**The Cursed Among Us** John Durgin, 2024-11-08 Twenty years have passed since the town of Newport was terrorized by the infamous Black Heart Killer. The horrific murders that left the woods stained with blood and hearts torn from chests are now a dark memory—one best forgotten. But some secrets refuse to stay buried. When fifteen-year-old Howie Burke and his friends decide to break the town's cardinal rule and venture into the cursed woods, they have no idea they're about to awaken a sinister force that has lain dormant for decades. Armed with a camcorder and a sense of youthful invincibility, the group sets out to film a horror movie. But their playful antics turn to terror when they uncover a mysterious grave linked to the Black Heart Killer. As the chilling legacy of the killer reveals itself, Howie and his friends are thrust into a nightmarish struggle against an ancient evil. They must confront their deepest fears and unravel the dark occult secrets buried in their town's past. What they once thought were mere stories become a terrifying reality as they learn what it truly means to be cursed. In *The Cursed Among Us*, author John Durgin delivers a spine-tingling homage to classic slasher films and supernatural thrillers. With its blend of coming-of-age drama, witchcraft, and relentless suspense, this novel will grip you from the first page and haunt your thoughts long after the last.

**The Canons of Our Fathers** Bentley Layton, 2014-09-18 This book is the first publication of a very early set of Christian monastic rules from Roman Egypt, accompanied by four preliminary chapters discussing their historical and social context and their character as rules. These rules were found quoted in the writings of the great Egyptian monastic leader Shenoute. Designed for a federation of monks and nuns who banded together about 360 CE—forming the so-called White Monastery Federation—the rules date back to the fourth and fifth centuries. New historical evidence is presented for the founding of the Federation. Providing almost the earliest evidence for Christian communal (cenobitic) monasticism, the rules depict many intimate aspects of ascetic practice. Details of monastic daily life are mentioned in passing in the rules, and the author uses these details to describe their picture of monastic life under five general topics: the monastery as a physical plant, the human makeup of the community, ascetic observances, the hierarchy of authority, and the daily liturgy. The book includes a clear English translation of the rules accompanied by the original Coptic text, amounting to five hundred and ninety-five entries.

*The World You Loved* Brennan LaFaro, 2023-06-13 Following the events of *Decimated Dreams*, Travis and Elsie reunite with their daughter, April. Only the world has changed while they were gone. Officer Metcalf and her wife, Penny, have kept

April from harm, but when Travis and Elsie return, the shadow of Robert Weeks lurks around every corner. Brought together by fate, the group prepares to make a final stand that will take them between dimensions, into the past, and to the chilling House of the Phantoms. Sacrifices will be made and strength tested as they desperately seek to find a way to defeat Robert Weeks in his own world, a haunted reflection of Slattery Falls. Brace yourself for the thrilling, emotional final chapter of the Slattery Falls trilogy. How tight can you hold onto something you can't keep? \*\*\* "This is a great example of the depths of LaFaro's imagination, storytelling voice, and ability to build and maintain horror for the duration of the book." — Sadie Hartmann, Bram Stoker Award-nominated editor of Human Monsters "An engrossing ride about ghost-hunting, forbidden places, and the human need to peek into those places where one shouldn't tread. Tightly-paced, with the narrative rolling on a good clip, where the events of the story test the boundaries of loyalty and friendship between three oddball characters who form their own little tribe." — Tim McGregor, author of Lure and Wasps in the Ice Cream

*Dragon Unleashed* Grace Draven, 2020-06-09 A dragon shapeshifter and a healer with power over the earth fight a corrupt empire in this thrilling and deeply emotional romantic fantasy from the USA Today bestselling author of Radiance. Magic is outlawed in the Krael Empire and punishable by death. Born with the gift of earth magic, the free trader Halani keeps her dangerous secret closely guarded. When her uncle buys a mysterious artifact, a piece of bone belonging to a long-dead draga, Halani knows it's far more than what it seems. Dragas haven't been seen for more than a century, and most believe them extinct. They're wrong. Dragas still walk among the denizens of the Empire, disguised as humans. Malachus is a draga living on borrowed time. The magic that has protected him will soon turn on him--unless he finds a key part of his heritage. He has tracked it to a group of free traders, among them a grave-robbing earth witch who fascinates him as much as she frustrates him with her many secrets. Unbeknownst to both, the Empire's twisted empress searches for a draga of her own, to capture and kill as a trophy. As Malachus the hunter becomes the hunted, Halani must risk herself and all she loves to save him from the Empire's machinations and his own lethal birthright.

