What Happy Teachers Do Michelle Auton,2024-08-06 Discover the simple three-part self-care system that will help you stay calm in class, enjoy a good work-life balance, and keep doing the job you love. It's a cliché but it's true: teaching is the

best job in the world. So why are more teachers leaving the profession than ever before? Thanks to staff shortages, accountability pressures, and heavy workloads, teachers are burning out fast. This raises the question: How do you stay happy and keep teaching? Michelle Auton has the answer. Drawing on both her own 20+ years in the profession and the experiences of her many teacher friends, Michelle has developed a three-part system to help you not just survive, but thrive in teaching. In *What Happy Teachers Do*, she takes you through these three principles: 1. Self-care: You'll learn how to deal with the unique highs and lows of the teaching year and practice good self-care every day. 2. Mindfulness: Michelle explains the neuroscience and benefits of mindfulness, and details short mindful practices that can help you in times of stress, overwhelm, exhaustion, or judgment. 3. Tapping: Tapping is an alternative treatment for physical pain and emotional distress, and can help to restore balance to your body's energy. Use these tapping—aka Emotional Freedom Techniques (EFT)—scripts in both your personal and teaching life, such as when you're having difficulty sleeping, preparing for a lesson observation, or worried about an awkward conversation with a parent. This book will help all teachers, whether you're in your first or thirty-first year of teaching, to reduce stress, prioritize self-care, and feel empowered. This is what happy teachers do.

Recover! Stanton Peele, Ilse Thompson, 2014-02-04 For decades you've been told that addiction is an irreversible disease, a biological force over which you have no control. That defeatist message not only is without scientific foundation, but actually prevents your overcoming addiction. Now, world-renowned addiction expert Stanton Peele demystifies addiction and offers a groundbreaking program that puts at your disposal what does work in treatment and recovery. For four decades, Dr. Peele has challenged our understanding of addiction and recovery. He has developed approaches that break the cycle of addiction and empower us to take control of our lives--including understanding that we are able to direct our own brains to change. In Recover! Dr. Peele's PERFECT Program takes you through the key concepts of mindfulness--that is, your ability to detach from your addictive experience and to see that it is not who you are--combined with the Buddhist idea of loving kindness, or self-acceptance. It's an easily grasped, yet multifaceted program that allows your true self to overcome your addictive urges. Instead of focusing on what's wrong with you, the PERFECT Program will help you discover, embrace, and build your recovery on what's already right about you. Combining the best evidence-based treatments with the mindful use of meditation, Recover! presents a life-transforming philosophy for freeing yourself from addiction forever.

□□□□□□□□□□□□ Vishnu Devananda, 2003-07-30 The Hatha Yoga Pradipika is an ancient text used by Yogis to create the power. This is one of the earliest treatises on Hatha Yoga; all the modern books are based on it. This book is intended as an aid for those who wish to learn the advance practices of Hatha (Kundalini) Yoga from a qualified teacher. It is suggested that it also be used in conjunction with Complete Illustrated Book of Yoga by Swami Vishnu-Devananda, the Sivananda Companion to Yoga (known as the Book of Yoga in Britain), and Yoga Mind and Body. Many of the instructions given here have been purposely veiled by the original writers, others need elaboration, and many require the guidance of a teacher for correction. Swami Vishnu-Devananda has repeatedly stressed that these practices are not for beginners, and that to violate this caution is to put the psyche at risk. Please therefore, follow these instructions along with the guidance of your guru. A Glossary has been prepared for this book for this third edition, the hopes that this will be used as a reference manual for

serious Yoga students on all levels.

Sitting Still Like a Frog Eline Snel, 2013-12-03 Simple mindfulness practices to help your child (ages 5-12) deal with anxiety, improve concentration, and handle difficult emotions—with a 60-minute audio CD of guided exercises
Mindfulness—the quality of attention that combines full awareness with acceptance of each moment, just as it is—is gaining broad acceptance among mental health professionals as an adjunct to treatment. This little book is a very appealing introduction to mindfulness meditation for children and their parents. In a simple and accessible way, it describes what mindfulness is and how mindfulness-based practices can help children calm down, become more focused, fall asleep more easily, alleviate worry, manage anger, and generally become more patient and aware. The book contains eleven practices that focus on just these scenarios, along with short examples and anecdotes throughout. Included with purchase is an audio CD with guided meditations, voiced by Myla Kabat-Zinn, who along with her husband, Jon Kabat-Zinn, popularized mindfulness-based stress reduction (MBSR) as a therapeutic approach.

Autumn Bridge Takashi Matsuoka, 2004-08-03 In the year 1311, in the highest tower of Cloud of Sparrows Castle, a beautiful woman sits by the window, watching as enemies gather below and fires spread through the night. As she calmly awaits her fate, she begins to write, carefully setting down on a scroll the secret history of the Okumichi clan...of the gift of prophecy they share and the extraordinary destiny that awaits them. For six centuries, these remarkable writings lay hidden—until they are uncovered by an American woman, a missionary named Emily Gibson, who arrived in Edo harbor in 1861, in flight from a tragic past. Soon an extraordinary man would enter her life: Lord Genji of the Okumichi clan, a nobleman with a gift of prophecy who must defend his embattled family—and confront forbidden feelings for an outsider in his midst. Emily, too, soon finds herself at a turning point; courted by two westerners, she knows her heart belongs to the one man she cannot have. But Emily has found a mission of her own: translating Genji's ancestral history, losing herself in an epic tale of heroism and forbidden love. For here is the story of Lady Shizuka, the beautiful witch-princess who has enchanted Okumichi men for generations...of Genji's ancestors, Lord Hironobu and Lord Kiyori, and of the terrible betrayals that befell them...and of Genji's parents: a wastrel father and his child bride whose tragic love has shaped Genji as a leader and as a man. As Emily sifts through the fragile scrolls, she begins to see threads of her own life woven into the ancient writings. And as past and present collide, a hidden history comes to life, and with it a secret prophecy that has been shrouded for centuries, and may now finally be revealed. Takashi Matsuoka's spellbinding novel is infused with spectacle,

intricately woven, magically told. Autumn Bridge is a feast for the senses, a work of truly dazzling storytelling.

Writer's Nightmare R K Narayan, 2000-10-14 The pick of thirty years of essays from R.K. Narayan, India's greatest English language novelist. R.K. Narayan is perhaps better known as a novelist, but his essays are as delightful and enchanting as his stories and novels. Introducing this selection of essays, Narayan writes, 'I have always been drawn to the personal essay in which you see something of the author himself apart from the theme...the scope for such a composition is unlimited—the mood may be sombre, hilarious or satirical and the theme may range from what the author notices from his window to what he sees in his waste-paper basket to a world cataclysm.' A Writer's Nightmare is the marvellous result of Narayan's liking for the personal essay. In the book, he tackles subjects such as weddings, mathematics, coffee, umbrellas, teachers, newspapers, architecture, monkeys, the caste system, lovers—all sorts of topics, simple and not so simple, which reveal the very essence of India.
