**Quote Quest** Jonathan Clark, 2019-04-23 The world is full of messages about what it means to live a good life. We are bombarded with information telling us we need to crush the competition and outshine everyone else. Almost everything we see says we need to have big houses, nice cars, perfect bodies, and model children to be successful. So, in a world where we are constantly made to feel inferior, how do we discover our true identities and ideas of success? A great way to eliminate the clutter and see more clearly is to look deep inside ourselves using two of the most powerful personal growth tools available: quotes and journal writing. Quote Quest is a thirty-day journey into self-discovery designed to help you weed out the lies and rediscover your identity and personal truth. The goal of Quote Quest is to identify the habits and beliefs that hold you back and replace them with thoughts and actions that will promote greater success and well-being. Each page has a powerful original quote along with an explanation of its meaning and thought-provoking questions to help you uncover your truth and reach your full potential. Writing your responses to these questions will uncover behaviors and thought patterns that are blocking you from a better life and help you replace them with healthier actions and beliefs. Quote Quest can help you: Improve your confidence Develop the courage to pursue your dreams Be more consistent and organized Solidify your

identity  
Be more authentic  
Have better relationships  
Improve self-esteem  
Manage time more efficiently  
Live more abundantly

**Rhetorics of Self-Making** Debbora Battaglia,2023-09-01 Departing from an essentialist concept of the self, this highly original volume advances the cross-cultural study of selfhood with three contributions to the literature: First, it approaches the self as an ideological process, arguing that selfhood is culturally situated and emergent in social practices of persuasion.

Second, it demonstrates how postmodernity problematizes the experience and concept of the self. Finally, the book challenges the pervasive practice of equating an individuated self with the Western world and a relational self with the non-Western world. Contributions cover a broad range of topics—from the development of the eccentric self to the ritual circumcision of Jewish males. Departing from an essentialist concept of the self, this highly original volume advances the cross-cultural study of selfhood with three contributions to the literature: First, it approaches the self as an ideological process, arguing that selfhood is cul