Lost and alone in an unknown country, Alain is caught in a desperate struggle for survival even as he finds himself unwittingly drawn into the heart of an ancient conflict between humankind and the Cursed Ones.... Torn away from Sanglant and their child by creatures not born of earth, Liath faces her most difficult trial in a land of exile. Only there can she hope to discover her true parentage and the nature and extent of her unique powers.... Still staggered by the loss of his wife, the bastard prince Sanglant is nevertheless determined to seek out his father, King Henry, and bring warning of the conspiracy of sorcerers who've sworn to put an end to the Aoi, the Lost

Ones—no matter how much destruction may be unleashed by their workings of magic.... But King Henry's attention is not on his own troubled realm but rather on the throne of Aosta and the imperial crown, unclaimed for two generations. And as the tides of war and magic wreak havoc across the lands, the great Cataclysm, long foretold in the stars, draws inexorably closer....

*I Will Always Find You* Brennan LaFaro, 2024-06-18 *I Will Always Find You* collects all three books in Brennan LaFaro's Slattery Falls trilogy, a pulse-pounding, genre-spanning tale of a haunting in New England. Slattery Falls, Decimated Dreams, and The World You Loved come together for the first time in one dazzling volume, joined by The Orphan's Revenge, a brand new, never before released novella. Book One: Slattery Falls Travis, Elsie, and Josh, college kids with a ghost-hunting habit, scour New England for the most interesting haunted locales. Their journey eventually leads them to Slattery Falls, a small Massachusetts town living in the shadow of the Weeks House. The former home of the town's most sinister and feared resident sits empty. At least that's what the citizens say. It's all in good fun. But after navigating the strange home, they find the locals couldn't be more wrong. And now the roles are reversed. The hunters have become the hunted. Something evil refuses to release its grip, forcing the trio into one last adventure. Book Two: Decimated Dreams Five years after the demise of Robert Weeks, his shadow still haunts Elsie and Travis. Along with their young daughter, April, the Morlands have found peace, but when the sun sets, nightmares drag Elsie back to the worst day of her life. When April claims a man with green eyes taps on her window at night, it's only a matter of time before children begin to disappear again, starting with April. With their daughter stolen and an undead madman seemingly back from the grave, Elsie and Travis have no choice but to return to the twisting, turning streets of Slattery Falls. What will it cost them to get their daughter back and make sure Robert Weeks stays dead this time? Book Three: The World You Loved Following the events of Decimated Dreams, Travis and Elsie reunite with their daughter, April. Only the world has changed while they were gone. Officer Metcalf and her wife, Penny, have kept April from harm, but when Travis and Elsie return, the shadow of Robert Weeks lurks around every corner. Brought together by fate, the group prepares to make a final stand that will take them between dimensions, into the past, and to the chilling House of the Phantoms. Sacrifices will be made and strength tested as they desperately seek to find a way to defeat Robert Weeks in his own world, a haunted reflection of Slattery Falls. The Orphan's Revenge Pulled from the pages of The World You Loved, The Orphan's Revenge is the story within the story. A pulp novella that dives deep into the history and lore of Slattery Falls, told through the eyes of Anthony Stone, a historical character from the Slattery Falls trilogy whose writings and experiences help to pull the dark veil back from the House of the Phantoms, Robert Weeks, and the mysterious figure known only as the Protector.

**Richard Price and the Ethical Foundations of the American Revolution** Richard Price,1979 Richard Price was a loyal, although dissenting, subject of Great Britain who thought the British treatment of their colonies as wrong, not only prudentially, financially, economically, militarily, and politically, but, above all, morally wrong. He expressed these views in his first pamphlet early in 1776. It concluded with a plea for the cessation of hostilities by Great Britain and reconciliation. Its analyses, arguments, and conclusions, however, along with its admiration for the colonists, their moral position and qualities, could hardly fail to contribute to their reluctant recognition that there was no real alternative to independence. Price found

some of his views not only misunderstood but vilified by negative critics in the ensuing controversy. So he wrote a second pamphlet which was published in early 1777. He expanded his analysis of liberty, extended its application to the war with America, and greatly expanded his discussion of the economic impact upon Great Britain. After the war, in 1784, he published a third pamphlet on the importance of the American Revolution and the means of making it a benefit to the world, appending an extensive letter from the Frenchman, Turgot. Implicitly the letter regards Price as a perceptive theorist of the revolution; explicitly it identifies the problems facing the prospective new nation and expresses a wish that it will fulfill its role s the hope of the world. Selections in the appendices present a part of the pamphlet controversy and the selection of correspondence shows how seriously Price was regarded by Revolutionary leaders.
