The Power of Silence Robert Cardinal Sarah, Nicolas Diat, 2017-04-15 In a time when technology penetrates our lives in so many ways and materialism exerts such a powerful influence over us, Cardinal Robert Sarah presents a bold book about the strength of silence. The modern world generates so much noise, he says, that seeking moments of silence has become both harder and more necessary than ever before. Silence is the indispensable doorway to the divine, explains the cardinal in this profound conversation with Nicolas Diat. Within the hushed and hallowed walls of the La Grande Chartreuse, the famous Carthusian monastery in the French Alps, Cardinal Sarah addresses the following questions: Can those who do not know silence ever attain truth, beauty, or love? Do not wisdom, artistic vision, and devotion spring from silence, where the voice of God is heard in the depths of the human heart? After the international success of *God or Nothing*, Cardinal Sarah seeks to restore to silence its place of honor and importance. Silence is more important than any other human work, he says, for it expresses God. The true revolution comes from silence; it leads us toward God and others so as to place ourselves humbly and generously at their service.

The Day is Now Far Spent Robert Cardinal Sarah, Nicholas Diat, 2019-09-09 Robert Cardinal Sarah calls *The Day Is Now Far Spent* his most important book. He analyzes the spiritual, moral, and political collapse of the Western world and concludes that the decadence of our time has all the faces of mortal peril. A cultural identity crisis, he writes, is at the root of the problems facing Western societies. The West no longer knows who it is, because it no longer knows and does not want to know who made it, who established it, as it was and as it is. Many countries today ignore their own history. This self-suffocation naturally leads to a decadence that opens the path to new, barbaric civilizations. While making clear the gravity of the present situation, the cardinal demonstrates that it is possible to avoid the hell of a world without God, a world without hope. He calls for a renewal of devotion to Christ through prayer and the practice of virtue.

**For Eternity** Robert Cardinal Sarah, 2023-04-18 We have to look at the truth head-on: the priesthood seems to be failing. The priesthood, its status, its mission, and its authority have been placed at the service of the worst crimes... The search for worldly glory, power, honors, early pleasures, and money has infiltrated the hearts of priests, bishops, and cardinals. How can we tolerate such deeds without trembling, without weeping, without asking ourselves probing questions?--Page [4] of cover.

Catechism of the Spiritual Life Robert Cardinal Sarah, 2022 Organized around the sacraments, prayer, asceticism, and the liturgy, this book is infused with a single goal: to make us all aware that our Baptism is the beginning of a great conversion-- the return to the Father. *He Gave Us So Much* Robert Sarah, 2024-01-18 Benedict XVI was a spiritual master, writes Robert Cardinal Sarah of his longtime mentor, after his death early 2023. His very precise and profound theological thought is rooted in an authentic mystical and spiritual experience. This book offers not an academic analysis of Ratzinger's intellectual work, but a personal sketch of the soul of Joseph Ratzinger, a glimpse into the secret recesses of his heart. In *He Gave Us So Much*, Cardinal Sarah traces the spiritual contours of Ratzinger's life and thought, revealing the image of a man on fire with love for God and neighbor. Benedict XVI was no professor in an ivory tower, but a shepherd and pastor, with the heart of a father. For him, prayer and meditation—communion with Christ—stand at the vibrant center of all Christian existence. After a series of essays on Ratzinger, *He Gave Us So Much* also presents a selection of texts and homilies written by the late pope himself, arranged by Cardinal Sarah as a spiritual itinerary for prayer. These works invite us to follow Jesus in our own lives—body, soul, and spirit—to the ends of the earth and beyond. You may discover an unexpected, unknown Benedict XVI, proposes Cardinal Sarah. His teaching and his example are a continent, still unexplored, where the Church will be able to find nourishment for a long time. This is no ordinary biography, but—in Sarah's words—the portrait of a saint.

*God or Nothing* Robert Sarah, 2015-08-07 The idea of putting Magisterial teaching in a beautiful display case while separating it from pastoral practice, which then could evolve along with circumstances, fashions, and passions, is a sort of heresy, a dangerous schizophrenic pathology. I therefore solemnly state that the Church in Africa is staunchly opposed to any rebellion against the teaching of Jesus and of the Magisterium. . . . The Church of Africa is committed in the name of the Lord Jesus to keeping unchanged the teaching of God and of the Church. — Robert Cardinal Sarah In this fascinating autobiographical interview, one of the most prominent and outspoken Catholic Cardinals gives witness to his Christian faith and comments on many current controversial issues. The mission of the Church, the joy of the gospel, the “heresy of activism”, and the definition of marriage are among the topics he discusses with wisdom and eloquence. Robert Cardinal Sarah grew up in Guinea, West Africa. Inspired by the missionary priests who made great sacrifices to bring the Faith to their remote village, his parents became Catholics. Robert discerned a call to the priesthood and entered the seminary at a young age, but due to the oppression of the Church by the government of Guinea, he continued his education outside of his homeland. He studied in France and nearby Senegal. Later he obtained a licentiate in theology at the Pontifical Gregorian University in Rome, followed by a licentiate in Sacred Scripture at the Studium Biblicum Franciscanum of Jerusalem. At the age of thirty-four he became the youngest Bishop in the Catholic Church when John Paul II appointed him the Archbishop of Conakry, Guinea, in 1979. His predecessor had been imprisoned by the Communist government for several years, and when

