Grammar for Teachers Andrea DeCapua, 2008-01-11 The purpose of Grammar for Teachers is to encourage readers to develop a solid understanding of the use and function of grammatical structures in American English. It approaches grammar from a descriptive rather than a prescriptive approach; however, throughout the book differences between formal and informal language, and spoken and written English are discussed. The book avoids jargon or excessive use of technical terminology. It makes the study of grammar interesting and relevant by presenting grammar in context and by using authentic material from a wide variety of sources.

English Language Grammar Book with Exercises & Answers B1 - Intermediate Level Elshad Aliyev, English Grammar Book - B1 Intermediate Level By Elshad Aliyev This B1 Intermediate-level English Grammar Book is designed to strengthen your knowledge of grammar and help you apply it in real-life situations. With clear explanations of rules and exceptions, the book provides practical examples and plenty of exercises to reinforce what you've learned. The exercises are followed by answers so you can track your progress and identify areas for improvement. Understanding grammar is essential to mastering any language. Without a solid foundation in grammar, no matter how many words you know, it will be difficult to communicate effectively. This book is a crucial resource for advancing your English skills, as the B1 level serves as a key milestone on your journey to language proficiency. Whether you're preparing for academic exams like IELTS, TOEFL, or CLB, or simply looking to improve your conversation skills, this book will support you in reaching your goals. As a certified Project Manager, Author, and Tutor, I (Elshad Aliyev) am passionate about helping students succeed in mastering the English language and achieving their goals. My experience in teaching and mentoring students is reflected in the clear and structured approach of this book.

English for Sociology TIM LC UMM, 2017-05-19 English for Sociology is written to fulfil students' need to learn English as a preparatory for job communication. This book is designed to provide an opportunity to develop students' English skills more communicatively and meaningfully. The book consists of twenty eight units altogether. The first unit presents theories on reading comprehension skills that encompass previewing, identifying the main ideas, using contexts for vocabulary, scanning for details, making inferences, and restating. The other units focus more on the exercises. In addition, there are also four units (unit four, seven, eleven, and fourteen) functioning as review units to measure students' progress. The materials have been arranged and graded in accordance with students' English proficiency levels. To make this book have better quality, we call for criticisms and suggestions.
