Season of the Matriarchs Bobbie J. Ford-Edwards, 2010-10-28 *Season of the Matriarchs* An anthology of seven stories, celebrating strong family matriarchs, from diverse backgrounds, who range from 58-110 years-old. 1. *THE VISIT* Dicie Phillips, age 70, visits her son and daughter-in-law, in the south suburbs of Chicago. Then, she reluctantly embarks on a visit to the West side of Chicago, with them. The eventful evening, culminates in thought-provoking enlightenment. 2. *THE HOMECOMING* Minty Isadore's 110th birthday is hailed, during the annual homecoming celebration, in Warren, Arkansas. The festivities are held on the grounds of the now, closed church, where the doors are opened for service, once a year, preceding the gala events. 3. *NOVEMBER IN NEW YORK* Delores Moore, 58, visits New York City, for the first time, with her female employer, a former resident of New York City. On the first day, hardly leaving a stone unturned; her companion, showed Delores around the city that she'd dreamed of visiting, her entire life. Then, due to her companion having a love

interest in the city; Delores is forced to veer out on her own. Consequently, she encounters an unlikely suitor. 4. EFFIE AND EUNICE The Lamm Sisters, Effie and Eunice, are whimsical and spry, 90 and 95 year-old spinsters. They've lived a joyous life together, in the same house, for nearly seventy years. Between them, Effie and Eunice have a storehouse of memories from the past. And, prefer slow going evenings, reflecting on days gone by; rather than getting caught up in life, during the present time, in Indianola, Mississippi. 5. I DO, AGAIN Theresa Owens, 62, a widow for twelve years, calls her three grown daughters (all of varying lifestyles and personalities) together to announce her recent engagement. Though Theresa's Daughters don't think alike, they all agree that no man can replace their father. But, it's only Stephanie, the take-charge, police sergeant, who insists the marriage between their mother, a cultured, retired school teacher who's recently moved into a Milwaukee, lake front condo, and her fiancé, a grungy auto mechanic, should not take place. In her opinion, he and his family don't measure up to their mother's standards. 6. CLOSED Mable Tucker, 80, is closing her prosperous, Canal Street restaurant, in New Orleans. And, retiring after forty-five years at the same location. Regular patrons, packed the restaurant and spilled out into the garden area, regaling in the folly. Many rekindled decades of memories, while enjoying one last meal at Mama Mable's. A first time visitor, Gordy, in town on business, gets to Mable's, just in time to experience what his best friend (who's Mable's nephew,) has boasted about for years. Gordy discovered that Mable did cook the best gumbo and bread pudding with caramel sauce that he'd ever tasted, in or out of New Orleans. Jovial and motherly, Mable made him feel like he'd known her all of his life. Gordy ends his visit with Mable, stimulated both mentally and physically by her ability to spin tales of Old New Orleans, just as well as she cooked. 7. THE LAST STOP Velma Jones, 65, a charter bus driver, makes her last run, before her retirement. Many of the passengers on the trip are regulars on her run between Los Angeles and Las Vegas. A few of them were along, on her first trip, twenty-four years ago. She's going to miss the passengers and the road. Velma possesses a tremendous singing voice, and has always aspired to be a professional singer. But, had never received that big break. Just as comfortable behind a microphone as she was behind the steering wheel; Velma always serenaded the passengers on her bus, as they rolled along the highway. Velma's accepted an off-the-strip club owner's offer to sing with his band. She knows the experience would be good exposure, that might lead to better offers. But, though Velma's good at concealing it, the thought of walking out on stage, in front of an audience, gives Velma the jitt

Inspired by God Geneva Arnette, 2011-09-29 Her love was found upon her knees. In her distress, she was searching and seeking out ways to find love and comfort that was missing in her life. From an early age as far back as she could remember she was searching, day after day, trying to fill that need of hurt and emptiness in her life, trying to find the answer to her needs. She never felt love and compassion from the most important people in her life, (her parents). She longed to be held, and told she was loved. As she watches her friend being held in the arms of her parents many times she felt left out, wishing that it was her. Then came a time when she had no choice. After seeking and searching many ways to try to find what she needed in her life, to find the love and happiness that she longed for and desired that fulfillment that was missing in her life she then was drawn back to church. She started to put the Lord back in her life. Slowly there began a change in her life. She found what she was looking for. A love that was fulfilling that didn't hurt what she needed in her life; it was the love of the Lord. She found it upon her bended knees. It was in front of her all the time.

Good Grief Teresa Masters, 2016-02-10 Teresa Masters is an ordinary mother who was faced with every mother's worst nightmare, not once, but twice. By placing her trust in God, she learned how to take one day at a time and reach peace of mind and is closer with God than she ever thought possible. In her life's story she shares how her agonizing cries to God for help and her complete dependence on Him gave her the courage she needed to do what was necessary to provide a safe and peaceful environment for her children. Then tragedy blindsided her twice, leaving her heart shattered for life and learning to live without her children. Instead of giving in to despair, Teresa turned to songwriting and singing - achieving nationwide acclaim - and channeled her grief into a mission to help others find God in their darkest hour. She created a support group for mothers who, like herself, had lost children. Together they found a safe haven with each other and a bond that continues today. Teresa's burning desire is for God to use her story and the lessons she's learned to help others until the day He calls her home. In this book, she shares the steps she took to help her emerge from the depths of her grief to a life of peace and hope.

