

The Little Blue Connie Mendez

O García

The Little Blue Book aka El Librito Azul Conny Méndez, 2023-08-11 (El Librito Azul English edition) Conny Mendez firmly believed in metaphysics for everyone, and dedicated a significant portion of her life to teaching spiritual truths in plain simple terms that anybody can begin to apply in everyday life. One of her most important, prized, and popular books is El Librito Azul, or The Little Blue Book. It is a compact, concise read that is designed to be carried and read on a regular basis, until its laws and principles are second nature for the reader. This book can teach even a young child how to combine laws of thought with spiritual truth, producing the fruits of what can best be described as a life truly worth living. By popular demand, The Little Blue Book has been revised and updated for the busy 21st century reader, while painstakingly preserving Conny's masterfully-written legacy as faithfully as possible. Order today, and find out how simple life's truths, when properly and lovingly presented, can be!

The Mystery of Christ the Bible Decoded by Neville Goddard Neville Goddard, ALIO Publishing Group, 2023-12-16 12 lectures. 12 wisdoms. 12 revelations. Welcome to the great unveiling of the Mystery of Christ, courtesy of one of the 20th century's greatest New Thought teachers, Neville Goddard. It's all about you, because it's all about God, and you are God asleep. Neville is well known as one of the most influential teachers of the Law of Assumption (where one assumes the thing desired in order to bring it about in reality), a predecessor to the Law of Attraction. What's not-so well known, is his status as a metaphysical teacher of biblical principles & scripture. Goddard frequently hosted community gatherings where he shared his knowledge of The Holy Bible, The Word, God, and Jesus Christ. Sometimes controversial, and always impactful, Neville pulled no punches in his candid messages with the intention to inspire every woman and man to seek their own self-liberation, and find Christ from within. Everyone has the same power. Because one has millions does not make him any more a creator than you are. With this collection of teachings, rarely has so much wisdom been rendered this raw and accessible. As one of our greatest modern teachers concerning matters of God, self, and spirituality, Neville reigns as a shining pioneer of manifestation, LOA, and law of assumption. His words have been preserved here, for the deep benefit of all who will receive them. Neville Goddard lectures in this volume: Good Friday The Crucifixion The Bread & the Wine The Mystery Called Christ Who is the Real Messiah? The Only Christianity ...and 7 more Order your copy of The Mystery of Christ today, and verify in your own mind the true identity of the Christ, His relationship to you, and the great destiny in store for all of us!

How Thoughts Are Things Swami Paramananda, 2024-03-19 This short, essential read re-introduces gems from Swami Paramananda, a much-celebrated teacher & translator of The Upanishads for the Western world. His timeless teachings & wise philosophy will feel like home for the morally conscious, spiritually savvy readers of the 21st century. Inside you will find - with crystal clarity - the formulas behind how the thoughts we think, and our life experience, are irrevocably linked. It is not by dwelling on weakness that we get rid of weakness. It is by dwelling on strength that we become strong. It is by dwelling on light that we conquer darkness. It is by dwelling on wisdom that we overcome ignorance. Buy your copy today and enrich yourself with these and more treasures from a mind truly inspired by the Divine.

How to Read The Tarot Paul Foster Case, 2024-10-11 The Tarot is a book, disguised as a pack of cards. The ultimate guide to tarot card meanings (and how to read them), this comprehensive follow-up to the author's occult classic *An Introduction to the Study of The Tarot*, has finally been revised & refined for digital formats. It covers the 22 major arcana & all 4 sets of suits (including court cards) in elucidating, esoteric detail. All serious students & users of card reading or the Kabbalah will want to add Paul Foster Case's *How to Read The Tarot* to their library immediately. BONUS: this updated version of the 20th century classic includes images of the Rider-Waite Smith pack, in addition to the lesser-known B.O.T.A. (Builders of the Aedytum) version. This is why language fails whenever one attempts to use it to represent experiences which go beyond the range of physical sensation. This is why mystics and seers are forced to resort to symbolic uses of language. It is not that they are trying to hide anything. Nobody could be more eager to express himself than a wise man who has had first-hand knowledge of the inner and higher planes of experience. This is especially apparent in the writings of the alchemists, who had discovered a Great Secret they wished to share with their fellowmen. Yet none of them succeeded in saying what he saw. To most readers, the alchemists seem to be doing their best to conceal what they know. The truth of the matter is that ordinary speech will not serve to convey this kind of experience from one mind to another. (Paul F. Case) Buy Now and discover how deep the mysteries of the Tarot go...

