Ronald Kessler

The Season Ronald Kessler, 2010-12-28 Palm Beach is known around the world as the most wealthy, glamorous, opulent, decadent, self-indulgent, sinful spot on earth. With their beautiful 3.75 square-island constantly in the media glare, Palm Beachers protect their impossibly rich society from outside scrutiny with vigilant police, ubiquitous personal security staffs, and screens of tall hedges encircling every mansion. To this bizarre suspicious, exclusive world, New York Times bestselling author Ronald Kessler brought his charm, insight, and award-winning investigative skills, and came to know Palm Beach, its celebrated and powerful residents, and its exotic social rituals as no outside writer ever has. In this colorful, entertaining, and compulsively readable book. Kessler reveals the inside story of Palm Beach society as it moves languidly through the summer months, quickens in the fall, and shifts into frenetic high speed as the season begins in December, peaks in January and February, and continues into April. When unimaginable wealth combines with unlimited leisure time on an island barely three times the size of New York's Central Park, human foibles and desires, lust and greed, passion and avarice, become magnified and intensified. Like laboratory rats fed growth hormones, the 9,800 Palm Beach residents—87 percent of whom are millionaires—exhibit the most outlandish extremes of their breed. To tell the story, Kessler follows four Palm Beachers through the season. These four characters—the reigning queen of Palm Beach society, the night manager of Palm Beach's trendiest bar, a gay walker who escorts wealthy women to balls, and a thirty—six-year-old gorgeous blonde who says she can't find a guy in Palm Beach—know practically everyone on the island and tell what goes on behind the scenes. Interweaving the yarns of these unforgettable figures with the lifestyle, history, scandals, lore, and rituals of a unique island of excess, *The Season* creates a powerful, seamless, juicy narrative that no novelist could dream up.

Palm Beach Richard A. Marconi, Debi Murray, 2009 Palm Beach is known internationally as a winter resort where the wealthy enjoy life in a tropical paradise. More than 100 years ago, Palm Beach was far different from its well-kept beaches, estates, and fabulous Worth Avenue shopping mecca of the 21st century. When the first permanent settlers arrived, they found the area covered by thick jungle that had to be tamed before they could carve out a new life for themselves. The settlers ended up with a paradise, and when Henry Flagler decided to build a grand hotel in Palm Beach, he planted the first seed for the creation of a modern winter retreat for the rich.
