One Thousand Gifts Bible Study Guide Ann Voskamp, 2013-04-03 In everything, give thanks. How do those four words strike you? Naïve? Infuriating? Impossible? Offensive? For Ann Voskamp, the notion of being able to give thanks was lost between her gnawing anger and deep resentment toward God for his unfair dealings in her life and the lives of others. Having suffered from agoraphobia and anxiety for much of her life, she despaired of finding a joy of her own. Then a friend dared her to write a list of a thousand blessings. Over the months that followed, she made some profound discoveries: How it's possible to give thanks even for the things that might crush you How thanksgiving always precedes the miracle How to slow down and live fully in the moment How things that feel like trouble might actually be gifts of grace How to break the bondage of fear by embracing everyday blessings How trust is the bridge over tumultuous waters that leads to joy How to turn your blessing into being a blessing to others In this video Bible study (DVD/digital video sold separately), Ann

encourages us to take on the life-changing discipline of journaling God's gifts—to discover a way of seeing that opens our eyes to ordinary amazing grace, a way of living that is fully alive, and a way of becoming present to God that brings deep and lasting joy. In it, we come to feel and know the impossible right down to our core: that we are wildly loved by God. Selfies Craig Detweiler, 2018-04-03 Selfies are ubiquitous. They can be silly or serious, casual or curated. Within moments, smart phone users can capture their image and post it across multiple social media platforms to a global audience. But do we truly understand the power of image in our image-saturated age? How can we seek God and care for each other in digital spaces? Craig Detweiler, a nationally known writer and speaker and an avid social media user, examines the selfie phenomenon, placing selfies within the long history of self-portraits in art, literature, and photography. He shows how self-portraits change our perspective of ourselves and each other in family dynamics, education, and discipleship. Challenging us to push past unhealthy obsessions with beauty, wealth, and fame, Detweiler helps us to develop a thoughtful, biblical perspective on selfies and social media and to put ourselves in proper relation to God and each other. He also explains the implications of social media for an emerging generation, making this book a useful conversation starter in homes, churches, and classrooms. Each chapter ends with discussion questions and a photo assignment for creating a selfie in response to the chapter.
