Blood Moons Rising Mark Hitchcock, 2014-03-21 Has the final countdown to the end days begun? Are the heavens telling us we are nearing the end? Astronomers have noticed it is coming. Historians have noted its significance. In 2014 and 2015, there will be a phenomenon in the skies of four blood moons falling during Jewish feasts. This has only happened three times in recorded history: 1493-94, 1949-50 and 1967-68. Each time these dates have had extraordinary significance for the Israelites. From the discovery of the New World to the creation of modern-day Israel, these years of the four blood moons have truly been turning points in history. Bible prophecy describes the moon being darkened and turned to blood. What is the significance of these signs in the skies? What will the future bring? Prophecy expert Mark Hitchcock guides you through the relevant Bible passages so you can understand the times in which you live.

Moon Phase Astrology Raven Kaldera, 2011-03-28 A guide to understanding the phases of astrological Moon signs and their effects on emotions and personality • Describes the positive and negative character-defining traits of each of the 96 Moon phase/Moon sign combinations • Explains how to use your natal Moon's sign and phase to predict how current and approaching Moons can affect you • Explores the universal challenges arising during each Moon phase throughout the year and ways to honor each phase as it passes The Moon's ever-changing phases offer a way to deepen our understanding of our natal Moon sign as well as the Moon's day-to-day influence on our emotional tides. Through its 8 phases and its wandering dance through each of the 12 signs of the Zodiac--from the Infant's Moon (the New Moon in Aries) to the Storyteller's Moon (the Full Moon in Gemini) to the Prophet's Moon (the waning Balsamic Moon in Aquarius)--the Moon shares its story in 96 different ways. Telling the stories of the heart of all 96 Moon phase and Moon sign combinations, Raven Kaldera explains the creative gifts and emotional challenges bestowed upon those born under each Moon archetype as well as how to nurture the positive traits and improve--or at least discourage--the negative ones. Exploring the influences each Moon archetype has on us as it passes, the author reveals which Moons are the most difficult, what innate qualities each Moon brings out in us, and what we can do to honor each Moon. Including evocative quotes illuminating the nature of each Moon, Kaldera shows how to use your natal Moon's astrological sign and phase to find your "hidden Moons"--the shadows cast by passing Moons--and predict how current and approaching Moons will affect you.

Low Red Moon Caitlin R. Kiernan, 2007-08-07 Chance Silvey grew up in her grandparents' house on the side of Red Mountain, high above the urban sprawl of Birmingham, Alabama. Chance is hallucinating, seeing blood everywhere, and is afraid to uncover what it means. Under the Blood Red Moon Mina Hepsen, 2008-09-30 Cursed with the ability to hear the thoughts of others, beautiful Angelica Shelton Belanov feels most comfortable when hidden away in the library of her father's English country estate. Now family duty requires that she make an appearance at a glittering gala, mingling with the cream of London society in hopes of

finding a suitable husband. Assailed by the unwanted “chatter” of many minds, Angelica finds relief in the company of a handsome aristocratic stranger who remains, refreshingly, an enigma. But Prince Alexander is not like other men. The powerful leader of an Eastern clan of immortals, he has come to London to hunt down a rogue vampire who threatens the survival of his dwindling kind. Angelica can sense that Alexander is dangerous, a mystery to be unraveled at her own peril. Yet desire sears them both—she, the bewitching telepath, and he, the fearless leader who must learn to trust his heart. And unrestrained passion has strict demands that could cost them both their lives...and their souls.

In the Shadow of the Moon Anthony Aveni, 2017-04-25 From an award-winning author, astronomer, and anthropologist, an exploration of the scientific and cultural significance of the mesmerizing cosmic display. Since the first humans looked up and saw the sun swallowed by darkness, our species has been captivated by solar eclipses. Astronomer and anthropologist Anthony Aveni explains the history and culture surrounding solar eclipses, from prehistoric Stonehenge to Babylonian creation myths, to a confirmation of Einstein’s theory of general relativity, to a spectacle that left New York City in the moon’s shadow, to future eclipses that will capture human imaginations. In one accessible and engaging read, Aveni explains the science behind the phenomenon, tracks eclipses across the ancient world, and examines the roles of solar eclipses in modern times to reveal the profound effects these cosmic events have had on human history. Colored by his own experiences—Aveni has witnessed eight total solar eclipses in his lifetime—his account of astronomy’s most storied phenomenon will enthrall anyone who has looked up at the sky with wonder. “Aveni’s authoritative but accessible text is the clearest statement of the way our perception of eclipses has changed over the centuries.” —Stuart Clark, *New Scientist* “Authoritative and engaging.” —Marcelo Gleiser, NPR’s 13.7 “A recommended way to share the spirit of the occasion.” —Laurence A. Marschall, *Natural History* magazine “Everything you need to enjoy a solar eclipse—and even predict one, just like the Babylonians did! Aveni’s entertaining explorations show the very different impacts eclipses have had on past and present cultures.” —David DeVorkin, National Air and Space Museum, Smithsonian Institution