The Little Blue Book Aka El Librito Azul Alio Publishing Group, Conny Méndez, 2023-08-12 Conny Mendez firmly believed in metaphysics for everyone, and dedicated a significant portion of her life to teaching spiritual truths in plain simple terms that anybody can begin to apply today. One of her most important, prized, and popular books is *El Librito Azul*, or *The Little Blue Book*. It is a compact and concise read that is designed to be carried and read on a regular basis, until its laws and principles are second nature for the reader. This book can show even a young child of average intellect how to combine laws of thought with spiritual truth, producing the fruits of what can best be described as a life truly worth living. By popular demand, *The Little Blue Book* has been revised and updated for the busy 21st century reader, while painstakingly preserving Conny's masterfully-written legacy as faithfully as possible. Speaking of faith: by the end of this book, you will know beyond all doubt why, and how, your faith can move mountains!

Thought Conditioners. 40 Powerful Spiritual Phrases That Can Change The Quality of Your Life Norman Vincent Peale,2025-03-27 A short, profound spiritual booklet from Norman Vincent Peale, author of *The Power of Positive Thinking*. In the beginning was The Word - and even in the age of A.I. and TMI, our thoughts can still change our lives for the better when we speak (and think) the right words intentionally, consistently...and faithfully. This set of 40 biblical quotes were cherry-picked by Peale for their proven effectiveness as restorative affirmations in the lives of many - including himself and his patients. You do not have to be a Christian to benefit from these timeless words either! All you need is: an open heart; an open mind; and an honest desire to make the most of this life.

New York Magazine ,1969-07-07 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

All Roads Lead to Rome Yamile Saied Méndez,2025-06-24 What happens when you fall hard for your fallback? In this luminous love story, a young woman who's spent years traveling the globe to outrun her own grief faces a momentous decision on her 33rd birthday... A moving story about wanderlust, loss, hope, and the special magic of finding love in unexpected places—at just the right time - for readers of Elena Armas, Emily Henry and Mia Sosa, from the acclaimed author of the Reese Witherspoon YA Book Club Pick *Furia*. All Stevie Choi ever wanted was a cozy life in suburbia—a loving husband, adorable kids, a dog. That simple dream shattered into a million pieces when she was only seventeen. She's spent the years since trying to outrun the pain and make something of herself, if only to prove to her estranged family that she's happy and successful—even though she's secretly yearning for another chance at love. If only she believed she deserved it . . . So, Stevie drowns herself in her job, and in the low season, “dates” new countries, leaving her Utah home-base to circle the globe, from Paris to Cairo to Cabo San Lucas, curating a gorgeous Instagram feed—while spending every New Year alone. Then one frigid January day in Rome she meets Cristian. He would be her perfect match—if they weren't separated by continents and obligations. Unable to say goodbye, they agree that if they're both single at seventy, they'll marry each other if only to have a fun companion to travel with. . . . But through the years, their friendship grows into something more, and

suddenly it's up to Stevie to choose happiness . . . Sparkling with hope, *All Roads Lead to Rome* soulfully examines all the ways a tender heart can be broken—and how faith in the future—and in oneself—can make it whole again . . .

The Hall Ball Ralph Carhart,2020-07-03 Rescued in 2010 from the small creek that runs next to Doubleday Field in Cooperstown, New York, a simple baseball launched an epic quest that spanned the United States and beyond. For eight years, The Hall Ball went on a journey to have its picture taken with every member of the Baseball Hall of Fame, both living and deceased. The goal? To enshrine the first crowd-sourced artifact ever donated to the Hall. Part travelogue, part baseball history, part photo journal, this book tells the full story for the first time. The narratives that accompany the ball's odyssey are as funny and moving as any in the history of the game.
