Spending Time with God Charles E. Jordan Jr.,2012-01-25 Do you have a desire to spend time with God, a desire to glean golden nuggets from His truth? Perhaps you long to draw closer to your maker, but you are having trouble learning how to trust God through the various circumstances that have occurred in your life. Spending Time with God will help you view all of life's situations as being beneficial to your spiritual growth and personal relationship with your heavenly Father. Christ showed the importance of having intimacy with God the Father, as He would oftentimes steal away to a secluded area to be alone with Him. In a world that tries to keep us busy, we too must place a priority on intimacy with our Father, for at the Lord's feet we receive power, guidance, and knowledge to seek His face. Spending Time with God is a Christian devotional that equips you with wisdom, encouragement, and strength to remain faithful to God and give thanks to Him in all circumstances (1 Thessalonians 5:18). As you dedicate yourself to spending time with your Father, get ready to discover how He has destined you for greatness.

In God We Trust B. B. Hicks, 2019-03-29 Today we are facing insurmountable problems because we have taken God out of our homes, schools, churches—and now our nation. Have we taken God out of our lives? Have we become too busy for God? Are we so preoccupied with the cares of this world or the things of this world that we don't take time or make time for our God? In God We Trust is based on the fact that America started as a nation trusting God, and author B. B. Hicks goes on to look at where we are today as a nation, as a church, and as people of God. In God We Trust teaches us about how to get to know God, trust God, and turn back to God. And most importantly, it will help us learn how to stay connected to God. In God We Trust is a clarion call to the nation, as well as to the church, to turn back to God. We, as people of God, need to put first things first—and God should be first in our lives. We should perform a self-assessment to determine what are our priorities and what is first on our agenda. The Bible tells us that God is a jealous God, and he wants to be first in all things (Exodus 20:4-5). Through Jesus Christ, we can learn to put God first.

Getting God Wrong G. S. Kohler, 2023-10-06 Reading a tone of voice into printed words, especially the personal experience of an email or text, can disconnect two people, even friends. Having one friend reinterpret the way another "heard" the words with their own tone of voice may lead them into discovering how Jesus seems to hear God differently, even though he read the same Bible. In Getting God Wrong, the reader is invited into a conversation on how they taught

themselves to misunderstand the One who loves them best. “Instructions” is the same word that gets translated “commandments,” and “guidance” is the same word sometimes translated “law.” This shift of translations can affect one’s emotional engagement with the ideas. People have told themselves for centuries that God marched the people of Israel out of four hundred years of slavery, out into the desert, to tell them, “Now you’ll be my slaves and live under my commandments!” What if God used a different tone of voice, and not the one people usually “hear” as they read? Getting God Wrong suggests that God wants people to hear his heart as clearly as Jesus lived it out in front of them. Jesus is God’s tone of voice.

God Greatest Commandment Andrew Oghena, 2023-09-05 About the Book *God Greatest Commandment: A Guide* discusses in detail the two greatest commandments given by our Lord and Savior Jesus Christ that will enable all humans to live a godly life during their earthly pilgrimages. The book’s objective is to provide steps on how to love God with all your heart, soul and mind, and love your neighbor as yourself, as well as to outline rewards that you will receive by loving God and neighbor. Readers of this book will be reminded that we are all one, that we all came from one God, just like the billions of rays of sunlight all come from one source, the sun. Since all humanity is from God the Father, we should endeavor to love our Creator and also love all created people. If we all love each other, then our communities, our countries, and our world will be better places to live, without war, but with peace and harmony. About the Author Andrew Oghena is a happily married family man with two kids. He loves family time and sharing stories together, whether it’s during meals, road trips, or long walks. He was born and brought up as a Christian in the Roman Catholic faith and is a member of both the Blue Army, a Catholic society that promotes the message of Our Lady of Fatima, and the Knights of Columbus, a society that promotes family and defends the Christian faith. He has a PhD degree in petroleum engineering and has traveled to multiple countries on international assignments and worked on several teams with colleagues of multiple nationalities. In his profession, he sees himself as a citizen of the world, and sees the world as a global village. After viewing himself and the world this way for twenty-five years, he has come to realize the Gospel Truth that Our Lord Jesus Christ said in the Bible 2000 years ago. Andrew Oghena knows that all humanity needs to hear this priceless message, and most importantly apply it to their daily lives, to make the world a better place for all.

The Turning Point Angela R. Camon, 2014-03-12 Have you drift off course in relationship with God? Have you been enticed by Satans schemes and fallen back into a lifestyle of sin? Do you have a longing in your heart to have close intimate fellowship with God once again? Maybe you are not the one who has turned away from God, but perhaps you know someone who was once in a loving relationship with God, devoted to living life for him, but now have turned their back on God. If you have found yourself in either of these scenarios, then *The Turning Point Rebuilding Your Relationship With God* is the book for you. *The Turning Point- Rebuilding Your Relationship with God* addresses some of the enticing schemes that Satan uses to

cause believers to become disloyal to God and commit spiritual adultery. It expounds on the dangers of drifting off course and the devastating effects that it can have on one's life. Using biblical examples, it demonstrates the point that even the most devoted Christian can stray away if he or she falls prey to the temptations orchestrated by Satan. It also provides a strategic plan on how a Christian can remain anchored and techniques that they can use to prevent them from falling back into a lifestyle of sin. The Turning Point gives those who may have backslidden, a step by step approach to reaching a turning point and the guidance needed in rebuilding their relationship with God. Finally, this book stresses the role and responsibility that each Christian plays in helping an erring brother or sister return to God.

Faith to Find a Job L C Brown Bush, 2010-09 Because we all know someone who needs help looking ...and believing it will happen. Her husband was growing increasingly discouraged because he didn't feel as though his job search was really going anywhere. An intelligent, competent, accomplished professional, but he didn't really know how to look for a job...in today's job market! (Chapter 8 - Get Understanding...Get Organized) Maybe you just finished school and ready or not, you have to find your first career position. Or perhaps after serving your company for almost twenty years, you were unexpectedly laid off. Or possibly you've been looking for more than a year, and it's taking longer than you ever dreamed it would. These are daunting challenges...but they are not too big for God! Nobody likes looking for a job, and very few people are really good at it because it's something that most of us do only a few times in our life. Faith to Find a Job is for those times in your life when you need to refresh your job hunting skills and learn practically how to look for employment in today's job market. Rooted in a personal testimony and success story, Faith to Find a Job is the anatomy of an effective job search...the practical aspects, as well as, the biblical promises that bolster victorious faith. My last job search took ten months and my testimony is that I was never discouraged. L.C. Brown-Bush Discouragement is a job hunter's archenemy. It makes the process of looking for a job much more painfully than it has to be. Nevertheless, Faith to Find a Job can encourage you to hope, because... Those who seek the Lord shall not lack any good thing. (Psalm 34:10) As long as he sought the Lord, the Lord made him to prosper! (2 Chronicles 26:5)