Archbishop Sarah was targeted for assassination John Paul II called him to Rome to be Secretary of the Congregation for the Evangelization of Peoples. In 2010 Pope Benedict XVI named him Cardinal and appointed him Prefect of the Pontifical Council Cor Unum. Pope Francis made him Prefect of the Congregation for Divine Worship and the Discipline of the Sacraments in 2014.

**Cardinal Robert Sarah, Defender of Faith** Spencer Ashcroft, 2025-02-28 Cardinal Robert Sarah, a prominent figure in the Roman Catholic Church, is known for his unwavering commitment to the faith, his deep understanding of tradition, and his role as a leading voice in contemporary discussions about the Church's direction. His journey from his humble beginnings in Guinea to becoming one of the most influential members of the Vatican is a testament to his dedication to God, the Church, and the world. In this book, we will explore the life, work, and legacy of Cardinal Sarah, delving into the various facets of his priestly vocation, his perspectives on liturgy, his defense of tradition, and his steadfast leadership in an increasingly secular world. Born in 1945 in the small village of Ourous, Guinea, Robert Sarah came from a deeply religious family. Raised in a culture where faith was an integral part of daily life, he quickly developed a strong sense of vocation and began to feel the call to the priesthood at a young age. His journey from a young boy with a dream of serving God to a cardinal of the Roman Catholic Church is not only remarkable but also inspiring for those who follow the path of faith. As the Preface of this book, it is only fitting to begin by acknowledging Cardinal Sarah's role as a servant of the Church. This book seeks to honor his contributions and offer a glimpse into the personal and spiritual journey that led him to become one of the most prominent figures in the Catholic Church. Through his experiences, insights, and teachings, Cardinal Sarah has provided a unique perspective on what it means to live a life devoted to God, to the Church, and to the world. His life and ministry provide a rich tapestry of theological reflection, pastoral care, and intellectual rigor. His work as the Prefect of the Congregation for Divine Worship and the Discipline of the Sacraments allowed him to guide the Church in its liturgical practices and deepen its appreciation for tradition. Cardinal Sarah has consistently advocated for the preservation of sacred liturgy, the importance of silence in prayer, and the need for a return to reverence and awe in the worship of God. His commitment to these principles has made him both a beloved figure among traditionalists and a controversial one among those who advocate for a more modern approach to liturgy and ecclesial life. Throughout the chapters that follow, we will explore Cardinal Sarah's early life and the influences that shaped his understanding of the faith. We will delve into his rise to prominence within the Vatican and his role in shaping the Church's response to the challenges of the modern world. Cardinal Sarah's influence is not limited to the liturgical sphere; he is also a powerful voice for the defense of Christian values in a secularized world. His commitment to the teachings of the Church and his willingness to speak out against the secular forces that threaten the faith have earned him the respect of many and the criticism of others. The chapters of this book will explore the many aspects of Cardinal Sarah's life and ministry, from his early days as a priest to his current role as a cardinal and key

figure in the Vatican. Each chapter will provide a deep dive into the themes that define his life's work, from the importance of tradition and reverence in the Church to his role as a spiritual leader for Catholics around the world. We will also examine Cardinal Sarah's controversial opinions on various aspects of the Church, from liturgical reform to the role of women in the Church, and his vision for the future of Catholicism. In a world where the Church is facing significant challenges, Cardinal Sarah's voice is a call to return to the roots of the faith and to embrace the timeless truths that have guided the Church for centuries. In closing, this eBook serves as an introduction to a man who has dedicated his life to serving God and the Church. Cardinal Robert Sarah's unwavering faith, dedication to tradition, and strong leadership make him a figure of immense importance in the Catholic Church. His story is one of perseverance, conviction, and an unyielding desire to serve Christ and His Church. As you read this book, you will come to understand the profound impact that Cardinal Sarah has had on the Church, the world, and on the lives of countless faithful Catholics.

**Couples, Awaken Your Love** Robert Sarah, 2021-08-16 With the luminous insight that we have come to expect from his writings, Robert Cardinal Sarah helps spouses rediscover the deep source of their love—God Himself—and the means for letting love between them grow. This book presents the essentials of a retreat that the cardinal preached to married couples in Lourdes, France. It is meant for all couples, including those who are struggling. There is a path to renewal for everyone, and couples in every situation can find again the preciousness of the love that binds them, no matter how hidden it may be. We are all, without exception, called to joy, and Christ alone can give it to us. He works through his Church, through the sacraments, and through his saints—especially Mary, the Mother of God, who heals couples.