Information is provided on production, cast and filmmakers, along with critical discussion of the tropes and underlying themes that make the werewolf a terrifying but fascinating figure.

3 Reasons To Not Kiss a Warlock Jo-Ann Carson, 2021-04-12 Three Reasons Not to Kiss a Warlock Will the power of three set me free? Powerful magic drew me to a cozy, Pacific Northwest town called Mystic Keep, a sanctuary for badass witches like me. It's the sort of place where things go bump in the night—every night—and anything can happen. But that's not what scared me. My name is Merlina Black and I'm a middle-aged enchantress whose flown around the block a few times. But when I met the warlock, Donovan O'Reilly, my heart sputtered. That's what terrified me. I'm old enough to know there's no such thing as a soulmate; old enough to know love ends in tragedy; and definitely, old enough to know sexy warlocks spell trouble. But, the devilishly-handsome Donovan short-circuited my circuits, stirred my cauldron, and hexed my hormones. Since bad luck and good magic happen in threes, I figured the cure for my infatuation was to find three, good reasons to not kiss him. When Donovan asked me to join him in his lair to conjure sorcery to save the town, our lives changed forever. Will our shared magic be strong enough to save Mystic Keep from its latest threat? Will I survive this experience with any circuits left to fry? And will I find a good reason to not kiss the sexy warlock? You need to read my story to find out. This is a steamy, stand-alone novella, a supernatural-romance set in the Mystic Keep Universe. If you like paranormal women's fiction, witchy romance with a side of humor, and/or a slice of saucy urban fantasy, you'll love this story.

Nowhere to Hide Chalfont St. Giles, 2024-01-15 About the Book Love, jealousy, greed, just some of the raw human emotions that fill the pages of St. Giles' latest collection of short stories.

THE SIXTH SEAL II Cliff Kelly, 2024-01-30 Today, we are witnessing the historically powerful American Order experiencing perhaps its greatest peril as it struggles against the tidal wave of new challenges from Covid-19, the rapid rise of Christian Nationalism, large-scale Apostasy, and an increasingly divided nation streaming toward increased violence and possibly even Civil War. Dr. Kelly takes on these growing trends by examining Scripture by Scripture, the Sixth Chapter of the Book of Revelation as a Template to help explain the reasons for the current Crisis, and where America is likely headed if we do not effectively and biblically confront it. He argues that these events constitute the many Birth Pangs leading up to the stunning Return of Jesus Christ to rescue His true Church and judge the nations. But before that Day, Christians in America and around the world must prepare to move through those first tumultuous Seals, as God sifts and separates the true follower of Christ from the impostors. This is a riveting ride, and the reader is urged to have a Bible and a notepad close by, as we explore what Dr. Kelly termed in the first edition of this book, The End of History as We Know It. 2

Sixty-Nine Weeks of Daniel, Chapter 9 Robert R. Armstrong, 2012-04-05 The Sixty-Nine Weeks of Daniel, Chapter 9 examines the positions of Sir Robert Anderson and Harold Hoehner, as well as dates suggested by Frederick Larson in his

