Roman Wölfel

**Las cocinas del paraíso** Carlos Enrique "Toto" Sánchez, 2024-09-13 Las Cocinas del Paraíso es una obra que pretende mostrar la riqueza y diversidad que existen en las culturas gastronómicas de Colombia, entendiendo estas como resultado de un complejo sistema de valoraciones, ingredientes, técnicas, preparaciones, narrativas, manifestaciones culturales y formas organizativas en relación con qué, cuándo, cómo, con qué y con quién comemos los colombianos a lo largo y ancho del territorio nacional. Esta obra parte de una propuesta de regionalización del país, la cual comprende 6 regiones culturales y 22 subregiones gastronómicas, las cuales fueron definidas mediante un complejo proceso que combinó información de tipo geográfico, biológico, histórico y sociocultural. Se espera que esta obra contribuya al público en general, pero en especial a los profesionales y estudiantes de gastronomía del país, para que valoren y comprendan de mejor manera las cocinas regionales de Colombia, aportandoles además elementos que contribuyen a generar sentido de pertenencia y el fortalecimiento de la identidad.

**Tarzan of the Apes** Edgar Rice Burroughs, 2011

**Peru**, 1969

**Fray Mocho**, 1922

La alimentación y la nutrición a través de la historia Jordi Salas-Salvadó, Pilar García Lorda, José Ma Sánchez Ripollés, 2005\* El libro que tienes en tus manos fue concebido mucho tiempo atrás de la manera en que suelen concebirse los proyectos que nacen de la ilusión, esto es, como un deseo apenas pronunciado en una conversación entre amigos apasionados por la nutrición.

Veritas, 1942

Hoy, 1981

Tarzán de los monos Edgar Rice Burroughs, 2015-07-01 Tarzán de los monos (Tarzan of the Apes) es la primera de una serie de novelas escritas por Edgar Rice Burroughs acerca del personaje ficticio Tarzán. Esta historia fue publicada por primera vez en la revista pulp All Story Magazine en octubre de 1912 y editada como libro por primera vez en 1914. El personaje resultó ser tan popular que Burroughs continuó la serie en la década de 1940 con dos docenas de secuelas. La

historia inicia en 1888, con la misión que la corona británica le encomienda a John Clayton, Lord Greystoke: Visitar una de las aldeas africanas bajo el mando de Inglaterra, y resolver los problemas con los nativos. Para la misión, Clayton tiene que vivir en la aldea por un año entero, así que viaja con su esposa Alice Rutherford, la cual está embarazada, hasta Freetown, Sierra Leona, y de allí, embarcan en el Fuwalda para completar el viaje. Durante la travesía, Clayton le salva la vida a un marinero cuando el capitán del barco lo iba a asesinar. Esto causa que Michel el negro (el marinero que Clayton salvó) quede en deuda con él. Los marineros del Fuwalda se amotinan, liderados por Michael el negro, y para saldar su deuda con Clayton, este lo deja vivir, pero lo abandona junto a su esposa en una costa africana, dejándole todas sus pertenencias y varias provisiones de alimentos, armas y herramientas. Con las provisiones, los Clayton sobreviven el tiempo suficiente en la selva, hasta que Clayton termina de construir una cabaña resistente, y pueden sobrevivir por su cuenta. A los tres meses de ser abandonados, Alice da a luz a un niño, pero queda con problemas mentales tras un ataque de un gorila. Al año de nacer el bebé, Alice muere mientras duerme, y Clayton, deprimido, trata de seguir adelante con su hijo. En otro lado de la selva, Kerchak, líder de una tribu de grandes monos (mangani), tiene un ataque de rabia y, accidentalmente, mata al hijo de Kala, una mangani joven.