**A Time to Die** Nicolas Diat , 2019-06-13 Behind monastery walls, men of God spend their lives preparing for the passage of death. Best-selling French author Nicolas Diat set out to find what their deaths can reveal about the greatest mystery faced by everyone—the end of life. How to die? How to respond to our fear of death? To answer these and other questions, Diat travelled to eight European monasteries including Solesmes Abbey and the Grande Chartreuse. Through extraordinary interviews with monks, he learned that their death experiences are varied and unique, with elements of peace, pain, humility, sorrow, and joy. These monks have the same fears, torments, and sorrows as everyone else, Diat discovered. What is exemplary about them is their humility and simplicity. When death approaches, and its hand reveals its strength, they are like happy and naïve children who wait with impatience to open a gift. They have complete confidence in the mercy of God.

**From the Depths of Our Hearts** Pope Benedict XVI, Robert Sarah, 2020 The priesthood is going through a dark time, according to Pope Emeritus Benedict XVI and Robert Cardinal Sarah. Wounded by the revelation of so many scandals, disconcerted by the constant questioning of their consecrated celibacy, many priests are tempted by the thought of giving up and abandoning everything. In this book, the pope emeritus and the prefect of the Congregation for Divine Worship and the Discipline of the Sacraments give their brother priests, and the whole Church, a message of hope. They honestly address the

spiritual challenges faced by priests today, while pointing to deeper conversion to Jesus Christ as the key to faithful and fruitful priestly ministry and genuine reform. Benedict XVI and Cardinal Sarah fraternally offer these reflections to the people of God and, of course, in a spirit of filial obedience, to Pope Francis, who has said, I think that celibacy is a gift for the Church. . . . I don't agree with allowing optional celibacy, no. Responding to calls for refashioning the priesthood, including proposals from participants in the Amazonian Synod, two wise, spiritually astute pastors explain the importance of priestly celibacy for the good of the whole Church. Drawing on Vatican II, they present celibacy as not just a mere precept of ecclesiastical law, but as a sharing in Jesus' sacrifice on the Cross and his identity as Bridegroom of the Church.

In the Closet of the Vatican Frederic Martel, 2019-02-21 The New York Times Bestseller '[An] earth-shaking exposé of clerical corruption' - National Catholic Reporter In the Closet of the Vatican exposes the rot at the heart of the Vatican and the Roman Catholic Church today. This brilliant piece of investigative writing is based on four years' authoritative research, including extensive interviews with those in power. The celibacy of priests, the condemnation of the use of contraceptives, the cover up of countless cases of sexual abuse, the resignation of Benedict XVI, misogyny among the clergy, the dramatic fall in Europe of the number of vocations to the priesthood, the plotting against Pope Francis - all these issues are clouded in mystery and secrecy. In the Closet of the Vatican is a book that reveals these secrets and penetrates this enigma. It derives from a system founded on a clerical culture of secrecy which starts in junior seminaries and continues right up to the Vatican itself. It is based on the double lives of priests and on extreme homophobia. The resulting schizophrenia in the Church is hard to fathom. But the more a prelate is homophobic, the more likely it is that he is himself gay. 'Behind rigidity there is always something hidden, in many cases a double life'. These are the words of Pope Francis himself and with them the Pope has unlocked the Closet. No one can claim to really understand the Catholic Church today until they have read this book. It reveals a truth that is extraordinary and disturbing.

The Next Pope Edward Pentin, 2020-07-07 When Pope Francis' pontificate has passed, it's very likely that one of the nineteen cardinals featured in these pages will be elected to become the next Supreme Pontiff of the Catholic Church.

Eight Popes and the Crisis of Modernity Russell Shaw, 2020-05-06 Assaults on the dignity and rights of the human person have been central to the ongoing crisis of the modern era in the last hundred years. This book takes a searching look at the roots of this problem and the various approaches to it by the eight men who led the Catholic Church in the twentieth century, from Pope St. Pius X and his crusade against Modernism to Pope St. John Paul II and his appeal for a renewed rapprochement between faith and reason. Thus it offers a distinctive, illuminating interpretation of recent world events viewed through the lens of an ancient institution, the papacy, a key champion of human rights under attack in modern times.

The fascinating story is told through short profiles of the eight popes combining crucial, often little known, facts about each by an author who is a veteran observer of Church affairs, a former top official of the conference of bishops of the USA, and consultant to the Vatican. It is written clearly and simply, but with carefully documented precision. A special feature are the substantial excerpts from the writings of the popes that give important insights into their personalities and thinking. It also includes a useful overview of the Second Vatican Council (1962-65) and its pivotal role in reshaping the Catholic Church. *Eight Popes and the Crisis of Modernity* contains judgments that will be challenged by partisans of both liberal and conservative ideological persuasions. But serious and open-minded readers, Catholics and non-Catholics alike, will find it an informative, timely, and inspiring guide to understanding many central events and issues of our times, while students of Church history will find it indispensable.
