*Destiny Waited And Courage Roared* Dale Davis,2014-04 How did a small-town girl from Texas grow up to travel to twenty-five nations by prayer and God's interventions? How did she have the courage, strength, and determination to risk everything, even her life, to carry Bibles and the salvation message to places even some men would not go? *Destiny Waited and Courage Roared* tells how this gutsy woman's faith and bulldog tenacity faced life-threatening adventures as she smuggled Bibles into lands where God's Word is often forbidden. This is not the typical missionary or evangelistic book, for it contains common-sense, Biblical teachings and riveting stories of narrow escapes and emotional salvation experiences. Dale Davis's extraordinary relationship with her Father God will inspire you to engage in your own journey with God, explore new cultures, and reach the world in obedience to His calling on your life. Her stories may cause you to cry and laugh, but they will certainly have you in awe at how God and Dale teamed together to conquer seemingly impossible situations. *Destiny Waited and Courage Roared* uniquely reaches people of all ages with real stories that need no embellishment and that educate, evangelize, and entertain, which are key marks of Dale's ministry. Over her forty years of serving God, Dale has taught in Christian education, led youth and children's ministries, directed outreach and street ministries, performed and taught theatrical clowning, and attended Bible school in La Marque, Texas. Dale is available for booking engagements including teaching seminars on evangelism, using drama to teach the Bible, presenting motivational messages, and speaking to women's groups about overcoming pain and sorrow. She also leads mission tours and looks forward to meeting you in person at one of her presentations. Contact Dale through her website [daledavisministries.com](http://daledavisministries.com) or her blog or by e-mailing her at [dale@daledavisministries.com](mailto:dale@daledavisministries.com).

The Art of Doubling Down Anthony Michael Russo,2023-11-21 Successful people do not avoid failure, but rather use it as a steppingstone to reach their goals. For too long people have been defeated by the idea that life stops when you fail. In *The Art of Doubling Down*, author Anthony Michael Russo turns this idea on its head, proving that failure is far from the end of the road. *The Art of Doubling Down* highlights stories of successful people who experienced failure and leveraged it as a

learning opportunity to become stronger and more resilient. He also dives into his personal experience growing up with a father who had a gambling addiction that almost destroyed their family, to demonstrate how failure ended up being the key to unlocking success in his own life. Through these inspirational stories and practical tips, individuals can learn how to transform their fear of failure into motivation to face challenges head-on. Theorists will become practitioners who are ready to take on life with a new outlook. And discover how to identify the lesson inside every failure that paves the way towards success in business, life, and finding ultimate happiness.

Risk and Exploration: Earth, Sea and Stars ,2005

Educating for Responsible Management Roz Sunley, Jennifer Leigh, 2017-11-22 It is well known the global community is looking towards business to play its role in creating a just and fair economy. This increases the urgency and relevance of new approaches to management education that can engage and foster socially responsible leaders who are resilient, creative and innovative thinkers. Educating for Responsible Management profiles cutting-edge approaches to pedagogy for the Principles for Responsible Management Education (PRME) that go beyond current discussions of sustainability and corporate social responsibility content, to include a wider lens that highlights the processes of educating the next generation of responsible managers. The book draws together leading thinkers, practitioners and management education to share their practice and research on how management educators can prepare themselves, their students, the learning environment, and their teaching resources to meet these challenges. These conversations across practice lines highlight a range of innovative pedagogical approaches and methods used by responsible management educators around the world to provide effective learning experiences.
