This giddy, sexy series... is a delight." - Publishers Weekly (starred review) Missing teens. Impossible magic. And the sexy nemesis who might drive her to murder. Ashira Cohen takes great pride in the detective agency she's built from scratch. It may be small, but she harbors big dreams of becoming a renowned sleuth. Thing is, a modern-day Sherlock Holmes wouldn't let her stakeout go sideways. Or find a mysterious tattoo hidden on her scalp. Or discover it's a now-broken ward that was suppressing dangerous magic she had no idea she possessed. Don't even get her started on the golem. The only bright spot is

that her new unruly powers nearly kill her long-time nemesis, Levi, the irritatingly hot leader of the magic community. No, right... that's a bad thing. One word from him revealing her forbidden abilities and she'll be locked up for life, with everything she's built taken from her by force. Definitely a bad thing. Except... It seems Levi requires her unique set of skills to solve a spree of abductions. This is her shot. Sure, there's a sinister supernatural organization pulling strings from the shadows, but Ash is positive she can rescue the captives, uncover the truth, and take her career to a new level. Plus, after years of being underestimated by Levi, it's Ash's chance at payback. And she's going to relish bringing him to his knees. So forgotten, she hadn't thought about it in over two decades until an old, unpleasant lover borrows a book and an innocent chat over coffee stirs long-buried emotions. And once those gates open, they're not so easily shut – the crazy keeps on coming in the form of a dead woman, a ridiculously gorgeous (and frustrating) man who keeps turning up around every corner, and a party at a stately home that's to die for. Literally. Sophia's forgotten history is going to have to be remembered in a race against time if she wants to save her own life. Unfortunately, Sophia's discovering her life isn't what she thought it was – at all. In fact, her life might not even be hers, but indebted to a twisted, dark world made up of ancient vows and blood ties ... ones she can feel surging through her veins... This is a passionate vampiric urban fantasy from British author, Dianna Hardy, set in a quaint English town in Hampshire.
