the outskirts of the Kingdom of the Ring. The youngest of four, the least favorite of his father, hated by his brothers, Thorgrin senses he is different from the others. He dreams of becoming a great warrior, of joining the King's men and protecting the Ring from the hordes of creatures on the other side of the Canyon. But King's Court is rife with its own family dramas, power struggles, ambitions, jealousy, violence and betrayal. King MacGil must choose an heir from amongst his children, and the ancient Dynasty Sword, the source of all their power, still sits untouched, waiting for the chosen one to arrive. Thorgrin arrives as an outsider and battles to be accepted, and to join the King's Legion. Thorgrin comes to learn he has mysterious powers he does not understand, that he has a special gift, and a special destiny. Against all odds he falls in love with the king's daughter, and as their forbidden relationship blossoms, he discovers he has powerful rivals. As he struggles to make sense of his powers, the king's sorcerer takes him under his wing and tells him of a mother he never knew, in a land far away, beyond the Canyon, beyond even the land of the Dragons. Before Thorgrin can venture out and become the warrior he yearns to be, he must complete his training. As a power struggle ensues, Gwen finds her queenship under challenge for the first time—while the greatest threat to the Ring looms. Behind the McClouds lie the threat of Romulus and his dragons, who, with the Shield destroyed, embark on a catastrophic invasion, nothing left to stand between them and the complete annihilation of the Ring. Romulus, with Luanda at his side, is unstoppable while the moon lasts, and Gwen must fight for survival—for herself, for her baby, and for her people—amidst an epic battle of dragons, and of men. Kendrick leads the Silver in a valiant battle, and he is joined by Elden and the new Legion recruits, along with his brother Godfrey, who surprises everyone, including himself, with his acts of valor. But even so, it may not all be enough. Thor, meanwhile, embarks on the quest of his life in the Land of the Druids, trekking across a fearsome and magical land, a land unlike any other, with magical rules out of its own. Crossing this land will require every ounce of

strength and training he has, will force him to dig deeper within, to become the great warrior—and Druid—he was meant to be. As he encounters monsters and challenges unlike ever before, he will have to lay down his life to try to reach his mother. Erec and Alistair journey to the Southern Isles, where they are greeted by all of his people, including his competitive brother and envious sister. Erec has a dramatic final meeting with his father, as the island prepares for him to ascend the throne as King. But in the Southern Isles, one must fight for the right to be King, and in an epic battle, Erec will be tested as never before. In a dramatic twist, we learn that treachery hides even here, in this place of noble and great warriors. Reece, embattled and surrounded on the Upper Isles, must fight for his life after his vengeance on Tirus. Desperate, he finds himself united with Stara, each wary of the other, yet untied in a quest to survive—one that will culminate in an epic battle at sea and will threaten the entire island. Will Gwen cross the sea to safety? Will Romulus destroy the Ring? Will Reece and Stara be together? Will Erec rise as King? Will Thor find his mother? What will become of Guwayne? Will anyone be left alive? A Cry of Honor (Book #4 in the Sorcerer's Ring) Morgan Rice, 2013-03-01 In *A CLASH OF HONOR* (Book #4 in the Sorcerer's Ring), Thor has returned from The Hundred as a hardened warrior, and now he must learn what it means to battle for his homeland, to battle for life and death. The McClouds have raided deep into MacGil territory—deeper than ever before in the history of the Ring—and as Thor rides into an ambush, it will fall on his head to fend off the attack and save King's Court. Godfrey has been poisoned by his brother by a very rare and potent poison, and his fate lies in Gwendolyn's hands, as she does whatever she can to save her brother from death. Gareth has fallen deeper into a state of paranoia and discontent, hiring his own tribe of savages as a personal fighting force and giving them Silver Hall—ousting The Silver and causing a rift in King's Court that threatens to blow up into a civil war.
