**My Journey** Ramsis F. Ghaly MD FACS, 2020-01-17 My journey is documented in this two-volume book numbers 14th and 15th of my series "Christianity and the Human Brain". My journey is a testimony to Lord Jesus who took me by the hand from being a dismal soul to a renown neurosurgeon and anesthesiologist through a dream I had in 1974 with his words: "Son study all these books in my hand and I shall bless you and bless your patients". Why medicine? Why study the brain and the nervous system? This is the story of my calling, which had a pessimistic reputation among students and doctors at that time. For me, it was a window to experience the Hand of God in man, and I dedicate all that I had to the Human brain and Neuroscience. Nothing since then has been able to detour me from my intense mission and passion which my Lord set before me. As I am a minority Christian in Egypt, a religion persecuted continually, with obstacles unending yet conquered. Doors were shut before my eyes. Unexpectedly, plan "A" was surrendered as the right door opened. Thus, the birth of my divine journey in Medicine and Neuroscience began. Today, 35 years later, I continue to dedicate my life to my Lord, my patients and the residents I mentor. The fulfillment of my joy is when my Almighty helps me to care for my patients and guides my hand in both neurosurgery and the teaching of coming generations. There are many stories and reflections to share with you. Lessons learned in various topics. It is my honor to share with you my journey and my Joy. The two volume books contain 181 chapters, distributed in twenty sections (ten in each volume) covering major highlights in my life journey. In addition to deep reflections from my own life stories in faith and medicine, topics include Jesus, love, patient care, the human brain, neurosurgery, illness, residents, healthcare crises, meditations and memories over four decades. I hope you, the reader, to take the positives of my journey and find it useful to your own journey as a participant sojourning in this world with me. Blessed are those striving early on in their life to serve our Savior Jesus Christ, to him is the glory for ever and ever, Amen.

**Ralph** Charles Oliver Green,2024-06-25 A Pawfully Perfect Puppy for Emily is a heart warming story about a young girl, Emily, when asked what she wanted as a gift for completing grade two quickly shouted. "A PUPPY! A PUPPY! My three others pets need a friend." But there was, however, another much more important reason she had in mind. Maybe a puppy would change the 'no pets allowed in the house rule'. Over her mother's objection, the family ended up at Delbert Kennels where Emily found the cutest ball of fluff with big floppy ears, the runt of the litter trying to attract her attention frolicking on top of his sleeping siblings. When Emily picked the puppy up and said "I want this one!" there was a meeting of two hearts no one could explain With great ceremony back at the Emily's playhouse the puppy was given the name Ralph. His loves and licks helped Emily deal with a great many issues with her mother's depression. He was a great comfort to Emily. But he was always up for fun and adventure and got himself into trouble with his new found friends more than once. In addition to being a sweet story about a girl and her puppy, this book sparks a broader discussion about depression and mental health. Important topics to introduce to young readers especially children who may have a parent suffering from depression And yes indeed Ralph was not only allowed in the house but was even helped Emily's mother deal with her depression.

**Reflections from McNally's Mirror** Glen Cantrell Raymond Fernandez Tony Aiello, 2013-09 In 1896, Andrew McNally dreamed of Country Gentleman Estates in La Mirada, California. His dream did not come to pass as he planned, but in the early 1950s the area developed and young families moved here from all over and found it really was a dream place to live and raise a family. In 2003 when Tony and a group of equally dedicated people started the La Mirada Blog, it soon became

obvious that there were many others out there willing to share their varied stories. When these three got together, Tony, Glen and Raymond, they realized these fantastic memories needed to be put down in print for posterity, not out there getting lost in cyberspace. Thus, *Reflections from McNally's Mirror* was born and you are holding those personal stories in your hands.

Now Moon is back—and so is her butt-kicking, take-no-prisoners heroine, Kylara Vatta. Once the black-sheep scion of a prosperous merchant family, Kylara now leads a motley space force dedicated to the defeat of a rapacious pirate empire led by the mysterious Gammis Turek. After orchestrating a galaxy-wide failure of the communications network owned and maintained by the powerful ISC corporation, Turek and his marauders strike swiftly and without mercy. First they shatter Vatta Transport. Then they overrun entire star systems, growing stronger and bolder. No one is safe from the pirate fleet. But while they continue to move forward with their diabolical plan, they have made two critical mistakes. Their first mistake was killing Kylara Vatta's family. Their second mistake was leaving her alive. Now Kylara is going to make them pay. But with a "fleet" consisting of only three ships—including her flagship, the *Vanguard*, a souped-up merchant cruiser—Kylara needs allies, and fast. Because even though she possesses the same coveted communication technology as the enemy, she has nowhere near their numbers or firepower. Meanwhile, as Kylara's cousin Stella tries to bring together the shattered pieces of the family trading empire, new treachery is unfolding at ISC headquarters, where undercover agent Rafael Dunbarger, estranged son of the corporation's CEO, is trying to learn why the damaged network is not being repaired. What he discovers will send shock waves across the galaxy and crashing into Kylara's newly christened Space Defense Force at the worst possible moment.
