness, and drugs. For years, she was the guitarist and songwriter for a death-metal band and involved with the frontman who only encouraged her deadly addictions. In order to hide from Freyr, Charlize checked herself rehab. Later, clean--another first in her life--she attended her new friend's wedding and met Ben. Despite their instant connection, he was supposedly in a committed relationship and she had no interest whatsoever in commitment. If only Ben wasn't so unlike every other person she's ever known. If only she didn't feel like he alone understands and gets her. When Charlize returns to Amethyst at Halloween, Ben knows loneliness has nothing to do with his feelings for her. His attraction to her the last time she was in Amethyst wasn't something he was comfortable with, despite that he and Layla had broken up even before his family learned of the fact. But now Layla is implying she's had a change of heart. Ben wonders if this is all getting too complicated...or if the solution is as simple as a kiss. Thanksgiving: UNLUCKY IN LOVE, Book 12: Layla Dupriest's father was killed in a hunting accident when she was a child so, when the man who was once the love of her life, Benji Johnson, encourages her nephew to go hunting and he's hurt, she blames Ben. Months later, she can see she wasn't fair. Adam Schaefer has loved Tally Johnson, Benji's sister, since he was a teenager, but his love of flying and freedom surpassed anything that might clip his wings like a

wife, monogamy, marriage, and settling down. The last thing he expected was for her to fall for his best friend--and to have that man's baby. Unlucky in love and unable to count their blessings during the Thanksgiving holiday, Layla and Adam find themselves jilted at the same time. Heartbroken, snowed in, and forced to share the only available cabin in town, they have no choice but to re-evaluate everything they've ever wanted in life...and love. Christmas: SHOTGUN WEDDING, Book 13: Trevor and Eden were married right out of high school. She'd believed she was pregnant, but that hadn't been her sole motivation. Wildly in love with Trevor Johnson, she'd worried he was becoming disenchanted with her, his attention consumed by the needy and seductive Delaney Foster who came to Amethyst every year with her family. In the years Eden and Trevor have been married, she's never felt quite secure in the belief that he married her by choice, in love. During the Christmas season, plagued by unspoken guilt and doubts, she finds herself again competing with a soon-to-be divorced, distraught, and disgustingly gorgeous Delaney. Eden is obsessively aware she's no longer as young, thin, or sexy as she'd been before she had three sons. To top off her growing stress, Eden has discovered she and Trevor's oldest son and his girlfriend, in their senior year of high school, are sexually active. The last thing they need is another shotgun wedding and the potential that a marriage undertaken for the sake of a baby isn't necessarily one of choice or love.

Gender Bias in Mystery and Romance Novel Publishing Anna Faktorovich, 2015-04-27 Examines gender bias from the perspective of readers, writers and publishers, with a focus on the top two bestselling genres in modern fiction. It is a linguistic, literary stylistic, and structurally formalist analysis of the male and female "sentences" in the genres that have the greatest gender divide: romances and mysteries. The analysis will search for the historical roots that solidified what many think of today as a "natural" division. Virginia Woolf called it the fabricated "feminine sentence," and other linguists have also identified clear sexpreferential differences in AngloAmerican, Swedish and French novels. Do female mystery writers adopt a masculine voice when they write mysteries? Are femalepenned mysteries structurally or linguistically different from their male competitors', and vice versa among male romance writers? The first part can be used as a textbook for gender stylistics, as it provides an indepth review of prior research. The second part is an analysis of the results of a survey on readers' perception of gender in passages from literature. The last part is a linguistic and structural analysis of actual statistical differences between the novels in the two genres, considering the impact of the author's gender.
