*No Turning Back* Frank Tayell, 2021-11-21 In a post-apocalyptic world where food is treasure, pirates will kill for a meal. A month after the nuclear war ended, Commissioner Qwong and her crew of scientists and soldiers head north. Following a clue found in the logbook of a sinking ship, they search Mexico for a community trading safety for oil. As they follow garbled radio messages and breadcrumb-clues northward from one small band of survivors to another, a picture of the new world emerges. Sinking cities and rising swamps, fallout-laden farmland and fire ravaged homes, pirate-ridden coasts and zombie-filled shores: the damage is irreversible, and the rescue mission soon becomes an ecological survey, charting the spread of fallout, the location of inland craters, the growth of oceanic dead-zones, and the extent of coastal flooding. Despite the increasingly bleak discoveries, a new plan emerges, a blueprint for a new haven and a new way of living, a new future for the last survivors of humanity. One last chance, a desperate gamble which will take them to where the outbreak began, and then beyond. From the Caribbean to the Great Lakes, the full extent of the apocalypse becomes clear as the battle for humanity ends, and the fight for a new future begins.

*No Going Back* Lisa Kennedy, 2017-09-01 During a routine family holiday to her husband's homeland of Turkey, Lisa Kennedy was suddenly told their marriage was over. Her husband took their six-month-old baby from her care and instructed her to go home to Australia, alone - beginning four years of hell in Istanbul as she fought the case through both Turkish and International courts all the while battling people she once called family, now hell-bent on not letting her leave with her only

son. Lisa fought for Turkish permanent custody and an International Hague return order simultaneously, so that she could return to Australia legally with her child. However, the protracted processes through a foreign legal system kept them in a holding pattern with no end in sight. Finally, with time against her and all faith lost in legal channels, Lisa realised she had only a mother's choice: she had to save her child and get back home by whatever means available. That meant calling on outside help and, to raise awareness about the frailties of international marriage and children, 60 Minutes agreed to film the plight, long before the controversy surrounding Sally Faulkner's children in Lebanon exploded. This is the heart-stopping story that is now unlikely ever to be aired.

Dr. Bicksford Cindy Kelley,2011-02 Dr. Bicksford is a well-known inventor whose current project deals with DNA manipulation in plants. He is reputed to be the wealthiest person in the world. And no one has ever seen him. So imagine their surprise when college students Rachel, Zachary, Chris, Liz, and Sam are hired to do top-secret research for the invisible man. The students are flown to his private estate and immediately given their assignments—Liz and Sam excavating an ancient Egyptian temple, Zachary cataloguing greenhouse contents, and Rachel and Chris analyzing the mysterious bloodweed plant. Upon the students' much-anticipated first meeting with Dr. Bicksford, Rachel is taken aback by his resemblance to the man she has been seeing in her dreams. But there's just one thing: the man in her dreams isn't a man at all, but an alien-like creature with paper-thin skin and razor-sharp fingernails. After several more dreams of and meetings with the mysterious man, Rachel comes to know, understand, and love the misunderstood creature that is Dr. Bicksford. Things quickly become even stranger when Zachary suddenly comes up missing, and it looks suspiciously as though he has purposely gone into hiding. Rachel is completely unprepared for the truth about Dr. Bicksford's past and the reason for her presence at his home, but in order to stay alive and remain with the one she loves, she must face the truth about her beloved Dr. Bicksford.

I think slavery is the next thing to hell!” —Harriet Tubman Harriet Tubman was born into the hell of slavery. For many years she was beaten and treated like an animal. But then Harriet began having strange dreams and visions—she saw a star, hidden pathways, and a line that separated slavery from freedom. One day, Harriet would find out just what these dreams meant. *Simply Synopsis* Michelle Somers, 2017-12-06 A step-by-step guide for crafting a standout synopsis. With special focus on romance, learn how to construct an engaging and fresh synopsis that contains all vital information while hooking the reader, maintaining tension and emotion. The Simply Synopsis strategy will help analyze your story, allowing you to extract the key elements to include, whilst guiding you on how to determine what plot points and events to leave out. It helps formulate the building blocks of the synopsis – the orientation, the major turning points, the resolution and the conclusion – and then demonstrates how to structure these paragraphs before piecing them together in a way that is engaging and exciting for the reader. It covers tone, vocabulary, point of view and pacing. It looks at backstory – how and where does this fit into a synopsis? Secondary characters and secondary plots – yes or no? World-building – how much is enough? The Simply Synopsis strategy is simple and straightforward, a step-by-step process that makes the daunting task of synopsis creation much less daunting.
