

Queen Of The Air Dean Jensen

Beth Macy

Queen of the Air Dean Jensen, 2013 The life and career of circus star Lillian Leitzel.

Truevine Beth Macy, 2016-10-18 The true story of two African-American brothers who were kidnapped and displayed as circus freaks, and whose mother endured a 28-year struggle to get them back. The year was 1899 and the place a sweltering tobacco farm in the Jim Crow South town of Truevine, Virginia. George and Willie Muse were two little boys born to a sharecropper family. One day a white man offered them a piece of candy, setting off events that would take them around the world and change their lives forever. Captured into the circus, the Muse brothers performed for royalty at Buckingham Palace and headlined over a dozen sold-out shows at New York's Madison Square Garden. They were global superstars in a pre-broadcast era. But the very root of their success was in the color of their skin and in the outrageous caricatures they were forced to assume: supposed cannibals, sheep-headed freaks, even Ambassadors from Mars. Back home, their mother never accepted that they were gone and spent 28 years trying to get them back. Through hundreds of interviews and decades of research, Beth Macy expertly explores a central and difficult question: Where were the brothers better off? On the world stage as stars or in poverty at home? Truevine is a compelling narrative rich in historical detail and rife with implications to race relations today.

The Falling Between Us Ash Parsons, 2018-03-13 All-consuming fame and fortune prove too much for a teen popstar who suddenly goes missing--Eddie and the Cruisers for the Justin Bieber era. An uplifting story of love, grief, and forgiveness.--Kirkus Reviews A Junior Library Guild Selection! Just eight months ago, fifteen-year-old Roxanne Stewart was stuck in her tiny, middle-of-nowhere hometown with no prospects of leaving. But after her boyfriend, Joshua Blackbird, posts a performance of an original song on YouTube, he becomes an overnight sensation, catapulting to the dizzying heights of celebrity, and Rox joins him on the whirlwind ride of a massive national tour. But it's not long before the never-blinking eye of fame begins weighing them both down--the constant hunger of managers, diehard fans who call themselves Birdies, record execs, paparazzi, and even family, all leeching onto Joshua. Then one day, Joshua Blackbird disappears. Was it a suicide? An accident? Rox will stop at nothing to find out the truth. *The Falling Between Us* is a haunting love story and a piercing look at the costs of fame. Praise for *The Falling Between Us* With a shrewd and sympathetic narrator and multiple elements of interest--music, celebrity, grief, mental health--this novel is a recommended first purchase. --School Library Journal

Music & Camp Christopher Moore,Philip Purvis,2018-05-01 This collection of essays provides the first in-depth examination of camp as it relates to a wide variety of twentieth and twenty-first century music and musical performances. Located at the convergence of popular and queer musicology, the book provides new research into camp's presence, techniques, discourses, and potential meanings across a broad spectrum of musical genres, including: musical theatre, classical music, film music, opera, instrumental music, the Broadway musical, rock, pop, hip-hop, and Christmas carols. This significant contribution to the field of camp studies investigates why and how music has served as an expressive and political vehicle for both the aesthetic characteristics and the receptive modes that have been associated with camp throughout twentieth and twenty-first-century culture.
