Enter by the Narrow Gate David Carlson, 2016-11-01 A teenage girl has vanished in Santa Fe. Nearby, in the Trappist monastery of St. Mary of the Snows, a beautiful young nun is stabbed to death. Father Nicholas Fortis is on sabbatical at St. Mary's, and when Lieutenant Christopher Worthy of the Detroit Police Department is flown in to help find the missing teenager, the Orthodox monk asks his friend to delve into the nun's murder as well. The two men make a perfect team: the monk's gregarious manner opens hearts and the detective's keen intuition infiltrates psyches. The Book of Matthew refers to the narrow gate that leads to heaven. Each of the key players in these two cases was rattling heaven's gate in a frantic and even dangerous quest for salvation. Lieutenant Sera Lacey of the Santa Fe Police, with her captivating looks and insight into the Native Americans and cultures of the Southwest, proves both a boon and a distraction for Worthy. As Father Fortis navigates the social hierarchy of the monks of St. Mary's, he begins to fear their secret agendas. Bowing to the pressure to solve both cases, the investigators let the clues lead them in opposite directions. At the end of one of those paths, Death awaits. Book one in a new detective series featuring Christopher Worthy and Father Fortis.

Manifesto of a 21st Century Anarchist Nickk DropKick,2013-03-19 Manifesto of a 21st Century Anarchist is the written account of a young adult exposed to the radical rhetoric of Anarchism, Nihilism, and Egoism within the 21st century. The book itself is political theory, which attempts to explain the rational behind Anarchism, exemplify the ideology and begin to explain an Anarchists view of world order, justice, and freedom, and to ultimately reveal some tenants of Anarchism which anyone of any ideological background can rationally begin to understand. Taking a staunch anti-capitalist, anti-authoritarian, and anti-populist viewpoint Manifesto of a 21st Century Anarchist attempts to differentiate Anarchism from traditional politics, instead exploring a realm of idealism free from all hierarchy, state, and arbitration.

Trump for igniting the

January 6 siege of the Capitol. Following the norm-shattering attempt by his followers to disrupt the peaceful transfer of power, the second impeachment trial of the president seared a new lexicon into our collective consciousness and marked a watershed moment in American history. The case, presented to the Senate by impeachment managers from the House, marked a bravura performance by members of Congress who were themselves the targets of the rioters incited by the president only days earlier. The System of Things III Luis E. Sweeney,2021-02-22 About This Book This book was actually written about me. I had used the name John D. Robinson as the main character in my other two books titled, " The System of Things I and II". At that time I was still working for the government as a state trooper. I knew my superiors would retaliate against me and would try to terminate me for exposing the truth. Although I had since retired, I decided to continue using the name John D. Robinson. Unlike my first two books that was written in a worldly manner; this book was written in a way that it could be read in a church. I wanted to give everyone an opportunity to know what really takes place behind the closed doors of our government.

This book was written as a result of the injustice and corruption that I had seen as well as being a victim thereof. It was written in attempt to show that our system of government and society; how great it is in comparison to other nations; it could be better once one understand and realize what our system and society has become due to the zeal to be number one and racism. Having that being said, I wanted everyone to know that I truly believe in the Constitution of the United States of America, the Magna Carta, and the Bill of Rights. Those were some of the reasons why I served my country during a time of war. I joined and wasn't drafted. This book was written to show that I also believe in our symbol of justice and the mission statement of the Statue of Liberty. This book was written for the benefit of every human being regardless of the color of ones skin, gender, religion, origin of birth, and or whether one is an ally or foe, or whether one is innocent or guilty; for everyone should be given the same benefits and rights that this country offers. This book was written especially for the men and women who had chose to get involved in the political process and to those individuals who were involved in the Civil Rights Movement, who live and died taking a stand for justice. Most importantly, I hope this book through the trials and tribulations of John D. Robinson will open your eyes so that one would have a peace of mind in knowing that having faith is the key to surviving physically, mentally, and spiritually; in spite of the negative current events and pandemic taking place in the world today. Respectfully Yours Luis E. Sweeney/John D. Robinson
