Mothers and Sons Keith S. Quildon Ph.D., 2012-05-29 This book represents a chronicle of some of the authors experiences as a psychologist in private practice in Brooklyn, New York, for the past 25 years. During that period, a large percentage of his patients were dyads of mothers and sons. This undertaking is a tribute to the tremendous role played by mothers (many of them single) in the psychological and overall development of their sons. The message of this book is geared primarily to mothers, fathers, teachers, counselors, and fellow therapists who may identify with some of the situations and opinions reported, and can draw from them some worthwhile ideas and intervention strategies.

Psychic Children Sylvia Browne, Lindsay Harrison, 2007-07-24 The #1 New York Times bestselling author now explores the provocative world of young seers. The world-renowned #1 New York Times bestselling psychic takes on an intriguing new subject in this profound investigation into the youngest-and most naturally intuitive-channels to the Other Side. A child's world is comprised of extraordinary things-vivid imaginations, imaginary friends, Zen-like naïveté, and a heightened sense of good and evil. What psychic Sylvia Browne recognizes is that every child also has unusual psychic abilities. And she writes from personal experience. Her own psychic abilities were revealed at age three, and Browne's son exhibited the same gift as a toddler a special blessing from God that Browne has learned is present at an incredibly tender age, a gift often stifled by a society that refuses to accept it. Here she illuminates the phenomenon, urging a better understanding, recognition, and encouragement of these remarkable children.

In His Footsteps: Margaret Agard, 2013-12-05 The book amazed me Writers Digest judge With her trademark candor, wry wit, and warmth award-winning author Margaret Agard gives us a smart, funny and timeless memoir appealing to both skeptics and believers, alike. Already overwhelmed with her five-page long to-do list thanks to a new marriage, two sons facing the tumultuous teen years, and work as a computer consultant, she's asked to organize care for all the women of her church from the new young mothers to grieving widows. In desperation, she turns her list over to God each day asking, What do I do? Her life is quickly filled with experiences both touching and quirky from hospital visits to screaming peacocks culminating in her heart-felt changed relationship with God. Filled with captivating characters, familiar to anyone involved in community, down to earth spirituality, and sparkling stories of life with Parker and the boys. Agard brings both profound insight and self-deprecating humor to the simplest of life's moments. Each finely crafted piece illuminates the small and great events of a woman's life with strength and compassion while the whole creates a memorable experience, that lingers long after the memoir is finished. An inspiring, easy read with laugh-out-loud moments Kindle reviewer Recommended for the OCD among us Amazon review

Mama's Boy Roel van den Oever,2012-09-24 In postwar America, the discourse of Momism advanced the idea that an over-affectionate or too-distant mother hampers the social and psychosexual development of her children, in particular her sons. Deemed worst of all was the outcome of homosexuality, since the period saw an intense policing of sexual deviance. van den Oever zooms in on four instances of the cultural representation of Momism: The Grotto, by Grace Zaring Stone, Suddenly Last Summer, by Tennessee Williams, Alfred Hitchcock's Psycho, and Portnoy's Complaint, by Philip Roth, to offer new commentary on canonical texts, a particular moment in American culture, and future reading strategies.

Beautiful Senioritas & Other Plays Dolores Prida,1991-01-01 The breadth and richness of themes and styles in Dolores Prida's theater make this collection a reading experience almost as wonderful as seeing the plays themselves. Prida has mapped the urban landscape and covered many of the most important topics of her time—feminism, racism, classism, bilingualism and biculturalism—quite often tempering their seriousness with humor, pathos and music. This anthology includes: *Beautiful Senioritas* (1977), a musical satire of women's roles and images in Hispanic culture; *Coser y Cantar* (1981), a bilingual one-act play for two women which explores culture clash, especially as it concerns women's roles; *Savings* (1985), a musical comedy about gentrification; *Pantallas* (1986), a black comedy on the subject of TV soap operas and nuclear disasters; and *Botánica* (1990), a play about three generations of Puerto Rican women grappling with gaps and discrepancies in time and culture. Dolores Prida is ranked among the most important playwrights of the contemporary Hispanic theater in the United States. She has written for the stage and television and taught play-writing techniques.