**Mundos en red** Carlos Ernesto Pinzón Castaño,Rosa Suárez P.,Gloria Garay A.,2004

**Oiga ,1982**

**Amazonas** Roger Harris,Marc Ripol Sainz,Peter Hutchison,2011-03

*Yajé* Jimmy Weiskopf,2002 The unique path to both health and spiritual illumination offered by the consumption of yajé, a hallucinogenic herb embedded in the indigenous Amazonian cultures of Colombia, Brazil, and Peru, is thoroughly documented in this account of the culture and traditions that have developed around its use. A complete survey of yajé ceremonies; recent botanical and anthropological research on yajé; records of scientific and medical studies; its social, psychological, and ethical boundaries; and a look at past attempts to adapt the ancient ceremony to contemporary therapeutic and religious purposes are also provided. El único camino para alcanzar la salud y la iluminación espiritual mediante el consumo de yajé -una hierba alucinógena que proviene de las culturas indígenas amazónicas de Colombia, Brasil y Perú-está documentado y desarrollado a fondo en este relato sobre la cultura y tradiciones de su uso. El libro proporciona además una completa explicación de las ceremonias del yajé; recientes investigaciones botánicas y antropológicas; conclusiones de estudios científicos y médicos; sus límites sociales, psicológicos y éticos; y una mirada a intentos en el pasado de adaptar las ceremonias ancestrales a los propósitos terapéuticos y religiosos contemporáneos.

**Manejo, conservación y restauración de recursos naturales en México ,2006-01-01** El presente libro constituye el producto principal del simposio Manejo, conservación y restauración de recursos naturales en México: perspectivas desde la investigación científica (realizado en septiembre de 1999 en la ciudad de Morelia, Michoacán, con la participación de la

Universidad Michoacana de San Nicolás de Hidalgo y la Universidad Nacional Autónoma de México). En él, los diferentes grupos de investigación expresan sus logros en cuanto al conocimiento de los recursos naturales, los ecosistemas y los efectos causados por las actividades humanas en distintas regiones del país, así como sus reflexiones acerca del papel que desempeñan sus investigaciones en la construcción de alternativas sustentables de manejo de ecosistemas. Se presentaron en el evento dos conferencias magistrales, las cuales constituyen los dos primeros capítulos del libro. El capítulo final presenta un análisis sobre las perspectivas de los grupos en relación con el papel de la investigación científica en los problemas de manejo y las formas de comunicación y establecimiento de vínculos con los actores sociales involucrados en la toma de decisiones sobre los ecosistemas. Para la publicación en 2006 del libro, los autores tuvieron la oportunidad de revisar y actualizar la información vertida en sus capítulos y que éstos reflejaran los avances realizados por los grupos hasta el día de hoy. El libro está dirigido tanto a investigadores interesados como a profesionales involucrados en la gestión ambiental dentro de los ámbitos gubernamental y no gubernamental. Un público que nos parece clave, al que quisiéramos dirigirnos y que esta aportación le sirviera en su formación profesional y en la búsqueda de enfoques y perspectivas de trabajo dentro del ámbito de lo ambiental, son los estudiantes tanto de carreras científicas como de otras áreas vinculadas con la generación de alternativas que ayuden a solucionar la problemática ambiental. Como producto de comunicación, creemos que este libro es una contribución más a la construcción de una ciencia que busca entender los problemas del manejo de ecosistemas en nuestro país y que a la vez pueda servir de marco referencial para situaciones en otros países similares dentro del mundo en desarrollo.

*América indígena* ,1961

**Las guerras del general Nariño** Fernando Iriarte, Con lenguaje sencillo, pero rico y ágil, el autor interesantes episodios de la vida militar y política de Antonio Nariño. Rescata su importancia histórica y su condición de prócer de la independencia, al tiempo que se pregunta ¿ Cómo puede ser apenas precursor alguien que declaró la independencia absoluta de España, ganó batallas contra el ejército imperial, estuvo largos años preso y era vicepresidente de la república cuando fue aprobada la constitución que dio origen a Colombia en 1821.
