*Quotes from a Wise Fool* William Frasca, 2024-01-17 During my life, seldom did I accept things at face value, so I was

always trying to understand why myself and others did the things we did. For the happy and enjoyable days of my life, that were few and far between. I didn't find the need to expand the search for what caused those events to transpire; on the days where I was challenged and found myself in over my head yet again, I dug deeper to help me find out why I acted poorly or why my choices were not the most popular ones in the history of the world. The early part of my life left quite a bit to be desired and along with a poor beginning came many poor choices that made me unpopular, but they did create excitement for the viewing audience. Struggling to fit in and being misunderstood are kind of my thing, and those decisions that made others view me as hostile and sometimes unwanted were captured in a series of private thoughts that were both put to paper and others that needed no documentation because they ran on a constant loop through my cavernous mind and gave me a constant reminder of how unpopular one man can become with hardly any effort. How complete my examination on my past is not for me to decide. I will leave that to the reader, but I can 100 percent guarantee that this information is factual and, at times, for me, more than a little heartbreaking. This is not an attempt for sympathy, that dream was crushed in my first few years of life, waiting for a kind word or a much-needed hug as a child were things I saw in movies but not in my home. I hope that I have made my vision of these times interesting enough so that you have enjoyed the experience of reading this book enough for it to be worthy of your time. Each of these ideas of mine are shared as quotes and explained in very plain terms, and on occasion, the pain of spending a lifetime of being judged harshly by those who have helped craft this person who has fallen from grace.

*The Write Quotes: The Emotional Writing Journey* Landis Wade, 2023-09-01 These inspirational and practical quotes come

from 500+ podcast interviews with hard-working, award-winning, and New York Times bestselling authors in more than 33 U.S. states and five countries. In Book 7, authors share their honest reflections on The Emotional Writing Journey. These quotes are evidence that whatever emotions you experience as a writer, you are in good company. Authors quoted include David Baldacci, Steve Berry, Lisa Jewell, John Hart, Sophie Cousens, Ron Rash, C.J. Box, Craig Johnson, Wylie Cash, Kristy Harvey, Brad Taylor, Charlie Lovett, Judy Goldman, Chris Fabry, Amber Smith, Tracy Clark, John Gilstrap, Kimmerly Martin, A.J. Hartley, Clyde Edgerton, Jill McCorkle, Jason Mott, Cathy Pickens, Gavin Edwards, and many more. The sections of this book are arranged in a careful order, starting with the struggles of rejection and ending on a high note with perseverance, because perseverance is really what every writer needs: that focused commitment to the work despite all the highs and lows that can go with it. As Craig Nova says, "...the bottom doesn't last forever, and the top doesn't last forever." What can last forever, though, is your words. New York Times bestselling novelist Steve Berry says, "From 1990 to 2002, I wrote eight novels. Five of them went to New York publishing houses, and they were rejected a total of 85 times. It was on the 86th time that I made it, 12 years after I started. So my road to publishing was a very long process." And Chris Fabry, an award-winning author who has published more than 80 books, says, "If you don't want to get hurt, don't write. If you don't want to have layers of your own soul exposed to people who say, didn't really connect with that, don't put the words down there. Because you will be rejected." Writers are fortunate in that this thing they love to do can be so wonderful, and so powerful, that even when it sometimes makes them crazy—they want to do it anyway.