DVD titled *The Star of Bethlehem*, regarding the date of the command to rebuild Jerusalem and the date of Christ's birth and crucifixion. In this edition, the very significant contributions of Drs. Colin Humphreys and W.G. Waddington regarding the pre-exilic calendar and the date of Christ's crucifixion are referenced. The sixty-nine week prophecy is one of the most amazing prophecies in Scripture, and the dates presented by Christian authors differ considerably. There are, however, dates that can be substantiated biblically, historically, and astronomically. These are presented, with the case for and against each. The author received Christ as Savior and Lord while in medical school after hearing, during a Bible study, that Jesus was and is God, as presented in the first chapter of the book of John. Soon thereafter he read the seventy-week prophecy and has had an enduring interest in it since that time. After seeing Larson's DVD, which confirmed Hoehner's date for Christ's crucifixion and thus Christ's triumphal entry, he started a more intensive examination of the proposed dates, resulting in the writing of *The Sixty-Nine Weeks of Daniel*, Chapter 9. It is hoped that the reader will gain an increased respect for and confidence in the accuracy and inspiration of Scripture, and that the Lord will receive the glory as a result. It is also hoped that seekers of truth will be encouraged to pursue their search in the pages of Scripture.

Black Visions of the Holy Land Roger Baumann, 2024-04-30 Since at least the high point of the civil rights movement, African American Christianity has been widely recognized as a potent force for social change. Most attention to the political significance of Black churches, however, focuses on domestic protest and electoral politics. Yet some Black churches take a deep interest in the global issue of Israel and Palestine. Why would African American Christians get involved—and even take sides—in Palestine and Israel, and what does that reveal about the political significance of “the Black Church” today? This book examines African American Christian involvement in Israel and Palestine to show how competing visions of “the Black Church” are changing through transnational political engagement. Considering cases ranging from African American Christian Zionists to Palestinian solidarity activists, Roger Baumann traces how Black religious politics transcend domestic arenas and enter global spaces. These cases, he argues, illuminate how the meaning of the ostensibly singular and unifying category of “the Black Church”—spanning its history, identity, culture, and mission—is deeply contested at every turn. *Black Visions of the Holy Land* offers new insights into how Black churches understand their political role and social significance; the ways race, religion, and politics both converge and diverge; and why the meaning of overlapping racial and religious identities shifts when moving from national to global contexts.

Countdown Carol Zarska,2016-02-29 Trumpets were extremely important in the lives of the people of ancient Israel. Through the use of trumpets God spoke to them, guided them, warned them, and directed them. It was the duty of the priests to sound the trumpets at the appropriate times. But sometimes God Himself spoke to them directly, such as at Mt. Sinai, when in awful and terrifying grandeur the sound of the trumpet grew louder and louder as the mighty God of heaven descended in fire, and the mountain trembled violently. This spectacular demonstration was to prepare the hearts of the people to receive with reverence and awe the pronouncement of His holy ten commandment law (Ex. 19:16 – 20:21). In fact, trumpets were often connected with the law and the ark of the covenant, which contained it. Priests blowing trumpets were to precede and accompany the ark whenever it was transported. An example of this is found in Joshua 6:1-20, where 7 priests blowing 7 trumpets marched before the ark around the city of Jericho for 7 days, and on the seventh day they blew the trumpets 7 times, and as the people shouted, the walls of the city collapsed. Is the God of heaven any less zealous for His sacred law today than He was in ancient times? Could it be that even now in our day He is allowing trumpets to blow to warn of the impending collapse of the cities of the nations, which are so filled with crime and corruption? Will He not rise from His throne and oversee the final dispensation of justice upon a world, which is careening toward self-destruction? Read the pages of this book and discover the meaning of the extraordinary events that have been happening since the turn of the century, and find the way into the safety of God's pavilion.

The Codex Amiatinus and its "Sister" Bibles: Scripture, Liturgy, and Art in the Milieu of the Venerable Bede Celia Chazelle,2019-03-27 The Codex Amiatinus and its "Sister" Bibles examines the full Bibles (Bibles containing every scriptural text that producers deemed canonical) made at the northern English monastery of Wearmouth-Jarrow under Abbot Ceolfrith (d. 716) and the Venerable Bede (d. 735), and the religious, cultural, and intellectual circumstances of their production. The key manuscript witness of this monastery's Bible-making enterprise is the Codex Amiatinus, a massive illustrated volume sent toward Rome in June 716, as a gift to St. Peter. Amiatinus is the oldest extant, largely intact Latin full Bible. Its survival is the critical reason that Ceolfrith's Wearmouth-Jarrow has long been recognized as a pivotal center in the evolution of the design, structure, and contents of medieval biblical codices.