Notes and Tones Arthur Taylor, 2009-08-05 Notes and Tones is one of the most controversial, honest, and insightful books ever written about jazz. As a black musician himself, Arthur Taylor was able to ask his subjects hard questions about the role of black artists in a white society. Free to speak their minds, these musicians offer startling insights into their music, their lives, and the creative process itself. This expanded edition is supplemented with previously unpublished interviews with Dexter Gordon and Thelonious Monk, a new introduction by the author, and new photographs. Notes and Tones consists of twenty-nine no-holds-barred conversations which drummer Arthur Taylor held with the most influential jazz musicians of the '60s and '70s—including:

The Empress of Quintessence Laurie Adams,2016-03-31 A conversation with a wealthy neighbour gives environmentalist Maria a chance to undertake her dream project: building a world class, eco-friendly wellness facility in the heart of the Niagara Escarpment; one that is uncompromising in its commitment to an environmental and wholistic sound practice. But the chance comes with a catch. Not only does Maria have five years to complete her project and turn a profit, but she also has to demonstrate that her environmentalist principals are viable in the corporate world, or else she has to sell. Soon it becomes clear that her development is important to many more people than just herself. She and her land in particular become a focal point for mystics, spiritualists and healers each with an agenda of their own. As Maria progresses in her understanding of the deeper aspects of the metaphysical and paranormal, some friends become enemies, and some lovers, while others drift off into the ether, or return from the dead. Through them all, Maria learns of an ancient spiritual struggle that encapsulates Earth, one that she's much more a part of than she ever would have imagined....

Toktok Talkie Henschel, Joh R.,2015-12-01 With his penchant for nature, science, writing and photography, the desert ecologist, Dr Joh R Henschel, could not help but document the conversations about the natural world with his friend Zophosis Moralesi, a Toktokkie as beetly as can be. The Toktok Talkie articles were first published as weekly newspaper columns between 2011 and 2013, and these are now collated in this book. In it, Joh reveals some of his musings about nature and his observations of peoples' relationships to it. He deftly interweaves the human defiance of nature, symbolised by the Ancient Mariner, with nature's many values and ultimate power of having the last word, presented by a humble messenger, the Toktokkie beetle, Zophosis moralesi. His first experience of the Namib in 1977 became love at first sight. Since then he has been conducting research in the Namib and several deserts world-wide, reported in numerous scientific papers and technical documents. After spending over three decades in Namibia, Joh and his wife, Theresa, moved to Kimberley in South Africa in 2013, where he joined the National Research Foundation to continue arid land research through the South African Environmental Observation Network (SAEON).

Heritage Treeca Yarbrough,2018-05-14 I feel so grateful for my heritage. My mother and father instilled the principles of Christian living in me early. I watched my mother, who never preached a word, live the life of sacrifice and prayer. This taught me to be strong in the Lord. So many of my brothers and sisters are ministers. I also learned from them. If your name

got on my moms prayer list, mark it down. Something had to give. She would fast for ten days without food, just drinking water until she heard from God. Many healings came about as an answer to moms prayers. This example led me and my household into a way of life that I tried to pass on to my children also. Then they have passed it on to their children. Not all of my grandchildren fast, but all hold the principles of faith very dear and are serving God. As you read this book, you will see that we are not stick-in-the-mud people. Sometimes we are silly! Sometimes we are sad, but we never leave the teaching of our heritage. I have four children, thirteen grandchildren, and sixteen great-grandchildren. We are following Gods command to Adam to multiply and replenish the earth! My hope is that as you read, you will laugh and sometimes cry with the Yarbroughs but will see the hand of God moving in each situation.

Clemmie Bili Morrow Shelburne, 2012-03-21 At the age of twenty-three, Clementine Foster finds herself in a mental hospital with no recollection of how or why she came to be there. Once begun, there is no turning back and Clemmies awakening accelerates inexorably to its pulse-pounding conclusion.

All Points North Shelby Reese Lee III, 2015-05-20 Life is sometimes comical, always moving, and often starkly painful. In his debut compilation of fourteen short stories, Shelby Lee reveals the deep psychological complexities of the human experience by tracing the roots of emotions and shining a much-needed light on seemingly unexplainable behavior and attitudes. It is a few days before Christmas in 1971 when a young mans romantic fascination with the rustic life collides with the dark reality and horror of an ordinary hunting outing. It is the late 1960s when a mother invites a clinical psychologist into her home, much to the surprise of her sons--one of whom eventually uncovers the doctors unorthodox and illegal treatments. When an obsessive compulsive patient cannot stop taking showers, a chemical hypnotic interview succeeds in only making life worse. A dysfunctional family reveals their complicated dynamics--but only behind closed doors. *All Points North* is a wide-ranging and ambitious collection of short stories that offers a remarkable and moving psychological journey into a complicated interior world.
