*Vaastu: The Art And Science Of Living* Ashwini Kumar,2005-11-01 Vaastu Shaastra is the art and science of living a happy and contented long life. In the modern-day world of high-speed technology, many diseases are arising out of faulty lifestyles. Classical principles of Vaastu Shaastra describe the ancient way of living which need modifications in the present-day context. This book is an intelligent amalgamation of the ancient practice of Vaastu living and modern technologies of house building and architecture. It offers an introduction to Vaastu Shaastra, systematising and standardising its techniques and methodologies. The book has been divided into three sections. The first section has been devoted to the understanding of the key concepts, principles and forces of Vaastu that exert an influence on any given space. The second section of the book reveals how to create heaven on earth; right in your home. It shows how we can achieve internal peace by first achieving external peace in the house. The third section is related to the day-to-day use of Vaastu. One chapter has been devoted to Vaastu of workplace which, in many aspects, is different from residential Vaastu. This book has been written according to the established principles of Vedic Astrology; an inevitable part of Vaastu Shaastra. The effect of the nine planets is considered in Astrology while mainly the effect of planet earth is taken in Vaastu. Astrology depends on dashas (Planetary Periods) while Vaastu depends on dishas (Directions), Jyotish assumes the existence of Kaal Purush (Time Personified) while Vaastu assumes the existence of Vaastu Purush (Space Personified). The book incorporates current knowledge of building science to explain the ancient wisdom of Vaastu Shaastra only to bridge the gap between ancient traditions and modern way of thinking. No attempt has been made to transgress into the other parallel systems known as Feng Shui and Pyramidology, which require totally separate study. The work is meant primarily for those who want to learn Vaastu from the very beginning and pursue it seriously in a scientific manner. The book will also serve as a stepping-stone for those who intend to

indulge in hitherto unexplored areas of Vaastu Shaastra like suitability of certain directions for certain activities, hidden meanings of Vaastu Purush; forty-five demi gods; ten dikpalas; three energies and Panchmahabhootas, predicting the fate of a house and its inhabitants through Vaastu kala, etc.

*A Practical Approach to Vaastu Shastra* Col. Bhaskar Sarkar,2008

Remedies of Vastu Tilak Raj,2014-01-15 Remedies of Vastu contains easy and practical remedies for the rectification of vastu related faults. There is nothing wrong if a man seeks advice from Vastu consultant to ward off the faults existing in house like an ailing person sees a doctor to have his advice. A Vastu consultant advises renovation of a building only when it is essential and there is no way out. He is like a good doctor who advises a patient to go for a surgery when the disease with which the latter is suffering from cannot be cured by medicines or by any other means. Vastu faults can also be removed without any renovation - by changing the place of the goods in the house and by selecting right direction for meal and slumber. They can be removed by worship of gods and deities. Fengshui, Pyramid, Yantra - Mantra can also be chosen as helping hands in attaining happiness and prosperity. In this book apart from a brief description of Vastu, different methods of remedies have been incorporated. In nutshell scholars have mentioned some remedies to overcome Vastu faults. Some advise to perform Vastu Shanti and some to propitiate the planets. Some others advise to adopt remedies mentioned in Tantra-Mantra whereas some to wear Rudraksha. Yet some more scholars advise to overcome the faults by worshipping Yantra, some scholars advise to use pyramid or to adopt remedies mentioned in Feng Shui. Some others advise changes in directions of different goods of house. Apart from these scholars, Vastu practitioners advise to reconstruct the building whereas some advise to sell out the house. There might be difference among the scholars on remedies for Vastu as to which remedy is the best and the quickest for a particular native. However, all the remedies may prove to be effective, but the thing essential is to take necessary steps as mentioned in Vastu and that too on time. It is not possible to mention all the remedies here. Therefore, easy remedies have been incorporated in the book which could be adopted by a common man. This book has specially been designed for the students of All India Federation of Astrologers' Societies but the students interested to know this subject can also get benefitted equally with the study of this book. The purpose of this book is to make the students acquainted with the common remedies found in our life. The students are advised to use the materials and the methods of worship mentioned in this book, only under the guidance and direction of a learned person. The materials are not likely to cause any harm. But even if they do, the author or the publisher will be no way responsible for that.
